GRAND EXHIBITION.

A MAGNIFICENT GALLERY OF ORIGINAL PAINTINGS, by the most celebrated artists IS NOW OPEN at the St Louis Ball Room, from 9 A M till dark, and the room will be brilliantly illuminated with gas every evening [illegible]

This collection is chiefly the property of one of the most eminent families in Italy embracing the choicest portion of their collection which have been celebrated for centuries, sent to this country to found a National Gallery of the fine arts in America. Among the collection is to be found the celebrated picture painted by Murillo, Asking Boaz, representing [illegible] in prison, the father and son were there left to starve to death. This picture alone is worth double the price of admission.

Also at the same time is to be found a separate Exhibition of the famous MARBLE STATUE OF VENUS DE MEDICIS by the immortal Canova, &c.

It is, beyond all comparison, the most extensive, valuable and interesting Collection, which has ever been seen in this country, as it was indeed the necessary result of the unique mode of its formation. It embraces specimens of every style of art from that which preceded the invention of Oil Painting to the final chef d'oeuvres of Raphael, Titian Correggio, Claude, Rubens, Carlo Dolce, Vandyke, &c. &c.

The limits of an advertisement do not allow room for hinting at the gems it embraces, but the most cultivated and travelled connoisseurs are the persons by whom it is most highly esteemed. A personal inspection can alone give any idea of its interest and value; and to enable every one to enjoy these, the Tickets of Admission are fixed at the price of only 50 cents. A Season Ticket for a single gentleman during the whole time that the gallery remains open $2. mr[illegible]
