MESSRS. P. BLANCHARD & ACHILLE LION,

Surgeon Dentists of the Faculty of Paris and New Orleans, have the honor to inform their clients that since the 1st of June, they have quitted their offices in No. 41 Royal street, between Bienville and Customhouse, residence of Dr Lion.

The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore, deemed it expedient to form a Copartnership, as well on their own account as on account of the numerous clients, in order that one of the two may be always in town, ready to receive all persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuance of the patronage of the public.

Dr. PEARSON, Dentist,

Office and residence Baronne street, opposite the State House.

DR PEARSON invites his friends and all interested to call and examine the improvements in the manufacture of Artificial Teeth, particularly the Block Teeth, for which he received the first premium at the State Fair.

Persons wishing artificial Teeth inserted, can have it done at my establishment with less delay and upon more reasonable terms than any other in the south.

It has ever been my object to place it in the power of the poor as well as the rich to obtain relief and receive the benefits of dental operations. The great increase of my practice for the last year has compelled me to employ an experienced French Dentist, whose services I have procured for a term of years at considerable expense. The Creole ... rely upon finding him always ready to wait upon them—all operations will always be submitted to my examination and approval.

Blocks manufactured for Dentists to suit every variety of case, by furnishing correct models. A supply of every article used by Dentists kept constantly on hand.
