We intend by certification out of hundreds similar which might be produced, are given to show the effect of the Indian Panacea for the cure of consumption, chronic complaints and also to exhibit in the most satisfactory manner the astonishing cures of other chronic complaints:

Case of Thomas Thayer, Hartford, Conn.—Charlestown, Jan. 20, 1839.—This may certify that I was afflicted with a scrofulous disease for several years, during which time I employed several eminent physicians, both in Philadelphia and Charleston, and took several bottles of Leidy's Indian's Panacea, but still without permanent benefit. During the last winter I was taken with an ulcerated throat, which soon became so severe as to prevent my taking sufficient food to sustain life. I remained in this situation several days, emaciated and threatened with absolute and universal starvation, when, as a last resort, I had recourse to the Indian's Panacea, and found from it almost immediate relief, recovering so rapidly that in four weeks I found myself quite well, as I have remained ever since.

DR. LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA—It is positively the strongest preparation of sarsaparilla in existence; one bottle of it (which costs but $1) is equivalent to two of any other preparation of the extract of sarsaparilla usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state, that he has tested its superiority, and has found it to be two fold in strength. Numerous physicians throughout the United States give it the preference over all other preparations of sarsaparilla, both for its superior strength (and consequently efficacy when employed) and from the circumstance of its being prepared by a regular apothecary and physician, attached to Dr. Leidy's Medical Institute.
