MINEY, JANUARY 11, 1828.

That triumphant W. the act of Jan-

those freemen armed in defence of heir thereby the more reduced. country and its institutions, was really noble and interesting specificle. But if the martial ardour of our citizens to was pleasing to our sight, the canalogs ina, which she left on the 25th of Sal

the venerable warrior, walking unheed in the boat had promised of show where ed through the silent ranks of those he residue of the earge was so be found.

Oursons while feuriosity had drawn to The Finlands had salled from Smyr gether. We and not see without pain in with the at officer of the Cherub, in ful emotion that respectable veteran search of the Pirate. The Cherub arluring the course of a fatiguing march rived at Smyrna 22d. depending for support on the arms of two distinguished citizens, and we sire cerely wished that he had made his ntry on horse-back, as had been previously amnounced; he would then have been more satisfactorily seen by those who were desirous to gaze to the face of him who so eminently contributed to the glorious expulsion of the proud inaders of our country.

Whatever may have existed, we would have wished for some more striking evidence of public gratitude; for hhough nothing was omitted that Debt was mad his heart which has already simpathys- of Ky, was referred to a select committee ed with the hearts of Louisianians, of seven; which, on balloting, consisted would in that case have then nowise of Messrs. Berrien, Johnson of Ky. in helid with regard to may thing that Mac n Chambers, Ther, Barnard, concerns a hearty expression of public gros seins, le regard craintif, et welcome, indeed it is even possible that Muit vetue d'une robe de cotonade bleue a at the time painful feelings may have divisua, elle se tient habituellement à la found their way to his heart, and that in a national festival there are persons who think it their duty to abstain from alopting the measures dictated by in- relative to the expenses incurred in cartrigue.

husinemit was because they were desi- led. was to preserve all that dignity and all that liberty of opinion which is so eminently their characteristic. In fact, it diminish the duty on imported saltwas necessary to suppress their enthusiasm that their political opinion might sale of the lands in Indiana heretofore noteties engaged, and as their hearts appropriated for the use of schools. were thely patrious, the love of their institutions was protern dubage all other considerations, and they therefore did.

And it is nowise astonishing that after the awkwardness displayed in endeavouring to for e them into measures that they sacrificed the expression of a sentiment to the faililment of a duty.

It is so we hope things will appear; the venerable host on whom so much hommage would have lavished, had he not been drawn as it were in the system of accounts unsettled, under a law of of his indiscreet friends, and we are pleased to think that he is persuaded that the remembrance of Gen. Jackson is engraved on the hearts of our citizens.

However, if we examine into the eause of so cold a reception, it will be santative from Kentuck, by wearing asy to perceive that it originated in crape for one month, which was agreed a v thing like ingratitude; but real y to; and the House, as its customary from the delicate position in which were equally offered to the person who can placed the greater part of our citizens y certain persons obstinately per isting to give an appearance of party spirit to in affair which was in fact but a proof of gratitude expressed by the legislature Januardy, at 12 o'clock precisely, in the name of the people of Louisiana. It is very evident that the expression

is noble a sentiment has been greatly suppressed by the endeavour to render it subservient to intrigue, which intention was no sooner known than every consideration immediately gave way to a rigid observance of political opinions. As soon, certain persons had the miserable and helplets condition of added the legislative authority to their a man to her unknown, who said he had private opinions; than, they styled been a captive among the Flat Head in themselves The People; it was ther dians for fifteen years, in consequence

men and compeled them there pertuis enough—so lame as to be scarcely able people is totally exparate from the one fixmen and the free of This has be walk his right are stiff, and close of for negroes.

It is not the result of another close to his pile—his fingers changed and sy attempt, so represent a position what was nothing more than a culate a word, to supply which deficit person wishing the may judge of ency he handed us a slip from the "Boshis has plevided a spacious house than a retired part.

Traveller much the first house being saturated in a retired part. the uninteg of their partizans by the ton Amedian Traveller, much the of the town less crowded with houses a number of persons assembled around worse for the ware. The many ingention makes the mak uary, recells to our memories, feelings their colours, they must have great reasons deceptions practiced to avoid with son to regret have great use of an exevery Louisianian. The anniversary pediant which has someonly succeeded; even adepts to it suggested a profession of that memorable day has ever been and that if, so he was invited, he had nal as well as a police examination.-Dr. celebrated by the martial parade of our been minousced to us but under that Joshua Ash proceeded to examine the citizens, proudly joyous to rally around glorions tittle, we would not nouths ob right arm, and with some effort raised. Doctor Reson will however take those enfours upder which they so suc liged to account for the extreme cold- it to a level with its shoulder—bent it the persons who will apply the all cessfully defended the country's honour ness of the reception he has received at the ellow and wrist, opened the hand sible agrangements. but on Theseley last, a still more urgent from our citizens. He himself would motive, the presence, of him who less notified pregret the absence of the presence, of him who less notified pregret the absence of the presence casions. Their warlike appearance and selves from his presence, and he would gue—he also stated that he had been of that disease; he has now in his possert thy fivals of their Natchez compatriscission of our population. It scission from the scission of our population is scission from the scission of our population. It is scission from the scission of our population. ots; a certain number of whom escorted the General to this city. To see all him by his clumsy partizans has been The impression.

Prom the New-York Evening Post. if the martial ardour of our citizens to Greek; Pirates.—By the arrival at fill the tanks of their respective corps Boston of the brig Congess from Smyrdisregard of the citizene structure, was we learn that the brig Cherub, Locaqually painful, and the state of the ring, of Boston was taken 5th Sept. by rent from what expectation and formed of the joy to be extend.

Some few far-distant groups did not ken to Gaadia, wild there plundered of seem accordant with that joyous wel- all her enred, all her spare sails, rigging, known by the name of Reuben Jones, come we expected to see, and we could provisions, best cable and anchor, have not help rentarking the difference be ser, clothing, captain's watch, and a tween that and a similar occasion still threat to murder all on board and desfresh in our recollection, and saured as troy the vessel. A book, with several we were that Louisianian have never bargs of coffee, but been taken at Milo. been unmindful of that gratitude they at the U. S. slep Lexinguin, a part of owe and must ever owe to the defender which had been indentified as part of f their sail; we observed with regret the Cherub's chirgo-long Greeks taken
