EXECUTIVE OFFICE.
New Orleans, April [illegible], 1844.

NOTICE IS HEREBY GIVEN, that in conformity to an act entitled: "An act to provide for the better administration of the Louisiana Penitentiary," approved March 25th, 1844, proposals will be received for three months from this date, at this office, for the lease of the Penitentiary for the term of five years. The terms and conditions prescribed by said act, on which the lease may be made, are as follows:—

1st—Approved security in the sum of twenty five thousand dollars for the faithful performance of the contract.

2nd—Lessee to conduct the Penitentiary at his own expense, and to make no change in the present treatment of the prisoners, not authorized by law.

3d—The labor of the convicts to be chiefly confined to cotton and woolen manufacture, negro shoes, and cotton bagging and bale rope; no business or mechanical work to be pursued for profit, which may come in competition with the mechanics of Baton Rouge.

4th—Lessee to bind himself to put up, without delay, the necessary machinery for the making of bagging and rope; to complete the present preparations for the manufactory of cotton and woolen goods, for which purpose the Governor is authorized to loan him fifteen thousand dollars, to be repaid at the end of the lease; the lessee paying on the amount, semi-annually, interest at the rate of six per centum per annum.

5th—All manufactured articles and materials on hand to be received by the lessee at an appraised value; for the amount of which he is to give his bond payable at the end of the contract, bearing six per centum, to be paid semi-annually; and should the contract not be renewed, the State to be bound to receive in like manner all similar articles as may then be on hand; all machinery, tools to be appraised and receipted for,—the lessee binding himself to return the same in like condition, or others of equal value, at the expiration of his term.

6th—The profits of the Penitentiary, for the first two years of the lease, to be for the exclusive benefit of the lessee; what may be made during the remaining period of the term, to be divided between him and the State, in such proportions as may be stipulated for in the contract.

7th—That for any violation of his contract, the Governor may, with the assent of two-thirds of the Directors, put an end to the lease, or suspend the lessee.

Persons disposed to propose for the lease, are invited to do so as early as possible, as the interest of the lessee, as well as that of the State, will be promoted by the contract being closed at an early date, which may become absolutely necessary under the provisions of the law:

A. MOUTON,
Governor of the State of Louisiana.

N. B.—The Editors of the Globe, at Washington City, and of the Louisville Advertiser, will please publish this notice during three months, if not otherwise directed, and forward their accounts to the Governor for payment. a5

DYEING AND SCOURING IN GENERAL.

NOTICE—Messrs MONDELET & Co, have the honor to inform the public, that on the 1st June next, they will open, at No 1?0 Chartres street, opposite the Orleans Hotel, A DYEING AND SCOURING Establishment.

The knowledge they have acquired of this art, by many years labor in the first houses in Paris, and by a diligent study of chemistry applied to dying, induce them to hope that no hesitation will be felt in entrusting to them the most valuable articles either for dying or scouring, convinced as they are that such articles will be as carefully and properly attended to as at Paris. Those who may honor them with their confidence will be convinced of their skill, by the care and elegance of their work, and by the finish imparted to it.

They dye and scour all kinds of articles, such as silk, merinos, mousseline laines, cashmeres, crapes, tulles, velvet plain or figured, straw hats, furniture covers, carpets, church ornaments, ball and theatrical costumes silk and thread gloves, silk stockings; they clean silk dresses without changing the colors. By new chemical processes they bleach muslins, jaconets and print dresses, giving them the appearance of new materials. They clean and dye kid gloves, all kinds of feathers, gentlemen's clothing without injuring them, and giving them all the neatness of new articles. They dye clothing black for mourning in twenty-four hours, and warrant the durability of the colors.—They likewise re-dye black stuffs, giving them various colors.

TO THE PLANTERS OF THE STATE OF LOUISIANA.
SILK!! SILK!!

THE PLANTERS in this state who desire realizing the largest profits from their lands, and their slave-labor, would do well, next spring, or even during August of the present year, to plant cuttings of the Mulberry or Morus Multicaulis, as they will be enabled to dispose in this city, of the cocoons arising from their culture. In order to obtain the knowledge necessary for the cultivation of the silk-worm, they will find at Mr. Wm McKean's Book store, corner Camp and Common streets, Mr. Hebert's Book store in Chartres street, between St. Louis and Toulouse, and at Mr. Dinn's Seed-store, corner of Tchoupitoulas and Common streets, a table containing directions for cultivating silk-worms, by means of which any intelligent person can carry on the enterprise.

This work is absolutely indispensable to every planter who wishes to rear silk-worms. It is written in English and French and may be applied to the culture of any quantity of Silk worms' Eggs, up to one ounce.

The "Baton Rouge Gazette," the "Feliciana Whig" and "Natchitoches Chronicle" will please insert the above advertisement one week, and send their accounts to this office. j27 1w

GARREAU'S INSTITUTION—Hitherto a certain class of society have had reason to complain of the difficulty, we might say, impossibility, of procuring for their children, as complete an education as is desirable. Parents ought therefore, to view with pleasure an establishment where their children may obtain a course of instruction equally solid and various.

Mr. and Madame Garreau have recently established a seminary for both sexes in Rampart street, between St. Anne and Maine streets. A long experience in the art of instruction enables them to satisfy every desire on the part of parents.

French, English, History, Geography, Mathematics, Mythology, Drawing, Book-Keeping, and in short every department of a complete education are taught with care, zeal and assiduity. Professors of well ascertained merit are attached to the establishment.

Music, Dancing and the use of the Sword will be imparted to those desirous of acquiring a knowledge of these arts. All the various manual arts which constitute so essential a portion of a Young Lady's education will be taught by Madame Garreau herself.

Boarders and half boarders will be received in the establishment.

For terms and references, see Prospectus at Mr. Lelievre's book store. ja25 1m

BATHS, BATHS.

FIRST MUNICIPALITY STEAM FERRY FLOATING BATHS.

THE public is informed that this establishment will be opened for the season on Sunday, May 19th, 1844, on the other side of the river, within a few yards of the landing of the ferry of the First Municipality. The accommodations offered to the bathing community are such as have never been equalled by any similar establishment in this city.

The dimensions of the bathing room, or basin, are: 140 feet in length by 40 feet in breadth, with a depth of water of from 3 to 12 feet; 120 feet of this basin is of a sufficient depth for almost any number of swimmers—each bather will be furnished with a separate dressing room, &c. &c.

There are two spacious promenade decks extending over the whole bath, covered with awning, which will afford an agreeable resort to the bathers and public at large, they being supplied with a bar and all kinds of refreshments.—It is scarcely necessary to observe that the site chosen for the Ferry Baths, secures the double advantage of a rapid current of water, unaffected by any contact with the impurities of the city and of the shipping.

The Steam Ferry boats will run from day light until 9 o'clock at night, and as long after as there are bathers, making a trip every ten minutes during the day.

Tickets will be sold at the Bathing Establishment for the sum of 15cts—so as the ferry over and back with the bath will cost but 25cts. Boy's tickets 10 cts. The promenade decks are open to the public are of charge.
