ICE CREAM & SHERBETS.

THE flattering patronage I was honored with, by the ladies particularly, during last summer, has induced me to select a place where, whatever be the state of the atmosphere, ladies and gentlemen may enjoy the ices, creams and sherbets so sweet and salutary in the heat of summer. My establishment will not have the least appearance of a coffee house; no other beverage will be served but those fit for the most delicate lady; and it is intended as a fashionable place of resort, as it is in Paris, so much frequented by the fair.

Besides ice creams and sherbets, we have selected a great variety of all sorts of syrups, such as gasous, gose berries, orangeades and all cooling fruit juices.

The above was rented last year on a lease for $500, and with a little repair on the house it would now rent for more than that sum.

OPIATA BALSAMICA,

DEL DR. GUERRERO.

THIS OPIATA, a recent discovery, is a certain safe and convenient remedy for that species of disease called Gomorrhea or Gleet. Its reputation has been generally established in South America, and has commanded the written testimonials of the Medical Faculty of that section of the Globe, relative to the speedy and infallible results which have attended its application to all cases of Gomorrhea.

The OPIATA BALSAMICA is put up in small leaden pots, accompanied with directions, and may be conveniently carried in the pocket, both by persons travelling, and by those who may wish to avoid exposure, either to a physician or to their friends.

It is in the form of an agreeable paste, and is taken in such a manner as to render it "tasteless," by being wrapped up in a wafer prepared for that purpose, a sufficient number of which will be delivered with the medicine. But the greatest advantage which it possesses, is, that it invariably produces a radical cure of the disease in a few days, without affecting the most delicate constitution, owing to its containing the slightest particle of mercury in its composition.

Before the Agent would offer it to the public in this country, he has had its efficacy tested by several of the most respectable physicians in the city of New York. Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in consequence, generously consented to be referred to as to the truth of this statement.

Price—each pot, one dollar and a half. It is sold by the subscribers, chemical druggists, sole agents for the remedy in Louisiana. CUSACH & Co,
