OLDRIDGE'S BALM OF COLUMBIA.
Dandruff and Baldness.
THE article named above is a chemical combination of such ingredients as have proved themselves efficacious in assisting the natural growth of the human hair, and removing all obstacles to its perfect development. In commending this article to the particular notice of a discerning public, the proprietor is but recapitulating the oft expressed sentiments of some of his many hundreds, who have successfully tested its efficacy and wonderful qualities—this compound having acquired for itself a character for singular merit and value. It is used by ladies and gentlemen generally, to keep the Hair moist and beautiful, and the head free from Dandruff, which it does most perfectly, and thus prevents Baldness.

[illegible] ALL'S COMPOUND TONIC MIXTURE.
A speedy and certain cure for the fever and ague, remittent and intermittent fevers; prepared from the original recipe. Used with unabated success since 1832, by persons of the highest respectability in this city, as stated in the annexed certificates.
This medicine is highly recommended, and has been extensively used in the above diseases with such distinguished success, that the proprietor of the recipe has been induced to offer it to the public in its present form in the hope that it may be the means of relieving many of those who are suffering under the scourge of this country. It is a medicine possessing great virtue, and when used according to the directions has never failed of effecting a cure, even in the most obstinate stages of the disorder. It is not at all disagreeable, and persons of the weakest stomach, and children may take it with impunity. It strengthens the digestive organs, creates an appetite and seldom requires more than one, or in obstinate cases, two bottles to effect a cure. There is neither mercury nor arsenic in the medicine nor any thing injurious to the human constitution.— The proprietors are so well convinced of its efficacy, that they agree to refund the price of every bottle which has been taken in accordance with the directions and has not effected a perfect cure of the fever and ague.

New Orleans, Nov 14, 1837
ABOUT six months ago I had the misfortune to get a secret disease, for which I have applied to several doctors for a cure, and they did not cure me, so now on the above date I put myself under the care of Dr. Huet, and I expect him to cure me. Since that time the disease got worse, so as to break out in large ulcers, to the number of six or eight on each leg, and all over my face, and sore throat, and not able to work at the present time on account of the disease, large ulcer on the right side of the throat. I am now putting myself confidently under the care of Dr. Huet, of Paris, hoping to be perfectly cured.
