MEDICAL.

BULL'S SARSAPARILLA,

Is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

☞ Price $1 per bottle, or six bottles for $5.

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest curative agent in the known world!*

THIS MEDICINE,

WHEN USED ACCORDING TO DIRECTIONS

Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, thus Ohio,) speaks of Bull's Sarsaparilla:

It has no Equal!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood IT HAS NO EQUAL! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

☞ Bear with us reader, a little longer, and be [illegible] that BULL'S SARSAPARILLA is the WONDER OF THE WORLD! [illegible] will cure you no matter how long you [illegible]

[illegible] Druggist and Apothecary of several [illegible] says about BULL'S SARSAPARILLA:

[illegible] LOUISVILLE, May 31, 1848.

Mr. John [illegible] Sir: I have been for a number of years [illegible] with a Mercurial Head ache, and a dull [illegible] pain in my liver. I used almost all the remedies of the day, especially the Sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.

Very respectfully,

J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS,

Uniontown, Union Co., Ky. May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. Bull.—In regard to your Sarsaparilla I will say that I have used it to some extent in Cutaneous Affections of long standing, as Lichen, Impetigo, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.

Respectfully yours, W. T. PRENTISS, M. D.

Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy; it has only to be tried and proved to convince the public of its superior efficacy. [illegible]

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirit troubled and depressed, the health broken, to be shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. [illegible]

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. How often do we see persons not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, lotions, washes, paint, and enamelling materials to restore to them a [illegible] A word to the wise is sufficient, and a hint is enough for the Ladies.

BETTER TESTIMONY.

Than was ever offered Meirenoyguaf!
From Dr. James M. Moore:

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis and many other cutaneous and Glandular Affections, having used it with entire success in a number of the above cases. JAS. M. MOORE.

Louisville, Dec. 26, 1847.

More Testimony from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several cases of Scrofula, and with its effect [illegible] I can with confidence [illegible] it is one of the most [illegible] JAS. M. MOORE, M. D.

Winchester, Ky., February 1, 1848.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla:

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable.

L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 30, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.,

Resident Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are coming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.

G BOYER'S INSTITUTION.

MR. G BOYER, founder of this establishment, the oldest in New Orleans, avails himself of this opportunity to make a new appeal to the confidence of parents. The institution is conducted in a large mansion, occupying a fine central position, being well ventilated, and in other respects perfectly salubrious. The range of studies which engage the attention of the pupils, extends over all the branches of learning, which are necessary to a useful, polite and finished education, from primary instruction to the more abstruse subjects which are specially the province of a collegiate course. The elementary studies are attended to with more than ordinary care, considering the decisive influence which they exercise over the other branches of instruction—Discipline, which must not be separated from a serious study, not from a good education, is conducted with solicitude. It is calculated according to the age and character of the students, and intended to give them an accurate idea of duty and good behavior.

ORLEANS HIGH SCHOOL,

ERASTUS EVERETT, A.M., *Principal & Proprietor.*

THE various branches of knowledge are taught by Mr. EVERETT and three Assistant Professors, selected with a view to good character and skill and experience in teaching.

The system of education embraces the Grammar and Literature of the Greek, Latin, English, French and Spanish Languages, History, Geography, Rhetoric, Versification, Logic, Political Economy, Moral Philosophy, Book keeping, Arithmetic, Algebra, Geometry, Trigonometry, Natural Philosophy, & Chemistry.

No pains are spared in imparting a thorough knowledge of these branches, so that all students who resort to this Institution may be fitted to enter with advantage upon the duties of the more responsible avocations of life, or upon the study of the learned professions.

As the Modern Languages, particularly the English and the French, and the higher Mathematics receive very especial attention, the school offers very peculiar advantages to boys designed for mercantile pursuits.

ST. LOUIS' INSTITUTION.

DIRECTED BY MADAME DERON,

BOARDING AND DAY SCHOOL FOR YOUNG LADIES.

(Years 1850—'51.)

No. 145 St. Louis st. between Dauphin & Burgundy.

THIS Institution, founded nearly twelve years ago, continues every material, moral, and intellectual advantage. Madame Deron, formerly a pupil and governess in the Institut de la Legion d'Honneur, at St. Denis, has founded her establishment, as well as on the model of that great French institution, as well as on the plan of the first Northern Academies.

The situation of St. Louis' Institution is one of the most agreeable and healthy in town. The whole locality, including the dormitories, class and study rooms, and play rooms, are very spacious and airy and enclosed in extensive gardens, in a healthy and pleasant neighborhood [illegible]

The plan of instruction both in French and English embraces all the literary and scientific branches of a finished education.

The study of English is the object of particular attention. Madame Deron is scrupulously careful that the creole Young Ladies should devote more time to the study of the English language and literature than to any other branch. Mr. Orton, a professor well known in New Orleans, continues his course of lessons every day. Two English governesses residing in the establishment, preside over the elementary classes, and contribute to the progress of the pupils by the continual use of that language in all the relations of ordinary life.

With respect to the study of French, besides the lessons of able professors and governesses, M. and Madame Deron themselves instruct in the different branches, and are thus enabled by their personal efforts to insure the solidity and rapidity of the progress of their pupils.

