INSTITUTIONS.

MASONIC COLLEGE.

Established by, and under the patronage of the Grand Lodge of Kentucky.

This flourishing Institution, possessing full Collegiate powers, offers peculiar inducements to Southern parents and guardians. Its location is at one of the most beautiful points in Kentucky—*La Grange*, the County seat of Oldham Co.—25 miles from Louisville, 18 from Shelbyville, 38 from Frankfort, and 8 from Westport, on the Ohio river. The community in which the students mingle, is highly moral, intelligent, and refined; the town containing about 300 inhabitants, free from vicious associations, or contaminating influence. The *Course of Study* is full, embracing Mathematics, ancient and modern Languages, Natural and Moral Science. The *Faculty* consists of the President, who is also Professor of Mental and Moral science, a Professor of mathematics, one of Languages, and a Teacher of the Preparatory Department. The high reputation so deservedly enjoyed by the President, and the zeal and ability heretofore exhibited by the other members of the Faculty, who are graduates of the best Colleges in the land, afford a sure guaranty of their future success.—The *terms of tuition* are extremely low, viz:

In the *Preparatory Department*, per year $12
In the *College Proper* per year 30.
Boarding, washing, &c. per week, 1 50 to 1 75.

Scholarship may be had on the following terms:—$50 for 5 years tuition—$100 for 10 years—$300 for a perpetual scholarship—in each case, the amount to be paid in advance. On this plan, the whole expense for tuition, boarding, lodgings, washing, fuel, and lights will not exceed $76, per pupil per scholastic year of ten months.

ORLEANS HIGH SCHOOL.

(Lycee d'Orleans.)

THE Directors of the Institution, Messrs EVERETT, WYNDHAM and MERVOYER, having unswervingly acted up to their original plan, as laid down in the Statutes, have succeeded in giving the High School a rank among the best educational establishments in the South.

The seat of the Institution is in a part of the city ever noted for its salubrity. The buildings and premises are admirably adapted to the purposes of a large School.

The system of Education embraces the Grammar and the Literature of the Greek, Latin, French and Spanish Languages, Rhetoric, Poetry and Mythology, History, Geography, the use of the Globes, Book-keeping, Arithmetic, Algebra, Geometry, Plane and Spherical Trigonometry, Surveying, Natural Philosophy, Moral Philosophy, &c.

The various branches of knowledge are taught by the Directors, Messrs EVERETT, WYNDHAM and MERVOYER, and by Assistant Instructors, selected for their eminent skill in the business of Teaching.

The Directors also employ two gentlemen, who, enforce correctness of Deportment whenever the pupils are not in a recitation room under the eye of an instructor.

The Institution receives Boarders, Half-Boarders, and Day-Scholars. The price of Board, (washing included,) and Tuition in all or any of the branches is twenty dollars per month—The price of Half-Board is $15 per month.—The price paid by Day-Scholars is six, nine, or twelve dollars, according to the knowledge previously acquired.

No interference whatsoever in the internal discipline of the School will be suffered.

The STATUTES, containing all information respecting the School, may be had in the English or in the French language at the principal Book-stores in the City. m19

REMOVAL.

DAY & BOARDING SCHOOL FOR YOUNG LADIES,

Conducted by Madame Granet.

MADAME GRANET has the honor to inform the Parents of her Pupils and the public that her institution will be removed on the 15th of November next, from No 20 Bourbon street to No 86 Customhouse street, between Royal and Bourbon streets.

This new residence is better adapted for an institution for Young Ladies than the one she is leaving. The apartments are spacious and airy, and well suited for dormitories, class rooms, &c.

The yard for recreation is also large and entirely enclosed from all exterior communication.

MADAME GRANET is seconded in her arduous duties by her ELDEST DAUGHTER, and the pupils receive the same parental care, attention and vigilance as her own family.

The branches of instruction are the ENGLISH and FRENCH LANGUAGES, WRITING, ARITHMETIC, GEOGRAPHY, MYTHOLOGY, ASTRONOMY, LITERATURE, DRAWING, &c., and are taught by Messrs. TELMARD, NORES and LORD.

Particular attention is paid to MUSIC and SINGING. The Harp and Piano are taught by MADAME ELIZA GRANET, and singing by Mr. BROCARD.

Dancing by Mr. DEVOTI. o31—1y-3aw

Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spanish Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chests and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been found equally successful. The RINGS are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended [illegible] more chronic cases of disease, where the Rings do not [illegible] sufficient intensity or power. They are adapted [illegible] the waist, arms, waists, ancles, chest, or any part of the [illegible] with perfect ease. Any Galvanic power that is re[illegible] may thus be obtained, and no complaint which the [illegible] ious agent of Galvanism can effect, will fail to [illegible] ently relieved.

Christie's Magnetic Fluid.

In connection with the Rings and their modifica[illegible] This composition has been pronounced by the [illegible] Chemists to be one of the most valuable discove[illegible] modern science. It is believed to possess the [illegible] power of *rendering the nerves sensitive to Gal*[illegible] by this means causing a concentration of the [illegible] at the seat of disease, and thus giving rapid and [illegible] relief.

