MEDICAL.

DR. HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
Prepared by
Dr. C. M. JACKSON, Philad'a, Pa.,
WILL EFFECTUALLY CURE
LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Costiveness, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dot of weak before the Sight Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence of its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a few years' trial before the American people, and its reputation and sale is unrivalled by any similar preparation extant. The testimony in its favor, given by the most prominent and well known Physicians and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had grats of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Principal office and manufactory No. 96 ARCH Street, Philadelphia, Pa.

Testimony from Louisiana.

THE GERMAN BITTERS SUPERIOR TO ALL PREPARATIONS NOW IN USE.

JACKSON, LA., August 15, 1854.

DEAR SIR.—I feel bound to express my gratitude to you for the incalculable benefit I have derived from the use of two bottles of your German Bitters. I have found them to be all you recommend them to be, and cheerfully recommend them to the public as a safe and sure remedy for the disease they are intended for, and superior to all other preparations now in use." Very respectfully yours,

H. OFFENHAUSER.

THE BITTERS ALL THEY ARE REPRESENTED TO BE.

JACKSON, LA., August 20, 1854.

DEAR SIR.—"I have used your German Bitters and find them all they are represented to be, and cheerfully recommend them to the public as an excellent medicine." Respectfully yours,

W. F. FAULKNER.

I. MAYER says:

HARRISONBURG, LA., May 23, 1853.

"Your German Bitters are very valuable medicine. I have disposed of all I received from you, and wish a new supply immediately."

DR. RAYBOLD QUAIL says:

TALLEY LA., June 30, 1853.

"I have for the last year used the German Bitters, prepared by you, in my practice extensively. It will shortly be the only medicine of the kind that can be readily sold here, and I believe that in less than one year there will be more sold in this vicinity than in any other part of the country."

DR. RABE says:

FRANKLIN, LA., June 24, 1852.

"Your German Bitters have become very popular here, and I wish a fresh supply immediately."

A. E. ADAMS & CO. say:

ROCHEMORE, LA., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them.

You should bear in mind that these Bitters are purely VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

Sold by Druggists and Store-keepers in every town and village in the United States and Canadas, and by

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma and Consumption.

THIS remedy has won for itself such notoriety for the cure of every variety of Pulmonary disease, that it is entirely unnecessary to recount the evidence of its virtues in any community where it has been employed. No wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and wherever its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are prevalent in our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of Colds, Coughs, Hoarseness, &c., and for children, it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is alone in the

MME ALLUARD'S
FRENCH COMMAMBULIST,
No. 221 Bourbon street.

Cure of all kinds of Diseases, and especially Nervous Diseases.

THE New Orleans press have frequently noticed the wonderful cures of Mme Alluard. The Courier, Crescent, Delta, True Delta, National and Bee published, in 1854 and 1855, letters from distinguished citizens, stating her unexpected success. The same papers have also spoken in high terms of surprising exhibitions of magnetic vision, in spite of the perfect extinction of light by blindfolding. See the Courier of December 17th, 1853, the Bee of November 27th, 1854, and the Crescent of May 29th, 1855.

The public can judge for themselves of those expectaments. No one will be deceived. Here is a guarantee for patients whose cases have been despaired of by the Faculty.

Stove Cottons, [illegible]

From the 1st of September to the 31st of October.

A PASSENGER TRAIN leaves New Orleans daily, at half-past 4 o'clock, P. M., and returns from Mandeville (Lake Pontchartrain) daily, at 8 o'clock, A. M.

On and after the 1st of September, a PASSENGER TRAIN leaves New Orleans every morning at 8 o'clock, and returns New Orleans at 11 o'clock, A. M.

In addition to the Passenger Train, an EXTRA TRAIN leaves New Orleans every SUNDAY, at 7 o'clock, A. M., for Magnolia and intermediate stations, and returning, reaches New Orleans at 7 o'clock, P. M., the same day.

Fare, three cents per mile, each way; Children under five years of age, free. Children between five and twelve years of age, and colored persons, half-price. Excursion tickets, (good on any train between Saturday afternoon and Monday morning, inclusive,) at half the usual fare.

SEASON TICKETS may be obtained at the office of the Company, No. 45 CARONDELET STREET, for the Family Tickets, (three or more, in number, at twenty-five, at a reduced price.

Colored persons are not permitted to travel in the trains without a written pass, signed by authority, giving them to do so, and naming the stations to and from which they may go. As the pass will be retained by the Conductor, it will be good for a trip to and from one city, thus making a trip both ways will have to be provided with one.

A FREIGHT TRAIN leaves New Orleans for Magnolia and intermediate stations, at five o'clock, A. M., every Tuesday, Thursday and Saturday, and returns Magnolia for New Orleans and intermediate stations every Monday, Wednesday and Friday morning, at the same hour.

The train stops on Fridays and Saturdays at Fog Stations, (between regular stations,) to receive and deliver freight, subject to any other day.

No freight will be received at the New Orleans depot after five o'clock, P. M.

R. P. GUYARD,
Supt. of Transportation.

A line of four-horse mail stages will run from Magnolia to Jackson, and from Jackson to Magnolia every day, connecting with the passenger train.

No. 221 Bourbon street.

Cure of all kinds of Diseases, and especially Nervous Diseases.

THE New Orleans press have frequently noticed the wonderful cures of Mme Alluard. The Courier, Crescent, Delta, True Delta, National and Bee published, in 1854 and 1855, letters from distinguished citizens, stating her unexpected success. The same papers have also spoken in high terms of surprising exhibitions of magnetic vision, in spite of the perfect extinction of light by blindfolding. See the Courier of December 17th, 1853, the Bee of November 27th, 1854, and the Crescent of May 29th, 1855.

The public can judge for themselves of those expectaments. No one will be deceived. Here is a guarantee for patients whose cases have been despaired of by the Faculty.

N. B.—Mme A. calls at the residence of patients, in any part of the State. sep9 tf
