Holloway's Pills, the most popular Medicine for the cure of Indigestion, Stomach and Liver Complaints.—Captain Smith, residing at Poplar, who had spent the greater part of his life at sea, and a considerable portion of that time in warm climates, suffered dreadfully from a liver complaint and bad digestion, and it became to such an extent, that he thought it was impossible for him to recover. He followed the advice of many medical men both at home and abroad, but without benefit. He then commenced with Holloway's Pills, and soon experienced so much relief, that he persevered in taking them for a few weeks, when he found his health perfectly restored.

MEDICAL.

AYER'S CHERRY PECTORAL,

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO CURE A COLD WITH HEADACHE AND SORENESS OF THE BODY, take the CHERRY PECTORAL on going to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon, and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find, by taking the CHERRY PECTORAL on going to bed, they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy.

From its agreeable effect in these cases many find themselves unwilling to forego its use when the necessity for it has ceased.

From two eminent Physicians in FAYETTEVILLE, Tenn., April 16th, 1851.

SIR:—We have given your CHERRY PECTORAL an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs. DRS. DIEMER & HAMPTON.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice.

ASTHMA is generally much relieved, and often wholly cured by CHERRY PECTORAL. But there are some cases so obstinate as to yield entirely to no medicine. CHERRY PECTORAL will cure them, if they can be cured.

BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking CHERRY PECTORAL in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Doct. LANSING of Brooklyn, New York, states: "I have seen the CHERRY PECTORAL cure such cases of Asthma and Bronchitis as leads me to believe it can rarely fail to cure those diseases."

FOR CROUP. Give an emetic of antimony, to be followed by large and frequent doses of the CHERRY PECTORAL, until it subdues the disease. If taken in season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured, by the use of CHERRY PECTORAL.

The INFLUENZA is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from any serious consequences, while their neighbors, without the CHERRY PECTORAL, were suffering from the disease.

SALEM, Ohio, 11th June, 1851.

Doctor J. C. Ayer:—I write to inform you of the truly remarkable effects of your CHERRY PECTORAL in this place, and in my own family. One of my daughters was completely cured in three days of a dreadful WHOOPING COUGH, by taking it. Dr. Means, one of our very best physicians, freely states that he considers it the best remedy we have for pulmonary diseases, and that he has cured more cases of CROUP with it than any other medicine he ever administered.

Our clergyman of the Baptist Church says, that during the run of INFLUENZA here this season, he has seen cures from your medicine, he could scarcely have believed without seeing.

Yours respectfully, J. D. SINCLAIR, Deputy Postmaster.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

I have found the CHERRY PECTORAL, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases. PARKER CLEVELAND, M. D. Brunswick, Maine, Feb. 5, 1847.

DR. VALENTINE MOTT,

The widely celebrated Professor of Surgery in the Medical College, New York City, says:

"It gives me pleasure to certify the value and efficacy of AYER'S CHERRY PECTORAL, which I consider peculiarly adapted to cure diseases of the Throat and Lungs."

Cures of severe diseases upon the Lungs have been effected by Cherry Pectoral in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the Coughs, Colds and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.

STABLER'S ANODYNE CHERRY EXPECTORANT

IS confidently recommended to Invalids, as unsurpassed by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds, BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in Advanced Stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its soothing and tonic qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

STABLER'S DIARRHOEA CORDIAL

Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in Curing DIARRHOEA, and similar affections of the system. In its action, it allays Nausea and produces a healthy condition of the LIVER, thus removing the cause at the same time that it cures the disease.

The valuable Medicines above named have recently been introduced, with the approval of a number of the Medical Profession in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed.—They are offered to the Country Practitioner, as medicines which he can in all respects depend upon, as prepared in conformity with the rules of Pharmacy, and with the approval of numerous physicians of his profession.

[illegible]

Said Dr. B. Martin says, "I do not hesitate to recommend your Diarrhoea Cordial and Anodyne Cherry Expectorant," &c.

Doct. John Addison says, "It gives me much pleasure to add my testimony to that of others, in favor of the extraordinary efficacy of your Diarrhoea Cordial," &c.

Doct. R. A. Payne says he has used the Diarrhoea Cordial in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession."

Doct. L. D. Handy writes, "I have administered your Anodyne Expectorant, in several cases of Bronchial affection, with the most happy results," &c.

Doct. W. S. Love writes to us that he has administered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long continued illness.

SIXTEEN of the best Apothecaries and Pharmaceutists in the city of Baltimore say, "We are satisfied the preparations known as Stabler's Anodyne Cherry Expectorant and Stabler's Diarrhoea Cordial are medicines of great value and very efficient for the relief and cure of the diseases for which they are recommended."

TWENTY-SEVEN of the most respectable Merchants residents of Maryland, Virginia and North Carolina, who have sold and also used these medicines themselves, say, "From our own experience and that of our customers, we do confidently recommend them Pro Bono Publico. We have never known any remedies used for the diseases for which they are prescribed, to be so efficient and to give such entire satisfaction to all."

The above notices of recommendation from members of the Medical Faculty, Pharmaceutists of high standing, and Merchants of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much imposed upon the public.

For sale by Druggists, Apothecaries and Country Store-keepers generally.

COLLEGE.

St. Ann Street, facing the Place d'Arms, Old "Congo" Square, under the direction of MR. JEGOU,

Master of Arts and Mathematical Sciences.

