ICE CREAM & SHERBETS.

THE flattering patronage I was honored with, by the ladies particularly, during last summer, has induced me to select a place where, whatever be the state of the atmosphere, ladies and gentlemen may enjoy the ice creams and sherbets, so sweet and salutary in the heat of summer. My establishment will not have the least appearance of a coffee house; no other beverage will be served but those fit for the most delicate lady; and it is intended as a fashionable place of resort, as those in Paris, so much frequented by the fair.

Besides ice creams and sherbets, we have selected a great variety of all sorts of syrups, such as gasons, gose berries, oranges des and all cooling fruit juices.

The establishment will be open on Sunday; 12th inst. Royal street between St Ann and Orleans sts.
