MISCELLANEOUS.

Important to Planters.

We have been informed that the usual premium of planters, in ordering their supplies of the

Dr. McLane's Celebrated Vermifuge,

This been to simply write or order Vermifuge; the consequence is, that instead of the genuine Dr. McLANE'S VERMIFUGE, they very frequently get one or other of the many worthless preparations called Vermifuge now before the public. We therefore beg leave to urge upon the planter the importance and propriety of invariably writing the name in full, and to advise their factors or agents that they will not receive any other than the genuine Dr. McLane's Celebrated Vermifuge, prepared by Fleming Bros., Pittsburg, Pa.

We would also advise the same precaution in ordering our Dr. McLANE'S CELEBRATED LIVER PILLS. The great popularity of these Pills, as a specific or cure for Liver Complaint, and all the Bilious derangements so prevalent in the South, has induced the vendors of many worthless nostrums to claim for their preparations similar medicinal virtues with the genuine.

Dr. McLane's Celebrated Liver Pills

Are the original and only reliable remedy for Liver Complaints that has yet been discovered; and we urge the planter and merchant, as he values his own and the health of those depending on him, to be careful in ordering. Take neither Vermifuge nor Liver Pills unless you are sure you are getting the genuine Dr. McLANE'S, prepared by

FLEMING BROS,
Pittsburg, Pa.

Below we give a list of some of the principal wholesale druggists and dealers in patent medicines in this city, and from whom the genuine Dr. McLane's Celebrated Vermifuge and Liver Pills can always be obtained. They are also sold by all respectable druggists.
