I HAVE FOUND A TREASURE.

SO SAYS the consumptive who has been laboring under a distressing *Cough, Pain in the Side and Chest*, and debilitating *night sweats*, and could not find any relief. So says the *Asthmatic*, whose difficulty of breathing was such that he could not lay down at night. So says the person who has [illegible] *at the lungs*, and who failed day by day [illegible] met with this invaluable help. Would you know its name?

Sherman's Olosonian, or ALL-HEALING BALSAM

[illegible] invaluable [illegible], which has done more during the past six months in relieving the above diseases than any other [illegible] in the world. This is no puffing, no [illegible] any [illegible] practiced, as the testimonials are left at [illegible] for the inspection of [illegible] who may wish to examine. Over Three Thousand [illegible] have used this great remedy in the city of New York alone since the 20th of March last, and no complaint has ever yet been made concerning its effects, on the contrary, all who have ever used it speak of it in terms of unqualified praise, and many of the number of cases which have been treated by the Olosonian are to be found some of the most distressing cases on record. Read [illegible] of the same of your friends concerning [illegible] that remedy may be removed.

Mrs. Wilby, the wife of P. Wilby, Esq. [illegible] 133 West 17th street, was given up by the [illegible] [illegible] who attended her, and left to die. Every day was expected to be her last. Her disease was pronounced consumption, and during her sickness she raised very large quantities of blood. Her Cough was incessant, her weakness and emaciation very great. Attaining Olosonian, or All-Healing Balsam a short time, she was entirely relieved, and is now attending to her family duties about the house, where those who doubt can call and see her if they feel sufficiently interested.

Artemus Raymond, who resided during his sickness at 308 Madison street, but has since removed to Providence, R.I., was attended by 7 of the best physicians in the city. They attended him the better part of three months and gave up his case as hopeless. They pronounced his disease an Abscess, or Ulceration of the Liver, and Scrofula of the Lungs. They told him they could not help him, and that he must die, as his Lungs were entirely gone. He had a mouth ulcer [illegible] in his side, which was opened and discharged over three pints of matter from the Liver, exactly resembling that raised from the Lungs. He was persuaded by his friends to try the Olosonian, and after using two bottles was entirely restored.

We would refer all who doubt the authenticity of this [illegible] Mr. Isaac Labagh, 27 Norfolk street, who visited Mr. Raymond during his sickness, and was familiar with this treatment.

A *Hundred Cases* equally as unpromising in their character [illegible] have been cured effectually by this great Remedy.

Have you a [illegible] Cough? Do you raise Blood? Are you troubled with Asthma, or difficulty in [illegible] Breathing? Have you Night Sweats? Beware [illegible] Do not be deceived in the [illegible] for relief. *Here is the Remedy.*

Who wants to be cured of the Rheumatism?—It is not strange that people should hesitate to try remedies which they see advertised. How many persons who were suffering intolerably with the Rheumatism, have said they did not know whether to try the NERVE AND BONE LINIMENT AND INDIAN VEGETABLE ELIXIR or not, they had tried so many things without any good effect, that they had no faith left to try any thing new. Now we can assure them that they can have the most perfect confidence in this remedy: it has been tried in some of the worst cases in this country with the most perfect success. By the use of this Liniment weak limbs are strengthened, and those who are crippled enabled to walk again. Sold only at 59 POYDRAS street, at the Magical Pain Extractor Depot. d48

Sold only at 59 Poydras street, and is warranted to cure any of the above cases, or no pay will be taken for it. "It is equally good and certain for females." d15 6m

J. Winer & Co.'s Canadian Vermifuge.—DEPOT AT BERTRAND AND STACE—CORNER ROYAL AND BIENVILLE STREETS.—Louisiana is one of the countries most subject to vermicular affections under the most varied and aggravated characters, and although we do not ascribe all diseases of children to this cause, we may advance the fact that convulsions, intermittent fevers which prove fatal when the physician persists to treat fever only, consequently it becomes necessary to expel the worms, which daily invade the digestive tube, and to obtain this result no better remedy can be obtained than Winer's Vermifuge,—it is the only remedy which unites the three following qualities, being anti-vermicular, purgative and tonic. n19 [illegible]

The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore deemed it expedient to form a Copartnership, as well on their own accounts as on account of their numerous Clients, in order that one of he two may be always in town, ready to receive at persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuance of the patronage of the public. [illegible]

Dr. PEARSON, Dentist.

Office and residence Baronne street, opposite the State House.

DR. PEARSON invites his friends and all interested to call and examine the improvements in the manufacture of **Artificial Teeth,** particularly the **Block Teeth,** for which he received the first premium at the State Fair.

Persons wishing artificial Teeth inserted, can have it done at my establishment with less delay and upon more reasonable terms than any other in the south.

It has ever been my object to place it in the power of the poor as well as the rich to obtain relief and receive the benefits of dental operations. The great increase of my practice for the last year has compelled me to employ several skilful operators, among whom is an experienced French Dentist, whose services I have procured for a term of years at considerable expense. The Creoles may rely upon finding him always ready to wait upon them—his operations will always be submitted to my examination and approval.

Blocks manufactured for Dentists to suit every variety of case, by furnishing correct models. A supply of every article used by Dentists kept constantly on hand. d3 tf