The department of Music, including the piano, harp and singing, is under the direction of Madame Lavilebeuvre, an excellent music mistress, who formerly gave lessons in St. Louis' Institution, and who is now especially attached to the establishment. This young and talented lady, so justly classed at the head of the artistic celebrities of Louisiana, secures to the study of Music in Madame Deron's Academy a marked superiority. No mistress can better join example to precept, and this is often the secret of the scholars' advancement. A musical examination taking place every month is intended to prove the rapid and brilliant progress of Madame Lavilebeuvre's pupils.

Religious and moral instruction, which is the basis of every really good education, has received greater development than in any other Boarding School in the city. Madame Deron herself superintends the religious exercises of the Catholic pupils, and M. l'Abbe Thomas prepares them for their first communion, and for confirmation by giving religious instruction several times every week in the Chapel of St. Louis' Institution. o1

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation, every necessary convenience is combined for an institution of learning on a large scale.

The Professors are gentlemen of talents, chosen with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.

Dr. Ed. Martin's Vermifuge Syrup.

Without any disagreeable Taste or Smell.

THE Malia Anrolances, *(Folia Bipennati, Linneus' Class X Decand. Monogyn:—Jussieu, Class XIII, order II, Meliacex;—Tournefort, Class XXI, Arbres rosaces,)* one of the most beautiful ornaments of our forests, the root of which, for some time past has been used by a few persons, justly reputed the best vermifuge known, supplies us with the principal agent in the above named remedy.

Having sought with the greatest care in the bark of the root of this tree, the active principle which produces such excellent results in vermifuge, [illegible] we have succeeded in extracting it in its purest state and by combining it with other ingredients which are very well indigenous to Louisiana, have arrived at composing the above Vermifuge Syrup, the efficacity of which is now beyond the shadow of a doubt.

This Syrup, of an agreeable flavor, can be administered without the slightest apprehension to the most delicate children. Its use continued during three days, the doses being given at shorter intervals as the child may be older and stronger, will infallibly expulse all those intestinal worms which are the source of so many diseases, dangerous and often fatal to children.

Some mothers, rendered timorous by the frightful results of the various vermifuges hitherto employed, have given it to their children, but in doses extremely small; this has in these cases, rendered the effect incomplete and might have injured the standing of this remedy, had not several of our most experienced practitioners, by judiciously prescribing and regulating the doses, adapted to the different ages tested and established its excellent virtues.

To avoid debilitating the little patients by too severe a diet, we have modified the doses originally prescribed, in the following manner:

Children 2 to 5 years old three tea spoonfuls a day, at an interval of from 1 to 3 hours. Above five years old, three table spoonfuls at the same intervals. No nourishment to be given between the first and third dose, nor within an hour after the third.

The syrup must be administered during three consecutive days. Composed entirely of vegetable extracts, this Vermifuge does not produce any of the pernicious effects which have been attributed to the use of those authorised to [illegible]

Professor A. C. Barry's

TRICOPHEROUS, OR MEDICATED COMPOUND, FOR RESTORING, PRESERVING, AND BEAUTIFYING THE HAIR, eradicating scurf and dandruff, and curing diseases of the skin, glands and muscles, stings, cuts, bruises, sprains, &c., &c. It has been ascertained by experiment that Barry's Tricopherous has produced the same effect in curing diseases of the skin, &c., of the horse and all the animal kingdom. The following testimonials, selected from hundreds of similar import, will serve to show the value of the preparation, and the estimation in which it is held by those who have given it a trial:

NEW YORK, Sept. 22, 1850.

PROF. BARRY—Dear Sir—I have been afflicted with a cutaneous eruption of the scalp, of a most aggravated character, for the last sixteen years, and during that period have had the advice of some of the most eminent physicians, and have tried all the preparations for the hair and skin now known, without the least benefit. I was advised by a friend to try your Tricopherous. I did so, as a last resort, and to my surprise and gratification, found myself cured in about two months. Such was the violence of the disorder that at times I was partially blind.

Respectfully yours,

G. V. M. RAPELYE,

140 Columbia street, Brooklyn.

NEW YORK, Oct. 23, 1850.

PROF. BARRY—My Dear Sir—About two years ago my hair came out a great deal, and my head was much affected with dandruff. I was told by a friend to try your Tricopherous and I did so, and to my astonishment my hair was firmly rooted; and all the dandruff disappeared, as the head now shows for itself. With respect, I am your ob't servt.

J. S. TREDWELL, 643 Broadway.

If any lady or gentleman doubts the authenticity of the above, they will please call at Professor A. C. Barry's Office, No. 137 Broadway, New York, where he will produce the original letters.

(From the Military and Naval Argus, Nov. 9, 1850.)

There is no remedy for the permanent cure of baldness and diseases of the cranium generally, that has reached the popularity enjoyed by the article known as Professor Barry's Tricopherous, or Medicated Compound. It is extensively used by the upper classes of the community; in almost every nursery in the land it is used in preference to other articles of the kind. It imparts vigor to the roots of the hair, and thus promotes its growth to a remarkable degree. It destroys the dandruff and scurf, and yields the hair fine and glossy. It will cure all diseases of the scalp, such as scald head, dew worm, and other obnoxious disorders of the skin; in cheapness as well as efficacy, it stands unrivalled. It is sold in large bottles, price 25 cents at No. 137, Broadway, and at the Druggists generally throughout the United States and Canadas. je12 3m
