COMMERCIAL.

OFFICE OF THE BEE,
FRIDAY EVENING, October 29, 1858.

There has been an active movement in Cotton during the past week, and Tobacco, Sugar and Molasses have been in fair request, but for nearly all other articles we have noticed a dull market. Flour has declined, but Corn, with limited supplies, has sold at very full prices. In Provisions only a small business has been done, though there has been a better demand for Pork. Freights are without material alteration, but Exchange has sold at rather lower rates.

On Wednesday morning we published the Persia's advices embracing dates from Liverpool to the 16th inst. They reported sales of 43,000 bales Cotton during the week, including 1200 for speculation and 5000 bales for export. A slight decline was reported on the finer and inferior qualities, while the middling grades were without alteration. The accounts by the Vanderbilt, which had arrived out with New York dates to the 2d instant, had produced no effect on the market, which closed at 7¾d for Fair Orleans and 7¼d. for Middling Orleans. The imports of the week were stated at 40,000 bales, and the stock on hand at 480,000 bales, including 283,000 American. The market at Manchester was reported quiet, with little enquiry and easier prices. The London Money market was easier, but the bank rate of discount was unchanged. Consols had declined ⅛ ₱ cent. and closed at 98⅛. At Havre Cotton was quoted at 111 francs for New Orleans Tres Ordinaire, with sales of 4500 bales during the week.

COTTON.—Arrived since the 22d instant, 67,912 bales. Cleared in the same time for Liverpool 30,426 bales, Havre 14,665, Genoa 1959, Trieste 2339, Barcelona 405, Bremen 1511, Boston 2571, New York 111, and Philadelphia 51 bales; together, 53,962 bales, making an addition to stock of 23,950 bales, and leaving on hand, including all on shipboard not cleared this day, a stock of 196,681 bales.

There has been an active demand for Cotton during the greater part of the past week, though the business has been checked by the full prices claimed by holders. The sales have amounted to some 45,000 bales, comprising 6500 on Saturday, 6000 on Monday, 6000 on Tuesday, 13,500 on Wednesday, 9000 yesterday, and 5000 to day. Prices have been very full, with an upward tendency generally, and close at an advance of fully ⅛c for all qualities, though with a feeble market at the close. We now quote as follows:

TO PERSONS WEARING SPECTACLES

THIS is not a personal matter, but merely a friendly advice to my customers and all those who wish to preserve their sight unimpaired. The visual organs are of sufficient importance to require the greatest care in the selection of glasses when one is compelled to resort to spectacles. We must consequently guard against high-sounding advertisements published by charlatans, who care very little for the eyes of purchasers, and whose only object is to sell as many spectacles as they can at extravagant prices.

Purchasers must not suffer themselves to be deceived by a pair of spectacles which make things look larger beyond measure. Our sight is almost always injured, sooner or later, by our seeing too clearly. The glasses must be sufficiently strong, and others ought not to be taken unless the change cannot possibly be avoided.

I am of opinion that every one has a perfect right to dispose of his goods as he chooses, but I also deem it my duty to caution those whose confidence I have enjoyed for many years, against pompous articles about new discoveries, such as "Brazilian Pebbles," "Arkansas Pebbles," &c., &c. Those names are only given for the purpose of attracting public attention, and there is not a word of truth in what is said. There is but one kind of good spectacle glasses, whether made of ordinary or pebble glasses, it is those which are well finished, and pure, and suit the eyes without fatiguing them.

I am satisfied that physicians, and competent persons generally, concur in the above expressed opinions. C. DUHAMEL, Optician,

McLEAN'S

STRENGTHENING

CORDIAL

AND

BLOOD

PURIFIER.

21 and 151 CHARTRES ST.

Before taking. After taking.

THE greatest remedy in the world. This Cordial is distilled from a Berry known only to myself and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man, viz: blood root, black root, wild cherry bark, yellow dock, dandelions, sarsaparilla, elder flowers, with others, producing the most infallible remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY.

Curing diseases by natural laws. When taken, its healing influences are felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.

McLEAN'S STRENGTHENING CORDIAL will effectually cure Liver Complaints, Dyspepsia, Jaundice,

Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Dyspepsia, Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Fullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the Small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Languor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague, (or Chills and Fever.) It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

OVER HALF A MILLION OF BOTTLES

Have been sold during the past six months, and in no instance has it failed in giving entire satisfaction. Who, then, will suffer from weakness or debility when McLEAN'S STRENGTHENING CORDIAL will cure you.

TO THE LADIES.

Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your blood to flow through every vein, and the rich, rosy bloom of health to mount to your cheek again. Every bottle warranted to give satisfaction.

FOR CHILDREN.

We say to parents, if your children are sickly, puny or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat and robust. Delay not moment, try it and you will be convinced.

IT IS DELICIOUS TO TAKE.

EVERY COUNTRY MERCHANT

Should not leave the city until he had procured a supply of McLean's Strengthening Cordial. It sells rapidly, because it always cures. A liberal discount will be made to those who buy to sell again.

CAUTION.—Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash which they can buy cheap, by saying it is just as good. Avoid such men. Ask for McLEAN'S STRENGTHENING CORDIAL, and take nothing else. It is the only remedy that will purify the blood thoroughly, and at the same time strengthen the system.

One table spoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease.

The best Liniment in the world for man or beast.

ANOTHER REMARKABLE CURE

Performed by McLean's Volcanic Oil Liniment. Read for yourselves.

Thomas Ford, a blacksmith, living near Cass avenue, on Tenth street, had a horrible running sore on his foot. He tried various Liniments, Salves, &c., but could do it no good. He despaired of ever being able to work at his trade again, because he could not bear any weight on his foot; and by one small bottle of McLean's Volcanic Oil Liniment, he is now perfectly cured.

Rheumatism, paralysis, neuralgia, bruises, sprains, stiffness in the joints or muscles, swellings, sore throat, earache or toothache, wounds, fresh cuts, sores, burns, ulcers, pains, &c., yield to the "magic" influence of this wonderful Liniment.

For Horses and Cattle it is an infallible remedy for galls, scratches, cracked heels, lameness, spavin, sweeny, splint, fistula, bruises, swellings, wounds, rattlesnake bites, and various other diseases which animals are liable to from injuries or accidents.
