WILLIAM W. THOMPSON'S PATENT IMPROVED *LEADEN PIPES.*
THE manufacturer, residing in St. Louis, Missouri, invites the attention to the excellence of his leaden pipes made by a new and patent process, (to which he has the exclusive right in the entire district of country west and south-west of the Allegheny Mountains) of a better quality than can be produced by any other known method.
The patent pipes is remarkable for its uniformity of thickness, the accuracy of the bore, the perfect polish of the interior surfaces, the absence of scales and flaws, the very long length without joint, for its unusual strength.—These advantages will be evident to any body upon examination.
Besides his usual sizes from one-eighth to five inch in bore, he manufactures also, for the use of farmers and others, very light leaden pipes for conducting water from spring at long distances under slight pressure or head of water, and for other purposes.

RED SULPHUR SPRING, MONROE COUNTY, VIRGINIA—FOR SALE.
BY virtue of five deeds of trust made to John H. Vawter and Conway Robinson, as trustees, to wit:—The first bearing date the 24th of September, 1834; the second, the 1st of November, 1835; the third, the 29th of January, 1837; the fourth, the 7th of February, 1839; and the fifth, the 5th day of September, 1840, the four first of which deeds are from William Burke and wife, and the fifth from said Burke, and all of which are on record in the office of the Court of Monroe county, in Virginia—the said trustees, or one of them, will, on Wednesday, the 16th day of August next, at the Red Sulphur Springs, in the said county of Monroe, sell at public auction, to the highest bidder, three parcels of land, in the said county of Monroe, on the waters of Indian creek, containing, by the patents, one of them 100 acres, another 39 acres, and the other 152 acres, making them, together, 291 acres, and being the same lands which were conveyed by James and John Harvey to the said Burke, and known as the Red Sulphur Springs Tract, with all the buildings and waters or privileges of water thereon or thereto belonging and the appurtenances thereto; also such personal property as is embraced in the deed of the 24th of September, 1834, including much valuable furniture, one or more slaves and a carriage and harness.
And by virtue of the said third, fourth and fifth deeds, the said trustees, or one of them, will, at the same hour and place, sell at public auction, other lands adjoining those before mentioned, that is to say, all the lands conveyed by the three last deeds, which are not included in the two first—also, such of the personal property conveyed by the said deeds, as is not embraced in that of the 24th of September, 1834, consisting of horses, cattle, hogs, work oxen, wagons and furniture.
And by virtue of the said fourth and fifth deeds, the said trustees, or one of them, will, at the same hour and place, sell at public auction, such of the personal property conveyed by the said two last deeds, as is not embraced in the three first.
And by virtue of the fifth deed, the said trustees, or one of them, will, at the same hour and place, sell at public auction, such of the personal property conveyed thereby, as is not embraced in the first.
The sale will be for ready money, according to the terms of the said deeds, except as to one-half of such part of the purchase money of the lands, as will be for the creditors secured by the four first deeds, as to this half their creditors consent that there may be a credit of one and two years, bearing interest, the purchaser executing bonds and a deed of trust on the premises to secure the same. The trustees, or one of them, will convey such title as is vested in them by the said deed.

FIRE PROOF IRON SAFES—There can be no greater evidence of the high estimation by the public of Wilder's Patent Salamander Iron Safes than the fact, that since the invention of these Safes and their subsequent trials and tests, almost every thing made for the purpose of holding books and papers are called by the makers and venders by the name of Salamander Safes.
The following gentlemen composed a Committee of Merchants at the trial of safes in a blast furnace near the foot of Wall street, and decided in favor of Wilder's Patent Safe which was the only one that stood the test, viz:
Messrs. WADSWORTH & SMITH,
BALDWIN & CO,
MINTURN & CO,
CHAS. H. MARSHALL, Esq.
Wilder's Salamander Safes, which have never failed to preserve their contents in case of fire, are to be had only of

Article 3. Be it further ordained, That hereafter it shall not be lawful for any pirogue, flatboat, barge, keelboat or boat to remain in port longer than twelve days, as fixed by the thirteenth article of the ordinance approved 21st October, 1830, under a penalty of $25; and it shall be the duty of the wharfinger of the several municipalities to cause to be removed beyond the limits of the port any pirogue, flatboat, barge or other craft found in violation of the ordinance, which is hereby repealed. The fines arising from any violation hereof shall be recoverable before any court of competent jurisdiction, of the owner, agent or consignee of such pirogue, flatboat or other craft, for the benefit of the municipality within which the offence may be committed.
Article 4. Be it further ordained, That hereafter it shall not be lawful for any flatboat, keelboat, barge or old hull to remain within the limits of the port longer than twenty four hours after the discharge of its cargo, under a penalty of twenty-five dollars, recoverable as aforesaid; and after the expiration of said twenty-four hours, it shall be the duty of the wharfinger of either of the municipalities to cause to be removed beyond the limits of the boat, or to turn adrift, without delay, any such flatboat, keelboat, or other craft in contravention.
Article 5. Be it further ordained, That in case any captain, owner, or person in command of any steamboat, flatboat, barge, keelboat or other craft, shall neglect or refuse to obey the orders of the wharfinger to conform to the ordinances regulating the port, he or they shall be liable to a fine of $25 to $50 for each offence, recoverable as aforesaid.
Article 6. Be it further ordained, That from and after the 31st day of August next, all ships and other decked vessels and steam vessels arriving from sea, which shall have landed or moored in front of one municipality, and shall have paid, or be liable to pay the levee dues to such municipality, and shall afterwards remove from such municipality to one of the other municipalities, shall pay to the municipality to which they remove, the following dues:

All vessels over 750 tons,			$5 00 per day.

