NO. 259 BOURBON STREET
Between St Philip and Maine.

E. BLANCHARD—Ex Dentist to their Majesties the King and Queen of France, the Princes and Princesses, Surgeon-Dentist to the faculty of Medicine of Paris, and of New Orleans,

Fixes natural teeth, without the least pain, in imitation perfectly natural, from one tooth to a complete set.

ODONTALGIC EXTRACT
B. F. SMITH,
No. 110 St. Charles street,

CONTINUES to relieve the most violent TOOTHACHE in a few moments, and at the same time entirely destroy the nerve in less than 24 hours POSITIVELY without pain. The public should be aware, however, that this remedy is not offered as a UNIVERSAL PANACEA, it being only successful when the pain proceeds from an exposure of the internal membrane or nerve

For the truth of the above statement, the sceptical are referred to the following highly respectable gentlemen, most of whom can speak from their own experience.

Rev. W. A. Scott,	Dr. W. H. Teagarden
J. W. Stanton,	L. E. Generelly,
C. P. Young,	G. W. Tobin,
E. Mott n Quirk,	W. H. Wheaton,
H. Williams,	W. G. Latham,
E. S. Orsborne,	D. Flannery,
H. Page,	L. Morehead,

W. Sigerson

By first destroying the nerve with this remedy, the excruciating pain frequently caused by inserting pivot teeth upon the old method, is entirely avoided.

All other operations carefully performed. m3
