SALE OF LOTS AT PENSACOLA.

THE Pensacola Land Company having divided a portion of its land into building lots, in anticipation of the increase of population of the city of Pensacola, will offer a portion of them for sale at public auction on Monday 16 of January next.

The Rail Road between Pensacola and Columbus, in Georgia, being now in progress will be completed under a contract, for the distance of 46 miles, by the 1st of December 1837. Other contracts will be entered into for the rapid extension of the road towards Columbus and Montgomery. On completion of fifty-two miles of the road, it is estimated, that at least 30,000 bales of cotton will be drawn from Montgomery, Conecuh, Butler, part of Montgomery, Pike, Covington, and Dale counties in Alabama. The completion of the whole line of Road to Columbus and Montgomery, will exhibit a rich and fertile country, producing at least 200,000 bales of cotton tributary to Pensacola, as its most convenient market place.

The surveys of the Road from Pensacola to Blakely, in Alabama, distance 50 miles, have been made and resulted most favorably as to the very great facilities which the intervening country afforded for Rail Road improvements. This road will be put under contract, and completed as soon as possible, by which a line of communication will be opened between Pensacola and the waters of the Alabama river.

The Pensacola Land Company and the Pensacola Association are composed of gentlemen residing at Philadelphia, New-York, and Pensacola, of respectability, intelligence and large capital, who are determined to make Pensacola what nature seems to have designed it to be, a great Commercial Mart, by connecting it with the rich regions of Alabama and Georgia.

The Rail roads now in progress and to be commenced, opening great lines of inter-communication cannot fail to prove most favorable to the interests of Pensacola, and to offer great inducements to persons of small means as well as large capitalists to make good investments.

The Pensacola Land Company have delayed offering any portion of their Lots for sale in Pensacola, until they were assured of the actual commencement and progress of the great works of improvements which alone make their property valuable. The increase in value will be consequent on the progress of the Rail Road improvements towards completion, and of the immense expansion of value which will be thereby given to the country connected with Pensacola.

The Pensacola Land Company will offer one-fourth part of their Lots in Pensacola, in December next, on the most liberal terms, pledging themselves that the sales shall be without reserve and bona fide. The sale to take place at Pensacola.

The terms will be:

One fifth cash
One fifth at one year
One fifth at two years
One fifth at three years
One fifth at four years

For notes drawn to the satisfaction of the undersigned and bearing mortgage until finally paid.

Pamphlets, together with Lithographic Maps of Pensacola and the surrounding country in Georgia and Alabama, can be had on application to the following gentlemen:
