THE citizens of New-Orleans are respectfully informed that the celebrated painting of **CAIN**, meditating the death of Abel. (by DAVID,) will be exhibited for a short time at No. 3 Chartres street four doors from Canal street.

This splendid painting has been universally pronounced of the first order, and the magical talents of its author have never been more happily displayed: he has disdained all adventitious circumstances and accessaries, and embodied the whole of his subject in the astonishing figure of CAIN, his wife and children.

Open every day, and brilliantly illuminated in the evening. Admittance 50 cents, children half price, season tickets $1,00. jan 31.

BEWARE OF COUNTERFEITS

WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated *Catholicon*, purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rob of l'Affecteur, or Syrop de Cousinier, which contains *corrosive sublimate*, and calculated to do much mischief. I trust the unsuspecting will be on their guard against these frauds, and purchase of no other persons but F. P. Ducongé and Morgan & Co. who are my only authorized agents for New-Orleans, and from whom the *Genuine Potter's Catholicon* can be had fresh from my factory at Philadelphia

WM. POTTER.
Ninth street, Philadelphia.

POTTER'S CELEBRATED
Catholicon.
ONLY TWO DOLLARS PER BOTTLE.

☞ The component parts of this medicine are purely *Vegetable*—it is therefore one of the safest in the world!

A SOVEREIGN REMEDY

in diseases of the liver, ulserated sore throat, scibility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, or indigestion, diseases of the lungs, syphilis, blotches on the face and skin, white swelling of the joints, tetter, mercurial diseases, piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper.—The unrivalled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and *purifier* of the *blood* and *humors*, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon:—its healing powers: its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alms House, and the Philadelphia and New-York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. *"These facts speak trumpet tongued"*—and *cannot be gainsaid.* It is much to be lamented that there are so many spurious mixtures manufactured in imitation of this invaluable medecine, some assuming to possess equal virtue, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to filch the public, have published for their benefit the very *certificates* which the proprietor of the *Genuine Catholicon* had obtained from those who were cured by his medicine, of various distressing diseases.

Thus has he been assailed in every form by envy, jealousy and fraud; and thereby prevented extending the usefulness of this great and long wished for remedy.

Just received, direct from the manufactory of the proprietor, a fresh supply of the *Genuine Potter's Catholicon*, and for sale at the wholesale and retail Drug, Medical and Chemical warehouses of

L. CHOISNE, still the agent for the sale of that precious remedy of Messrs. Roux and Chais, although he considers it useless to recall here the virtues of the Paraguay-Roux, better known by the success it has obtained, than by the praises bestowed on it by the public papers, thinks it necessary to inform the public that as sole agent of the Paraguay-Roux, he will not guarantee its efficacity unless not only the bottles be taken from his store, but that besides they bear the libel of *L. Choisne, dépositaire.* Therefore, he invites those persons who have already made use of the Paraguay-Roux, as well as those who may be in need of it, not to mistake it for the Elixir of Paraguay, the Balsam of Paraguay and numerous other compositions of that kind which do not resemble in the least to the Paraguay-Roux, of Roux and Cais, the sole deposit of which is at the store of the above named, Royal street, No. 243, between St. Ann and Dumain. nov. 23
