WM. SMITH'S
Garden Seed Store, No. 83 Custom-House street.

The subscriber begs leave to inform his friends and the public, that he is now landing from the packet ship Natchez, a renewed supply of fresh

SPRING GARDEN SEEDS,

received direct from the growers and warranted equal as to freshness and quality, with any imported into New Orleans, either from the Northern or Western states.

Country merchants and dealers will find it more to their advantage to obtain their supplies for retailing from the establishment than from other in the city, as from the subscriber's long residence and practical knowledge of the Seed business, he is better prepared to fill an extensive order, (whether wholesale or retail,) for any of the standard kinds of KITCHEN GARDEN SEEDS, than any similar establishment south of the Atlantic cities, not even excepting any of the Shaker's societies. Dealers can always obtain an almost unlimited supply of Garden Seeds either by the single dozen papers, or gross, neatly and uniformly put up with printed labels in French & English.

The subscriber begs to return his warmest acknowledgements for the public patronage with which he has been favored since his first establishment in 1822, and hopes by personal assiduity, to merit a continuance thereof, in his new store, No. 83,