Encouraged by the kindness and patronage of several families of this city, I have determined to open a College, being desirous to procure for their children the same advantages as those offered by Colleges in New Orleans, where a thorough education is received. For the purpose of obtaining the object for which this College is founded, I have secured the co-operation of the most skillful Professors, and will complete the course of instruction, in English and other branches; these two languages being indispensable. A good education should comprise the training of the heart as well as that of the mind; the Professors will, therefore, have a proper regard for both their teachings, and each will be the constant object of their care.

Religion, the most essential part of education, will receive from them and myself special attention.

The College, fronting the Public Square, (old "Congo" Square) possesses all the advantages of a healthy location, and parents are solicited to visit and examine it.

With a view to further the emulation of the students, the first day of each month will be devoted to a Literary Soiree, at which recitations in the several languages will take place, and the distribution of the several prizes earned during the month, will be made to the students.

In order to admit as much as possible, children of the same age, a Primary School is attached to the College, in a separate portion of the establishment.

PRIMARY SCHOOL—BRANCHES OF INSTRUCTION.—Reading, Writing, Arithmetic, English, French, Geography, and History of the United States.

Price of Tuition—Four Dollars.

COLLEGE—BRANCHES OF INSTRUCTION.—Writing, Book-keeping, English, French, Greek, Latin, History, Geography, Physical and Natural Sciences and Mathematics. Such other accomplishments as Music, Fencing, and Dancing will be charged separately.

Price of Tuition—Five, Six, Seven, and Eight Dollars.

HOURS OF TUITION—From 8 o'clock in the morning to 3 in the afternoon.

EVENING CLASS—This class will be open from 7 to 9 o'clock. Young men will there be taught English, French, Writing, Arithmetic and Book-keeping, by the best masters.

Price—Four Dollars. mh19

St. Louis Institute.

MADAM DERON has the honor to announce to families, that she has opened a branch of her Academy at Mandeville during the summer season.—The Directress, wishing to afford parents an opportunity of sending their children into the country, without interrupting the course of their studies, has selected the most pleasant retreat and nearest the city. The facilities of communication between Mandeville and New Orleans, enables moreover Madam Deron to superintend this branch of her Institution without neglecting in any way, her establishment in the city, which, being the principal, continues to remain under her immediate supervision.

Miss F. Deron, assisted by a fully competent American lady, will fill the place of Madam Deron at Mandeville. Those two ladies will superintend the studies, which will be precisely the same as in the city, for the French and English languages and Music.

The house is large and spacious, and offers all the comfort that can be employed on the Lake shore. my21-1m.

GOURAULT'S ACADEMY, No. 184 Toulouse Street.

THE principal of this Establishment and his wife, not enjoying good health, and having obtained the object of a moderate ambition, intend to retire.—They avail themselves of the present opportunity to express their gratitude to the parents of their pupils, and to the public for the encouragement that they have deservedly received.

Mr. and Mrs. GOURAULT highly recommend to families, Mr. and Mr. BOURSIER, who will take the direction of the Establishment. They have secured the services of the accomplished Professors attached to the Institution.

From the 1st of September, Mr. and Mrs. BOURSIER will act as assistants to Mr. and Mrs. GOURAULT, in order to make themselves known and appreciated, and on the 1st of October, the establishment will be under their immediate control.

Families are invited to visit the Establishment which will be comp[letely] required. a1 tf

ORLEANS HIGH SCHOOL, NO. 58 AND 59 ESPLANADE STREET. Erastus Everett, A. M., *Principal and Proprietor.*

THIS Institution, for the education of young gentlemen, was opened in April, 1843, by Mr. EVERETT in company with other Professors, and soon secured for itself a place among the best Seminaries in the South.

The buildings and play-grounds have been carefully adapted to all the necessities of a Day School.

The various branches of knowledge are taught by Mr. Everett and a corps of Assistant Professors, selected with a view to good character, sound learning and experience in teaching.

The English classes are taught by Mr. EVERETT solely, and he will give, as heretofore, all diligence in imparting to the Students of the School an accurate knowledge of the language of the Nation. To the higher classes is given, in connection with Rhetoric, a course of English and French Literature.

The course of study embraces the Grammar and Literature of the Greek, Latin, English, French and Spanish Languages, History, Geography, Rhetoric, Versification, Logic, Political Economy, Moral Philosophy, Book-keeping, Arithmetic, Algebra, Geometry, Trigonometry, Natural Philosophy, and Chemistry.

As the Modern Languages, (particularly the English and the French) and the higher mathematics receive very special attention, the School offers singular advantages to boys designed for mercantile pursuits.

Parents are invited to visit the Institution where they may obtain Prospectuses. m26

Every Merchant

IN the city or country, has Books or Papers, or both, the loss of which would prove highly disastrous, and in many cases ruinous. The same may be said of a large majority of Retailers, Planters, Master mechanics, etc. Such a calamity may be avoided at a small outlay, as can be proved by the most conclusive testimony, emanating from merchants and others of the highest standing in this city and elsewhere, who have saved, respectively, from one hundred to eight hundred times the amount of their investment, by purchasing Rich & Co's Salamander Safe.

The subscriber is the sole agent here for the sale of this article, and the only holder in New Orleans of genuine Salamander Safes, made under Rich's or Wilder's Patents. Those who are using Knob or Asbestos, or other kinds of chests, formerly supposed of being "Safes" but now proven to be invariably valueless, as well as those who have neither safe nor chest—both being equally in danger of losing their valuable books and papers—are invited to examine the above named and those he offers to be furnished in a convenient form to those who will apply, or send their address to an 29-1ec ISAAC BRIDGE, 23 Magazine st
