BRASS MUSICAL INSTRUMENTS.

New Mechanism, or the Beaubeuf Plan, by which the course of the Cylinder, is reduced to one-half of the usual course of this species of Instruments.

SYSTEM OF CYLINDERS,

REVOLVING ON THEIR AXIS.

THIS NEW INVENTION enables any one to acquire, an easy execution, which the former cylinder could not effect. Independent of its reduced course by which the greatest difficulties may be fearlessly encountered, it secures to the performer a regular and progressive style, without interruption, without any forced pauses.

Manufacturer of PERFUMES and SOAPS FOR THE TOILETTE, renowned for the good qualities of his Perfumes for the pocket handkerchief and waters for the toilette. Till the present time the perfumery trade has been brought into disrepute by the bad productions which have been sent to all parts of the continent and the colonies. We particularly recommend the articles manufactured by ED. PINAUD as being superior to all others, by the care which is taken in their manufacture, and a certain distinguished character which he has given to all the productions which bear his mark and signature. 2taw—3m

MEDICAL.

SANDS' SARSAPARILLA.
IN QUART BOTTLES.

For Purifying the Blood, and for the *Cure of Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaints, Loss of Appetite, General Debility, &c.*

In this preparation are strongly concentrated all the Medicinal properties of Sarsaparilla, combined with the most effectual aids, the most salutary productions, the most potent simples of the vegetable kingdom; and the combination is such that one modifies and improves the other, producing a compound differing entirely in its character and properties from any other preparation, and unrivaled in its operation on the system when laboring under disease. The many well authenticated cures of Scrofula of the most malignant character, have given it a wide and deserved celebrity. But it is not alone in Scrofula nor in the class of diseases to which it belongs, that this preparation has been found beneficial. It is a specific in many diseases of the skin, and may be administered with favorable results in all; and it has been so fully tested, not only by patients themselves, but also by Physicians, that it has received their unqualified recommendations and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla.

READ THE FOLLOWING TESTIMONY.
CAMBRIDGE Md., Oct. 5th, 1850.

MESSRS. SANDS,
Gentlemen—My little daughter was afflicted for a long time with Sore Head and Eyes, and by using your Sarsaparilla, was perfectly cured, other medicines and Sarsaparillas having failed to relieve her. Having used it and tested its efficacy, I now confidently recommend it in preference to any other, as it seems to possess properties not contained in any other preparation; and I find that purchasers after they have used it invariably want the same article again, whenever they require a medicine for which this is recommended.
Respectfully yours, J. FLINT, M.D.

Red River Raft.

THE person to whom the contract was awarded under former advertisements for proposals having failed to give the bond with sureties as required, proposals for the work are again invited as follows:

Proposals will be received until the 20th day of next September for the removal of obstructions to the navigation of Red River (Louisiana) occasioned by the raft, and for keeping the said navigation free from the same for the longest period.

The amount of these proposals united is not to exceed the sum of \$100,000.

Each bidder will propose to remove said raft, (thoroughly,) and to keep the navigation free from obstruction thereby for a specified period; specifying in his bid the time in which he proposes to complete the removal of the raft, the said time not to be later than the 1st day of June, 1855, and also the number of years, counting from said removal, during which time he binds himself to keep the said navigation free from raft obstruction. The contractor will be required to give his bond for \$30,000, with two good sureties, each for the sum of \$15,000 conditioned for the faithful execution of the contract. Each bidder will transmit, at the same time with his proposals, the names of the persons whom he offers as sureties, and a declaration signed by them that they will sign his bond as sureties as above mentioned; and also the certificate of a district judge of the United States for the State in which he resides, that said securities are respectable citizens, and that he considers them worth \$10,000 over and above all their debts and liabilities. No bid will be examined unless these conditions shall be complied with.

TERMS OF PAYMENT.

Of the sum of \$100,000 appropriated for the above object, \$50,000 shall be paid as the work of removing the raft advances, as follows—to wit: Whenever the contractor shall report that a portion of the raft has been removed, the same shall be inspected by an officer appointed by the War Department, and if it shall appear that such is the fact, the Department shall pay such a proportion of the said sum of \$50,000 as the portion removed shall bear to the entire raft, provided no partial payment shall be made for less than one-tenth part of the whole work. The remaining \$50,000 will be paid in equal annual instalments corresponding in number with the number of years during which the contractor shall bind himself to keep the navigation open, of which fact the Department is to be the sole judge.

Each bid must be for the whole work—that is, for the removal of the raft, and for keeping the river open for a specified period. No separate proposals for portions of it will be considered.

The proposals will be addressed to the undersigned, marked on the envelope, "Proposals for removing Red River Raft."

The War Department reserves to itself the right of awarding the contract according to its own judgment of the most favorable bid and the most responsible bidder.

MRS. JOURDAN begs leave to inform the public, that she always keeps in her establishment, No. 134 St. Ann street, corner of Dauphin, a POMATUM which BLACKENS THE HAIR, and causes it to grow rapidly.

The number of persons who have had the opportunity of ascertaining the excellence of Mrs. Jourdan's Pomatum, by constantly using it, is the best recommendation to the public. There is no mineral substance in the composition of this Pomatum, but vegetable plants only. mh12 ly

Mrs. Jourdan is the sole manufacturer of the above Pomatum.

B. ANTOGNINI,
Manufacturer of Billiard Tables and U. S. Patent India Rubber Cushions,
No. 14 Conti Street, between Chartres and Levee Streets.

B. ANTOGNINI informs the amateurs and gentlemen ... billiard players generally, that after diligent researches and numerous trials, he has just obtained an extraordinary success in the manufacture of billiard cushions. These cushions are made of India rubber; they are entirely different from those made of Caoutchouc and superior to all cushions hitherto used both on account of their duration and the precision of the ball. Mr. Antognini will deliver to whoever buys a billiard table in his establishment, a certificate warranting, for the time fixed by the purchaser, the duration of the table and cushions. Mr. Antognini avails himself of this opportunity to inform persons who, since 1849, have bought from him tables with French caoutchouc cushions, that he is ready to replace them, without charge, by India rubber cushions.

He has on hand a large assortment of new billiard tables made of solid mahogany, and second hand tables. There can also be found in his establishment, all articles pertaining to the game of billiards, complete sets of Lotto and Ten Pin Alley balls and pins.

Persons who cannot visit New Orleans and wish to purchase some of the above named articles, are requested to forward their orders to B. Antognini, who will attend to them promptly and to the satisfaction of the purchaser.

N.B. Persons who wish to judge of the excellence of the above mentioned cushions, can call at the Verandah Billiard Saloon, No. 15 Common street, New Orleans. The prices are moderate.
