OLD CLOTHES MADE NEW.
LONDON DYEING & SCOURING ESTABLISHMENT.

JOHN J JACKSON, lately from London, respectfully informs the citizens of New Orleans and its vicinity, that he has taken the store No 96 CAMP STREET, next to Marmion's Temperance Intelligence and General Agency Office, where he will pursue the trade, for the purpose of Dyeing, Renovating, Repairing and Scouring.

GENTLEMEN'S WEARING APPAREL.

upon an entirely new principle. All clothes made to appear as when new, without any injury to the cloth, and it can be warranted not to change or crock.

From the long and practical experience which I have had during my apprenticeship in London, and in working for the officers of the Horse Guards, and other officers of other regiments, I am enabled to dye SCARLET and other colors in a superior manner; also to extract grease spots and stains of all descriptions from military and other garments.

Gentlemen composing volunteer companies in this city, whose military clothes are out of order, from the effects of grease spots, stains, &c. are respectfully invited to call and give him a trial.

Gold, silver and silk lace, epaulettes, &c. furnished from one color to another; Silks and fabrics to their original state or brightness.

LADIES' WEARING APPAREL, (including silk, satin and velvet dresses,) dyed in the most approved fashion and to the latest style and finish.

Carriage cushions, bagging, pulpit covers, sofa and chair covers, window hangings, carpets and hearth rugs cleaned, dressed, &c. and made to appear as when new.

Many gentlemen and ladies hesitate to have their garments, carpets, &c. renovated or dyed, in consequence of the numerous impositions that do not understand their business. The subscriber requests but one trial to prove the character of his workmanship.

From a strict attention to business I hope to meet a share of public patronage.

☞ All work entrusted to my care will be ready for delivery in forty eight hours after being left with the subscriber. JOHN J JACKSON.

GRAND NAVAL COMBAT, between the American frigate CONSTITUTION, and the English frigate LA GUERRIERE.

THE LAST ERUPTION OF MOUNT ETNA, Represented after nature, at the moment the Mountain is in flame and the Lava descending like a mighty ocean, destroying every thing in its passage. This scene is sublime and terrific.

Dr. Blackwell's
CELEBRATED ANT ACRID TINCTURE AND SCOTCH RENOVATOR,
For the Cure of Venereal Disorders, Stubborn Gleet, Seminal Effusions, Weakness of the Ureter or Bladder, Diabetes, or Difficulty in Making Water.

BLACKWELL'S
ANT ACRID
TINCTURE

THESE DROPS are chiefly composed of vegetable substances; their use and efficacy have been fully proved by hundreds, and may be relied on as perfectly sure and safe. Dr Blackwell having prepared and used them for many years, in his extensive practice in Scotland, with great satisfaction and wonderful success among his numerous patients. Dr. Blackwell, the inventor of this truly valuable medicine, makes no other claim to public confidence than what experience has so fully justified; and he does not, in the least, hesitate to warrant them as a safe and certain Cure for the Venereal Disorders, Stubborn Gleets, Seminal Effusions of the Ureter or Bladder, Diabetes, or Difficulty in Making Water.

This is the most speedy, certain and effectual remedy for the Gonorrhœa that has ever been used: It is pleasant to the palate, grateful to the stomach and easily taken. It is a concentration of the medical properties of such remedial as have been found most efficient in curing gleet, seminal weakness and all discharge from the urinary passage. It is wholly a vegetable compound, and acts like a charm in producing an immediate operation upon the part affected. Full directions accompany the medicine.

Recommended by the Faculty for the radical cure of gonorrhœa, gleet, seminal emission, and all mucopurulent discharges from the urethra. This Tincture, the result of twenty years' experience in the Hopital de Charité de Paris, and pronounced by its celebrated inventor, Professor Blackwell as an infallible remedy for all diseases of the urethra. It effects a cure in a much shorter time than any other remedy, without tainting the breath, disagreeing with the stomach, or confinement from business.

Persons afflicted with copper colored blotches on the head, pains in the limbs or body, nodes on the bones of the arms and legs, ulcerated of sore nose, mouth or the air, or any other symptom of that loathsome disease—constitutional affection; persons afflicted with obstinate urethral discharges, or weakness of the urinary organs or who are suffering from indulgence in a certain destructive habit known as the solitary vice, and who, from disgust and disappointment have abandoned all hopes of a cure, are strongly urged to try the above medicine, the most effectual and rapid cure ever known for a certain disease.

Those who wish to avoid quack nostrums and cure themselves with little trouble or liability to exposure, will find this medicine well suited to their case, as it requires no change of diet, and does not affect the health, which prevents the possibility of discovery while using it.

Besides this important advantage it never leaves the parts subject to the troublesome weakness that occurs so often after the use of other medicine; and if taken in the first stage of the disease it will arrest the discharge and remove unpleasant feelings in a few days. In long protracted or chronic stages of the disease; in obstinate gleets, female complaints, or a weakness of these organs, it is without doubt the most efficient remedy ever discovered, and has cured many obstinate diseases after every other medicine has failed. A case of this kind of more than a year's standing was recently cured in two weeks by this specific, after upwards of $100 had been spent for medical advice without effect. In acute, it has been used with success in all stages of the disease, that we challenge any case to be produced that it will not cure, under a forfeit of $500.

We give no long quackish recommendations to deceive the public. If the medicine does not speak for itself, no one shall speak of it. Our object is to notify where it can be had; and be proprietor challenges a single case of recent gonorrhœa to be brought in which the mixture will not perform a rapid cure, under forfeiture of $500.

This a disease that unfortunately pervades all ranks of society, high, low, rich, and poor, married and single. They are now presented with a remedy by which they can cure themselves without the least exposure, in the shortest time possible.

☞ The genuine is sold wholesale and retail, at MADLIN's Drug Store, corner Common and Carondelet sts, New Orleans, Louisiana.

N. B.—Read the Treatise around the bottle. a11
