MEDICAL.

SANDS' SARSAPARILLA.

For the Removal and Permanent Cure of all Diseases Arising from an Impure State of the Blood, or Habit of the System.

This preparation is a combination hitherto unknown in the history of Medicine, differing entirely in its character and operations from the various preparations of Sarsaparilla, which have been at different times offered to the public. It acts specifically upon the whole system, there by bringing it under its direct and immediate influence. Although possessed of powerful healing effects, yet it is entirely harmless, so that it cannot injure the most delicate constitution. When in perfect health, no effect is produced by its use except an increase of appetite; but when disease is seated in the frame, and carrying fast its victim along the path of life, then its mysterious influence is felt and seen; it enkindles new life and vigor, and brings health and strength to the suffering and diseased.

"TRUTH IS STRANGER THAN FICTION."—LET THE FACTS SPEAK FOR THEMSELVES.—The following certificate is only another link in the great chain of testimony to its merits. Let the afflicted read and be convinced. What it has done once, it will do again.

CHARLESTOWN, Mass., Sept. 23d, 1845.

This may certify that my son, aged seventeen, has been for ten years afflicted with the scrofulous humor. At the age of seven years he had the measles, which probably caused this humor to make its appearance in a most singular way, covering his body from his head to his feet with small tumors. I consulted a doctor of medicine, and he examined him three days in succession, and not understanding his case, advised me to consult Dr. Rogers, of New York, I then being a resident of that city. After a long and critical examination, having more than thirty other medical gentlemen with him at the time, he pronounced it Scrofula or King's Evil. The child was then prescribed for, and commenced taking medical drugs from that time. He grew worse until June of 1837, and then his bones became affected in consequence of the mercury that had been given him. A piece of bone came away from his under jaw, in the first place, as large as an English walnut, a piece from his forehead as large as a sixpence, and a piece from near the crown of his head. It then went to the back and side, and discharged in three places. From thence to one of his limbs, separating, in consequence of the ulceration, the muscle and cord from the bones of the ankle joint on the back part. He had at one time fifteen running sores or issues from the glands of the throat and those places I have mentioned. In 1840, I lived in Portsmouth, N. H., and he was attacked with a Rheumatic Fever, which settled in one of his hips, which swelled as large as three of the other. Being under medical treatment, they gave him laudanum until he lost his reason. Then I became alarmed and sent for a Thompsonian. His medicine helped his hip and restored his reason. The third time he was attacked with this fever in 1842, when hearing Dr. Sands' Sarsaparilla, and being perfectly satisfied that all other medicines had failed of effecting a cure, I sent and procured six bottles, and by the time he had taken it all I considered him well. Those places healed—he became bright and lively—color came to his face and lips—from that time till the Fall of 1844, his complaints never troubled him. At that time he became deaf, which continued until last March, when his right eye became affected, from that to the left eye, covering the sight of the eye so that he was in a great measure deprived of sight. Knowing that Sands' Sarsaparilla was the only medicine that had ever done him any good, I applied to Mr. Fowle, Apothecary, at Boston, for more. He has taken fifteen dollars' worth, which has removed the humor from his eyes and hearing, and he now appears to be cured, and radically so. I verily believe all this latter trouble might have been avoided if I had continued thoroughly the use of the Sarsaparilla when he was under its influence the first time.

These are the simple statements of the facts of the case, and I feel it my duty to make those facts known to the public for the benefit of those who may be afflicted in like manner, feeling a full conviction the cure has been effected solely from the effect of this invaluable medicine.

HANNAH W. BECK, 298 Main st.

Suffolk, ss. Boston, October 12, 1845.—Then personally appeared the above named Hannah W. Beck, and made solemn oath that the above certificate, by her subscribed, and statements therein contained, are true.

Before me, JAMES RICE, Justice of the Peace.

The following letter, received from Captain Garrow, a gentleman well known and of the highest respectability, residing in Mobile, shows conclusively the value and efficacy of Sands' Sarsaparilla, in cases of chronic rheumatism:—

MOBILE, Alabama, July 31, 1844.

Messrs. SANDS—*Gents*—I was afflicted for more than ten years with rheumatism, and it is with pleasure I avail myself of this opportunity to express to you the salutary effect of Sarsaparilla had on me. In January, 1842, I purchased of your agents, Messrs. Mosely & Tucker, five bottles, which I took agreeably to the printed directions, which entirely removed the complaint, and I have now every reason to believe my health is permanently recovered. Yours very respectfully,

S. H. GARROW.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

Prepared and sold by A. B. & D. SANDS, Druggists, 100 Fulton st, corner of William, New York; Sold also by Sickles & Co 21 Magazine and 50 Canal streets; A. Oliver & Co. and L. J. Dubuisson, Jr., Mosely & Tucker, Mobile; and by Druggists generally throughout the United States.