Christie's Galvanic Strengthening Plaster.

[illegible] forms an important addition to the Galvanic [illegible] upon the same principle, but having the ad[illegible] more local application. *As an effectual means* [illegible] *the system when debilitated by disease or* [illegible] *as a certain aid in constitutional weakness;* [illegible] *for colds, and in all affections of the chest* [illegible] *generally,* the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but ONE authorized Agent in each city of the Union. GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. m1—1m

TARRANT'S EFFERVESCENT SELTZER APERIENT.

—The unrivalled reputation which this agreeable preparation enjoys, sanctioned by the most distinguished of the medical faculty, is the surest guarantee of its efficacy, and is conclusive evidence that it will prove one of the most deserving medicines ever introduced, and eminently worthy the patronage of our citizens.

This preparation possesses all the active medicinal properties of the famed "Seltzer Spring" of Germany, with such additions and improvements, greatly increasing its beneficial effects—retains all the sparkling effervescence of a glass of soda water—exerts over the system a healthy action, and thus invariably proves its great efficacy and success. A teaspoon full of this Aperient, in a tumbler of water, before breakfast, will generally be found sufficient in all cases of pains in the head, excess of bile and acidity of the stomach. Taken in this manner it never interferes with the avocations of the day, and invariably creates an elasticity of mind and flow of spirits which gives a zest to every enjoyment. In dyspepsia or indigestion, irritability of the stomach or occasional flatulency, a speedy removal of the unpleasant symptoms being requisite, the use of this preparation, in a sufficient quantity, is recommended, to induce a full evacuation of the bowels, thereby affording immediate relief; the unpleasant feeling is removed, the irritability of the stomach soothed, whilst the appetite again resumes its former healthy state.

The energies of that important organ, the liver, may be effectually restored when in a torpid state, or when there is not a due secretion of bile, by the use, for a short period, of a tea spoonful of this Aperient, taken in the morning on rising.

All febrile symptoms will be allayed by taking a tea spoonful occasionally during the day, and being peculiarly grateful to the stomach, forms a delightful effervescent draught.

Captains of vessels would find this preparation a very desirable medicine for family use at home or when travelling. Its agreeable flavor, its life, its medicinal virtues and portability, neatness of preparation and simplicity in using, renders it far superior to any other ever offered to the public.

TESTIMONIALS.

FROM M. PRICE MOORE, M. D.

"I have used your Effervescent Seltzer Aperient in several cases, with very happy results. As a mild Aperient, it has advantage over all other Aperients, particularly in cases of great debility where it is important to save the strength of the patient. It can be made a pleasant drink, and given in such doses as to obtain the object in view. As a family medicine, I think very highly of it; and as such, can be freely used during the summer months."

FROM JAMES TRUDEAU, M. D.

"I have often prescribed your Effervescent Seltzer Aperient in this city, and have always been pleased with its operation. It is, in my opinion, a pleasant, safe and mild laxative, calculated to please the most fastidious. To persons residing in warm climates, where a congested state of the liver is a frequent cause of disease, it is a most valuable medicine."

SPRING PURIFIER OF THE BLOOD—*WINER'S ARCANUM EXTRACT vs SARSAPARILLA.*—As a spring purifier of the blood, this medicine cannot be surpassed in working its way through the system with a silent and effective force, cleansing the blood; removing dyspeptic influences; soothing the nerves; removing internal obstructions and diseases that would otherwise cause injury to the liver and lungs.

Winer's Arcanum Extract is always a certain cure for all diseases arising from an impure state of the blood, such as Scrofula, or King's Evil, White Swellings, Diseases of the Skin, Pimples or Pustules on the face, Boils, Ulcers; also for Affections of the Liver, Dyspepsia, Costiveness, Palpitation of the Heart, long standing Rheumatic Affections, Gout, and all Chronic and Nervous Complaints occurring in debilitated constitutions. Its simplicity recommends the use of it to parents whose children are afflicted with any disease of the blood or skin, or whose constitutions have been injured by a lengthened illness and the use of deleterious medicines, as it will effectually purify the blood and renovate the system, and where tendency to scrofula are in the least degree visible, this [illegible] if properly administered, will most surely eradicate it.

Price $1 per bottle, six bottles for $5.

Prepared by John Winer & Co., 88 Maiden Lane, New York, sole proprietors for the United States.

CLASSICAL AND COMMERCIAL INSTITUTION

No. 142 Conti Street,

THIS Institution, the oldest scholastic establishment in New Orleans, is well known and highly distinguished for the success which has accompanied it ever since its foundation; a considerable number of pupils who have quitted it to enter on the great scene of life, having already acquired some distinction in the various avocations to which they have devoted themselves.

Boyer's Institution is conducted in one of the largest Mansions in the city, occupying a fine central position, being well ventilated and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils, takes in all the branches of Learning which are necessary to a useful, polite and finished education; from primary instruction to the more abstruse subjects which are specially the province of a collegiate course. The English language, daily becoming more and more evident, as of the greatest possible importance in all living in this community, is in Boyer's Institution, attended to with more than ordinary care, the Professors engaged in this branch being gentlemen of undoubted attainments and long accustomed to tuition.
