TO THE PLANTERS OF LOUISIANA.—*Plantations of various colors on the Louisiana Map.*—The Planters of Louisiana are invited to furnish the Southern map maker with boundaries of their plantations so that he may be enabled to mark them on his *splendid sectional map of the State of Louisiana* which is now in the hands of the engraver and will be ready for delivery to subscribers about the 1st of January next. The name of the owner or some fancy name that he may have for his plantation will be printed on all that are large enough to admit of it, and those which are too small will have a number on it, thus the number together with the name will be placed in the margin of the map, the map will be 4 ft by 5 1-2 feet and finished in handsome style the plantations on a portion of the maps will appear in various colors which will have quite a picturesque appearance.
