To those who are acquainted with the beautiful location of this establishment, it would be superfluous to say any thing in its favor; but for the information of the public in general, the subscriber conceives it necessary to make known its manifold advantages.

Pass Christian is situated about 50 miles from New Orleans, on Lake Borgne, nearly opposite the Bay of St. Louis, immediately on the sea shore—the land is 12 to 15 feet above the level of high water mark, which, added to the pure atmosphere, renders it one of the most healthy places in the world; and in fact, from its peculiar situation, it is impossible that an epidemic disease should ever exist there.

The very best provisions, wine and liquors, will be amply provided, and the subscriber will neglect nothing which may add to the comfort and recreation of those who may favor him with their patronage.

The Mail boats leave the rail road every day at 2 o'clock and will land passengers on the spot where an extensive wharf is now building. GEORGE LEVY. [Aug 12
