**REMOVAL.**  
**SULPHUROUS BATHS.**

**DOCTOR RENO**, has the honor  
of informing his colleagues, and the  
inhabitants of New-Orleans and of Louisi-  
ana, that he has removed his establishment  
of Sulphurous Baths from E. Ann Street,  
No. 122 to Barraks Street No. 156, at the  
corner of Burgundy in the house lately oc-  
cupied by Dr. Fontenot.  
It is generally known, how much benefit  
is obtained by sulphurous bath in cutane-  
ous diseases, rheumatic complaints, palseis  
and other serious complaints, it is need-  
less to quote here the numerous instances of  
immediate cure and relief afforded by the  
application of that remedy.  
Mr. Renou has availed himself of his re-  
moval, in constructing a new apparatus  
and making his establishment free from  
any kind of reproach that could have been  
made to the former one.  
The room for the reception of white  
people is totally separate from the one fix-  
ed for negroes.  
His new lodgings afford him the means  
of receiving certain number of sick per-  
sons wishing to board at his house.  
He has provided a spacious hospital, and  
his house being situated in a retired part  
of the town less crowded with houses than  
others, makes the situation perfectly  
wholesome.

For treatment of negroes per day, 1 ..  
Doctor Renou will however take with  
the persons who will apply to him all pos-  
sible arrangements.

During the last year of his practice in  
Paris, Doctor Renou has been intimate  
with the celebrated Dr. Ducamp inventor  
of the most efficient method of curing is-  
churges (retention of urine,) and he had es-  
pecially addicted himself to the treatment  
of that disease; he has now in his posses-  
sion a complete collection of all the instru-  
ments necessary thereto. He may ensure  
to those persons affected with the above  
complaint, who will apply to him, a prompt  
and safe cure from his method of treat-  
ment.
