MEDICAL.

FOR THE CURE OF [illegible] AND ALSO NERVOUS COMPLAINTS.

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Bristed, son in law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I., residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Bristed has found the most valuable benefit from the Rings, Bands and Fluid, is better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. CHRISTIE—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic artibles. If I am not mistaken in the cause, they have very seriously relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system. MRS. MARY JACKSON, 109 Bank st, New York.

☞ Mrs. Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 76th year. He has generally enjoyed robust health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead; and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Tomes were induced to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the hands, a pair of Bands for the limbs, and one bottle of the Fluid. In twenty four hours after using these articles feeling was perceptible in the paralyzed parts and perspiration broke out. *In two days he was enabled to raise his arm and use his hand, and in three weeks he was enabled to walk alone.* A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent, he is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but ONE authorized Agent in each city of the Union. GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. s1

FRANKLIN HIGH SCHOOL. *Corner of Royal and Hospital streets, New Orleans.*

PARENTS and Guardians are respectfully informed that the classes are now fully organized in the new building at the corner of Royal and Hospital streets. It is hoped, with some confidence, that the commodious and extensive arrangements for the better accommodation of the pupils, will meet with the approbation of the patrons of the Institution, and of others who may have youths under their charge.

The great object to be attained in school education is the acquiring of habits of untiring industry and indomitable perseverance, the course of exercises through which a young man must pass in order to reach this goal, if judiciously directed, leaving him of necessity in possession of every other desired attainment.

The principle here laid down forms the basis of the mode of instruction, pursued in the Franklin High School.

A large sorrel Horse, long mane and switch tail, all his feet white, shod all round, white stripe in the face, collar marked, 15½ hands high, no brand visible.

The owner will claim said Horse, on or before WEDNESDAY, the 28th October, otherwise he will be sold on that day, at the usual place, by R Kerrison, public auctioneer. o17—3t10d THOS. MAHEN, First Lieut. Night Watch.

BROUGHT to the Pound of the First Municipality, Main street, between Derbigny and Roman streets, a sorrel HORSE, a streak on its forehead, both hind feet white, mark of harness on its body, no mark or stamp visible. If said Horse is not claimed by the 31st inst. he will be sold at the usual time and place by the auctioneer, R Kerrison. MICHEL DUREL, o17—10t Keeper of Pound.

FIFTEEN DOLLARS REWARD will be given to any person who shall arrest and lodge in jail the runaway slave HANNAH. She is a Charleston girl and has been but 3 or 4 months in the city. She was bought by me from Mr George Davis a trader in slaves. She is 5 feet high, thick lips, large eyes, has a scar over one of them, I think on the right side. She walks with her head a little inclined backwards. She is a washer and ironer and may probably be hired of a false pass. Any person or persons harboring or giving employment to the said runaway slave will be prosecuted with all the rigour of the law.

Masters of ships or steamboats are particularly requested to keep a good look out. GASCHET De LISLE, o12—2t a w tf 47 Esplanade st

FIFTY DOLLARS REWARD.—Ranaway from the plantation of Mr Sosthene Roman, in Parish of St James, since the 26th September, the Griffe boy AMOS, aged 35 years, about 5 feet 8 inches in height, well set and rather stout across the shoulders. He has a scar under his eye, a slight one on the side of his chin, and one on his right wrist. Amos had a ring on each leg when he left. He is very plausible and speaks both French and English, and well known as having belonged to Mr John J Davide of the Parish of Jefferson. He will probably seek employment as Stevedore or in one of the Second Municipality Cotton Presses. He will probably try to embark on a ship or steam boat. The captains and officers are warned not to receive said boy if he presents himself with false papers—as he stole the papers belonging to another negro previous to his leaving.

The above reward will be given to whoever will lodge said boy in one of the prisons of New Orleans and inform the undersigned. ROMAN & KERNION, o9—2aw1m 3 Front Levee.
