PROCLAMATION.

To the citizens of the state of Louisiana and every other state and territory throughout this great and glorious republic—Greeting:

New Orleans, No. 96 Customhouse st.

WHEREAS—Almighty God has not withdrawn of from us the protection and beneficence extended to our forefathers, but has shown his remembrance of us by the introduction of many and invaluable blessings in the arts and science, and whereas it is the bounden duty of every true philanthropist and master spirit of the age to promulgate and make known to the benefited denizens of this nether world, the ordinances, for the increase of our happiness, our comfort and our health, which after being recorded with the pen of lightning, are diffused and scattered by the dispensers of all good over this habitable globe and vale of tears, now, therefore, actuated by feelings of ardent gratitude to the Great "I AM," and deeply imbued with a good will and love to all mankind, we do, from the great dispensatory of health, No. 96 Customhouse street, proclaim the *Concentrated Compound Syrup of Sarsaparilla, and Sarsaparilla Pills*, as one of the most valuable and efficacious remedial blessings, for the scrofula, incipient cancers, cancerous diseases, elongated throats, schirrus, fistula, scurvy, ringworm, cutaneous eruptions, tetter, diseases, and in fine for almost all the diseases that flesh is heir to, with which poor humanity has heretofore been blessed for many years past. For should it be from our desire to confine such a rich and glorious blessing to any one section of this wide republic, but rather that it should be overflowing with that universal and boundless philanthropy, which is one of the most beautiful emanations from the Deity, and deeply impressed with the sublimity of Our Saviour's sermon on the mount, when he exclaimed "Go ye forth and preach the gospel unto every creature." Go ye forth and preach unto all the nations of the earth, and lo! I am with you, even unto the end of the world."

Mr. Dewitt will call at the houses of those who may not wish to attend his chamber.

DRAWING SCHOOL.—Mr. D. CANOVA informs his friends and the public in general, that he will open a Drawing School on the 10th instant, at No 87 Royal street, between Conti and Bienville. His long experience, his thorough Italian method, and the fortunate results of his instruction during a residence of three years at Jefferson College, induce him to hope that all those desirous of acquiring this useful and ornamental branch of education, will not hesitate in giving him their confidence.
