The engagements they are under towards various institutions in the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have therefore deemed it expedient to form a Copartnership, as well on their own account as on account of their numerous clients, in order that one of the two may be always in town, ready to receive all persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuance of the patronage of the public. je

**GRAND EXHIBITION.**

A MAGNIFICENT GALLERY OF ORIGINAL PAINTINGS, by the most celebrated masters, IS NOW OPEN at the St Louis Ball Room, from 8 A M till dark, and the room will be brilliantly illuminated with gas every fair evening till 10 P M.

This collection is chiefly the property of some of the most eminent families in Italy, embracing the choicest portion of their collections, which have been celebrated for centuries, sent to this country to found a National Gallery of the fine arts in America. Among this collection is to be found the celebrated picture painted by Michael Angelo Bonarotti, representing Count Ugolino and his four Sons in prison; the father and sons were then left to starve to death. This picture alone is worth double the price of admission.

Also at the same place is to be found a miniature Exhibition of the famous marble statue of VENUS DE MEDICIS, by the immortal Canova, &c.

It is, beyond all comparison, the most extensive, valuable and interesting Collection, which has ever been seen in this country; as was indeed the necessary result of the unique mode of its formation. It embraces specimens of every style of art, from that which preceded the invention of Oil Painting to the final chef d'oeuvres of Raphael, Titian, Correggio Claude, Rubens, Carlo, Dolce, Vandyke, &c. &c.

The limits of an advertisement do not allow room for hinting at the gems it embraces, but the most cultivated and travelled connoisseurs, are the persons by whom it is most highly esteemed. A personal inspection can alone give any idea of its interest and value; and, to enable every one to enjoy these, the Tickets of Admission are fixed at the price of only 50 cents. A Season Ticket for a single gentleman during the whole time that the gallery remains open $2. mr13
