This unparalleled opportunity is offered to wealthy and fashionable citizens, as the air is the purest, the soil fertile, and a large number of springs of limpid water flow by the house, there Cistern and Bayou Cameron, which grow in abundance fish, game and wildfowl, and pleasant grandeur.

Situated at three miles distance from New Orleans, upon Metairie, whose population is continually and increasing. Orleans pleasure bank is equal, if not the former. The railroad passes in the rear, as well as the steamboat to Lake Ponchartrain, which is already marked out for running, and the energy of Mr Bernard Marigny.

These and other great and numerous advantages and enjoyments, such as fashionable, &c. will bring with them the economical and adventurous enterprise. The steamboat is now ready to be put on the railroad, and in the interior to all. The steamboat is well known to need no encomium, as it is well adapted to the purpose of pleasure and business.

These desirous of purchasing, would do well to apply by the departure of the steamboat on Sunday to Mandeville, to visit the said lots. Those persons who cannot leave New Orleans may apply to Messrs Fenn, deputy surveyor of the United States, or to Louis Surgey, surveyor to the third municipality, who have both surveyed and examined and lies in every respect.

VALUABLE PROPERTY at PASS CHRISTIAN

WILL BE SOLD

BY M. BARNETT, SEN'R.

ON Saturday the 23d inst. at the City Exchange, St Louis street, at 12 o'clock, that beautiful Tract of Land, situated on the Pass, and known as the Commerce—the property is extensively elevated, being 15 to 20 feet higher than the lake, and is beautified with a splendid grove of trees, such as Magnolia, Live Oak, Bay, Myrtle, &c. and is without exception one of the most beautiful summer residences within reach for a summer retreat—the building and outhouses are in healthy condition, and well adapted for a family, consisting of a front of 60 feet, with a lower facing, strong of pure and delicious water. The Steam Boat goes daily to and from Mobile, and the Lake is now offering every facility to the landing of passengers, and the Pass Christian has been lately, after long abandonment, made a place of resort. Added to these advantages, it may be well to inform the purchaser, that upon one acre and a half of the ground is a cistern of the capacity of 1,000 barrels, which is perfectly charted by the Steam and Water Company, by which the Hotel, Cottage, &c. are supplied with water, and which, in the opinion of the proprietors, will ensure a handsome profitable and agreeable revenue.

This property will be sold in lots of half an acre fronting the river, at the rate of 300 per acre—with the improvements thereon, of this House, as follows:

No 22. Has the same improvements as Nos 1 and 2.

No 31. Has a new immediate house 22 large and 10 feet front, and back gallery, and a fence in front, and beautiful trees in front. This property when carefully surveyed, is such a corner that every purchaser can be put in possession of his lot, a person residing on the premises for that purpose.

RUSHTON & ASPINALL'S

COMPOUND TONIC MIXTURE.

A merely and certain cure for the fever and ague, compound and intermittent fevers, prepared from the original recipe. Used with eminent and universal success since 1822, by persons of the highest respectability in this city, accompanied with the annexed certificates.

The medicine is highly recommended, and has been extensively used to the above diseases with such distinguished success, that the proprietor of the notice has been induced to offer it to the public in the present form, of the hope that it may be the means of relieving many of those who are suffering under the scourge of the country. It is a hydrate and possessing great virtues, when used according to the directions, has never failed of effecting a cure, even in the most obstinate cases of the disorder. It is not at all disagreeable, and some of the weakest stomachs, and children may partake of it with impunity. It strengthens the digestive organs, creates an appetite and seldom requires more than one, or at most two bottles to effect a cure. There is no more mercury nor arsenic in the medicine, nor any thing injurious to human constitution. The proprietors are so well satisfied of its efficacy, that they agree to refund the price of every bottle which shall be taken in accordance with the directions, and not effected a perfect cure of the fever and ague.
