AGENCY FOR THE AMERICAN SOLID-HEADED PINS

THE subscribers are agents for the above pins. These pins are far superior to ordinary imported pins—the points are fine as the points of needles, and the head being solid—that is, of one piece with the shank—can never slip or come off; the wire of which they are made is also very stiff and elastic. They received the highest premium—a gold medal—at the fair of the American Institute of the city of New York, in October, 1842. Dealers can be supplied with the above pins at the manufacturers prices.

ST. LOUIS EXCHANGE.

BATHS! BATHS!! BATHS!!!—The subscriber the new Superintendant of the Bathing establishment of this Exchange, and which are so favorably known, begs leave to inform his friends and the numerous persons who have hitherto visited it, that judicious and extensive improvements have been made, and nothing left undone to put it on a footing with the first Bathing establishments in Europe. The handsome bathing tubs of copper have been newly repaired—all the rooms, and the waiting saloon have been furnished with all the necessary articles that form a fashionable toilet.

The asphaltum formerly serving as a floor has been covered with wooden gratings, which prevents any water that may be spilt from remaining on the floor. The bathing linen, by its fineness and whiteness, forms a part of the luxuries requisite to a good bath. The waiters are obliging, prompt and polite. The proximity of the Bar of the Exchange, insures bathers a prompt fulfilment of any order for refreshments they may desire, of the best quality.

The price of bathing, which formerly was 50 cents, is reduced to 40 cents. ALVAREZ.
