THE GREAT PERSIAN MAGICIAN.
Mustapha Selim El Hassan, from Ispahan, the former capital of Persia, has the pleasure to inform the inhabitants of New Orleans, that he will have the honor to appear before them every evening.

The exhibition will be opened in the spacious hall opposite the American theatre, in Camp street, over the union house.

Mustapha Selim El Hassan begs leave to assure the ladies and gentlemen who may honor his exhibition with their presence, that they will be delighted & astonished by the numerous and mysterious experiments that will be introduced, and which have been drawn from the mysterious philosophy, chemistry, and magic of the eastern nations, many of which having been handed down from the ancient magi of Egypt and Chaldea, and which have never before been exhibited in America.

Mustapha Selim el Hassan, having travelled through the principal cities of Asia and Africa, and having performed before many powerful sultans, schahs, and rajahs from whom he received distinguished marks of approbation, hopes that his efforts to please will meet with the same success here that attended him in the different parts of the world.

Among the various experiments in the wonderful feats of the black art, by which he will try to astonish every beholder, he will exhibit the flight of the Persian plume and enchanted money; the resurrection of a bird; a Turkish feat of the rabbit and rings. Egyptian pyramids; Arabian feat of the devil in his nightgown; the feat of three Bohemian witches—this feat is dedicated to the ladies; African feat of the changeable watches; the invisible glove; Arabian bottle feat, or the enchanted handkerchief; great Turkish feat of the parasol; the Chinese handkerchief feat; the devil's globe, &c, &c.

Price of admission for grown persons, 75 cents; children half price. Tickets can be obtained during the day at the bar of the union hall, and during the evenings at the entrance of the exhibition hall.

The doors will be opened at half past six, and the performance commence at half past seven o'clock, on each evening of the week dec 25—1m