Price $1 per bottle. Six bottles for $5.

☞ The public are respectfully requested to remember that it is Sands' Sarsaparilla that has been and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject, therefore ask for Sands' Sarsaparilla, and take no other.

MADAME GRANET has the honor to inform the Parents of her Pupils and the public that her institution will be removed on the 15th of November next, from No 90 Bourbon street to No 86 Customhouse street, between Royal and Bourbon streets.

The yard for recreation is also large and entirely enclosed from all exterior communication.

MADAME GRANET is seconded in her arduous duties by her ELDEST DAUGHTER, and the pupils receive the same parental care, attention and vigilance as her own family.

FRANKLIN HIGH SCHOOL.
Corner of Royal and Hospital streets, New Orleans.

PARENTS and Guardians are respectfully informed that the classes are now fully organized in the new building at the corner of Royal and Hospital streets. It is hoped, with some confidence, that the commodious and extensive arrangements for the better accommodation of the pupils, will meet with the approbation of the patrons of the Institution, and of others who may have youths under their charge.

The great object to be attained in school education is the acquiring of habits of untiring industry and indomitable perseverance, the course of exercises, through which a young man must pass in order to reach this goal, if judiciously directed, leaving him of necessity in possession of every other desired attainment.

The principle here laid down forms the basis of the mode of instruction, pursued in the Franklin High School:

The course of studies comprises the English, French, Spanish, Latin and Greek languages; Arithmetic, Algebra, Geometry, Trigonometry, Surveying, Application of Algebra to Geometry and Differential and Integral calculus; Astronomy and Chemistry; History and Geography; Book keeping, Drawing and painting; Vocal and Instrumental Music.

There are seven Professors attached to the School, who give daily lessons in their respective departments.

Parents and Guardians are respectfully informed that no interference whatsoever in the Regulations and internal discipline will be suffered.

The Institution receives boarders, half boarders and day scholars. The boarding pupils reside in the family of Mr. Elkin, and will be under the immediate care of himself and the ladies attached to the household.

G. BOYER'S
CLASSICAL AND COMMERCIAL INSTITUTION
No. 148 Conti Street,
(*between Dauphine and Burgundy streets.*)

THIS Institution, the oldest scholastic establishment in New Orleans, is well known and highly distinguished for the success which has accompanied it ever since its foundation, a considerable number of pupils who have quitted it to enter on the great scene of life, having already acquired some distinction in the various avocations to which they have devoted themselves.

Boyer's Institution is Conducted in one of the largest Mansions in the city, occupying a fine central position, being well ventilated and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils extends over all the branches of Learning which are necessary to a useful polite and finished education; from primary instruction to the more abstruse subjects which are suited to the proving of a collegiate course. Discipline so necessary to guide in the youthful mind a due perception of the duties incumbent on it in its future relations with society, is a conspicuous feature of the establishment, being at the same time severe and considerate, whilst the solicitude of the Principal regarding the moral training of the youths committed to his charge, is, though strict, yet paternal.

The English language, daily becoming more and more evident as of the greatest possible importance to all living in this community, is, at Boyer's Institution, attended to with more than ordinary care. The Professors engaged in this branch being graduates of colleges and [illegible] attainments and long accustomed to the occupation.

BRANCHES OF TUITION.

The English, French, Spanish and Latin languages, History, Geography, Mathematics, Elements of Natural Philosophy, Astronomy, &c. &c. &c.

SPRING PURIFIER OF THE BLOOD—WINER'S ARCANUM EXTRACT vs SARSAPARILLA.—As a spring purifier of the blood, this medicine cannot be surpassed in working its way through the system with a silent and effective force, cleansing the blood, removing dyspeptic influences; soothing the nerves; removing internal obstructions and diseases that would otherwise cause injury to the liver and lungs.

Winer's Arcanum Extract is always a certain cure for all diseases arising from an impure state of the blood, such as Scrofula, or King's Evil, White Swellings, Diseases of the Skin, Pimples or Pustules on the face, Boils, Diseases also for Affections of the Liver, Dyspepsia, Costiveness, Palpitation of the Heart, long standing Rheumatic Affections, Gout, and all Chronic and Nervous Complaints occurring in debilitated constitutions. Its simplicity recommends the use of it to parents whose children are affected with any disease of the blood or skin, or whose constitutions have been injured by a lengthened illness and the use of deleterious medicines, as it will effectually purify the blood and renovate the system, and where symptoms of Scrofula are in the least degree visible, this medicine, if properly administered, will most surely eradicate it.

This medicine is much cheaper, pleasanter, and warranted superior to any other sold.

Price $1 per bottle, six bottles for $5.
