E. RABASSE, French Surgeon Dentist, from Paris, respectfully informs the Planters along the coast, that he intends visiting the plantations from the Balize to Bayou Sara, on both sides of the river, and offer them his services.
E. R. directs the dentition of children, corrects any deviations, and fills up the teeth with a cement; places in from a single tooth to a complete set, and undertakes curing all vices and defects of the mouth. ju27

MESSRS. P. BLANCHARD & ACHILLE LION, Surgeon Dentists of the Faculty of Paris and New Orleans, have the honor to inform their clients, that since the 1st of June, they have united their offices at No. 44 Royal street, between Bienville and Customhouse (residence of Dr. Lion.)
The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore, deemed it expedient to form a Copartnership, as well on their own account as on account of their numerous Clients, in order that one of the two be always in town, ready to receive all the persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuation of the patronage of the public. [illegible]