1st. The Legion of Louisiana and the First Brigade will be inspected in the month of December.
2d. The hour fixed for the review will be ten o'clock A. M., but the troops will not be dismissed until after twelve o'clock if any accident should delay the inspecting officer.
3d. The Brigade inspectors are required by law to be present at the inspection of the corps of their respective Brigades, they must be furnished with complete returns of their Brigade to be furnished to the Adjutant and Inspector General. Should any accident in any case prevent the attendance of the latter officer, the Brigade Inspector will make the inspection and transmit the returns thereof to head quarters.
4th. The Brigadier Generals are specially charged with the execution of this order, as far as concerns their respective corps; they will transmit it punctually to all the commanding officers under them, and will take all preparatory measures for a full and effective muster. They are at liberty to change the place fixed for the assembling of their regiments, provided such changes do not interfere with the other reviews established by this order.
5th. The Brigadier Generals are required to complete the organization of the different corps and to report it when done to head quarters, that a time may be fixed for the inspection of such as are not in a situation to be inspected.
6th. Every officer who receives this order will promptly acknowledge the receipt of it by letter addressed to the Adjutant and Inspector General at New Orleans, and every officer who receives it, is required to execute immediately all that relates to his corps, without waiting for the transmission of the order from his immediate superior which some accident may interrupt.
By order of the Commander-in-Chief.

E. DUPERRON, & E. DELCAMBRE Drs DENTISTs

NO. 280 BOURBON STREET
Between St Philip and Maine.
MESSRS. DUPERRON & DELCAMBRE have the honor to inform the planters of St Charles, St John the Baptist, Donaldson, Lafourche, the Attakapas, &c. that Dr. E. Delcambre will pass through these places in the course of the sickly season, with the intention of exercising his profession. Messrs. G. Duperron & E. Delcambre, who are in the habit of warranting their operations, inform those persons who may honor Mr. Delcambre with their confidence, that if they have any fault to find, their establishment, which is permanently fixed at New Orleans, will be promptly opened to them. All those requiring dental operations may, with perfect confidence, apply to Mr. E. Delcambre, more especially for the insertion of artificial teeth, from a single one to an entire set, which he accomplishes by a new process that ensures its complete success.
m17

DR BLANCHARD—Ex Dentist to their Majesties the King and Queen of France, the Princes and Princesses, Surgeon-Dentist to the faculty of Medicine of Paris, and of New Orleans;
Fixes natural teeth, without the least pain, in imitation perfectly natural, from one tooth to a complete set;
Directs the second teething of children, and corrects any deviation in their teeth;
He has had long experience, minute and constant practice, in France and America, in the dentist art, and all that relates to its operations, preserving at once the mouth and the teeth;
He possesses a gum-cement, which repairs ravages effected by decay, of the same color of teeth, and which is the most precious substance that has yet been employed—none other can, at this time, plumb the teeth so hermetically as this;
The operation is made without any pain, and is achieved in a few minutes.
Recently invented for the Teeth.
Or Gauiré, without mixture, the most maleable and most perfect ordinarily employed.
A New Fusible (called platina) to plumb the teeth;
Litho-Caustic, instantly causing pain in the tooth to cease;
Elixir to reform the gums, consolidating the looseness;
Tooth-Water for healing the mouth and preserving the teeth;
Spirits of Cayac rectified, to give a tone to spongious gums;
Opiate of Quinine to clean and fortify the teeth;
Tooth Brushes,—of various kinds, to erase all sense of a tartar taste about the teeth.
His Office, at No 106 Royal street, is open every day from 9 in the morning until 3 in the afternoon, Sundays excepted. Charges moderate.

INVALUABLE REMEDY FOR DISEASES OF THE CHEST.—Pectoral Syrup and paste of Calve's lights, by Degenetais, Druggist and Chemist at Paris.
Of all the preparations intended to cure diseases of the chest, none has obtained so brilliant a success as the Pectoral Paste above indicated.
This Paste immediately removes all irritations of the breast, facilitates expectoration; instantaneously assuages paroxysms of coughing, saves a hooping cough. Catarrhs and inveterate cold yield immediately under its influence, in a word it is a most prompt and effectual remedy for acute and chronic affections of the chest and air passages.
Be cautious not to confound Degenetais' Paste with the of Iceland Moss.
The Paste and Syrup of Calves Lights may be found all the Druggists in New Orleans. General depot for whole sale at J. Tardos, No. 239 Royal street, whose signature is affixed to every box.

ODONTALGIC EXTRACT
B. F. SMITH,
No 110 St. Charles street,
CONTINUES to relieve the most violent TOOTHACHE in a few moments, and at the same time entirely destroy the nerve in less than 24 hours positively without pain. The public should be aware, however, that this remedy is not offered as a UNIVERSAL PANACEA, it being only successful when the pain proceeds from an exposure of the internal membrane or nerve.
For the truth of the above statement, the sceptical are referred to the following highly respectable gentlemen, most of whom can speak from their own experience.

Rev. W. A. Scott,	Dr. W. H. Tegarden
J. W. Stanton,	L. E. Generelly,
C. P. Young,	G. W. Todd,
E. Martin Quirk,	W. H. Whenton,
H. Williams,	W. G Latham,
F. B. Orsborne,	D Flannery,
H. Page,	L. Morehead,
	W. Algernon

By first destroying the nerve with this remedy, the excruciating pain frequently caused by inserting pivot teeth upon the old method, is entirely avoided.
All other operations carefully performed. m3
