HOWARD'S HOTEL, (Broadway, corner of Maiden Lane, New York.)—This Hotel is one of the most commodious in the Union, having a front upon Broadway of over 100 feet, and upon Maiden Lane of 200 feet, with two large wings extending in the rear 150 feet. It is six stories exclusive of basement, and under cellars, and containing over 400 bed chambers, all of which are well lighted and ventilated with grates, besides numerous private parlors with sleeping rooms attached, and public parlors, dining, reading and other rooms. There are two elegant dining saloons on the floors of which, as well as the sections halls in the first and second stories, together with the reading and other public rooms, are fitted with Italian marble, and ornamented with extensive and pleasant room fronting upon Broadway, fitted up for a ladies' ordinary, and the ladies are provided with rooms, parlors, bath rooms, and a private entrance to the Hotel from Maiden lane.

The subscriber having for nine years past received a liberal patronage from merchants and principally from gentlemen of the south, at his former Hotel in Broad street, is satisfied from experience that early meals to many are more acceptable; therefore, he has had his house so constructed that he will be able to serve meals at such an early hour. The hours adopted for meals are as follows, viz:—In gentlemen's dining room upon 1st floor, Breakfast at 7, half past 7 and 8 with reference to the season of the year. Dinner in name at 2 o'clock. In gentlemen's dining room, upon 2d story, and also in Ladies' dining Room, Breakfast from 8 to 10 o'clock, and dinner at half past 3 o'clock. The bill of fare are daily got up for the different dining rooms, as it is optional with Gentlemen to take their meals in either of the Gentlemen's dining rooms, without giving any notice of their choice, the subscriber hopes the extra trouble and expense in the attempt to suit their convenience in this respect will be properly appreciated by a generous public, and that a commensurate patronage will result therefrom.

This house possesses every convenience that the subscriber could devise, and is universally pronounced by visitors to be the most complete in its internal arrangements—its construction for light and air being superior to any other house in the city.

In addition to the many advantages and comforts over most Hotels, it has a living spring of pure soft water upon the premises, which, apart from its intrinsic worth as a wholesome beverage, are unusual to be found in the lower part of the city, adds very much to the safety of the establishment in case of fire on or near the premises; a powerful force pump being placed to the well to force water thereform, as well as from the several cisterns in the yard, to the reservoirs under the roof, from which, by use of the hose, water can be forced over any part of the premises in an instant.

In short this establishment has been got up without reference to cost, and it is the intention of the subscriber to have it stand among the very best Hotels in the country—He hopes to be favored with a share of public patronage.
D. D. HOWARD.
j8-6t

GLOBE HOTEL—The subscriber has recently added to his establishment the house 64 Broadway, which he has fitted up and furnished appropriately, more particularly with reference to the accommodation of families and those desirous of having parlors attached to their sleeping rooms. A private entrance to No 64 is on Broadway, also a hall communicating therefrom.

The house will be continued on the European plan, which has given so much satisfaction to all. The bathing apartments in the lower part of the house are in readiness for use from 7 o'clock, A M. till 1½ P M.

The proprietor takes this opportunity of returning his most grateful acknowledgements to those who have so handsomely patronized him, from the first moment he was identified with the Globe, and pledges himself to endeavor by the most unremitting attention, to merit a continuance of their kindness.
F BLANCHARD.
