☞ J. Winer & Co.'s Canadian Vermifuge.—DEPOT AT BERTRAND AND STONE—CORNER ROYAL AND BIENVILLE STREETS.—Louisiana is one of the countries most subject to vermicular affections under the most varied and aggravated characters, and although we do not ascribe all diseases of children to this cause, we may advance the fact that convulsions, intermittent fevers which prove fatal when the physician persists to treat fever only, consequently it becomes necessary to expel the worms, which daily invade the digestive tube, and to obtain this result no better remedy can be obtained than Winer's Vermifuge—it is the only remedy which unites the three following qualities, being anti vermicular, purgative and tonic. n19 ☞

DENTISTRY.

DR. E. COMMUNY, SURGEON DENTIST.

DR. DUPERRON has the honor to inform the citizens of New Orleans that, having **given up his office to DR. COMMUNY,** he trusts that those persons who have heretofore honored him with their confidence, will continue to extend it to his successor, who fully merits it by his talent and capacity.

DR. E. COMMUNY informs the public that his office will be open from 8 o'clock A. M. to 4 P. M. at No. 280 Bourbon street, between Main and St. Philip. n9

E. RABASSE, French Surgeon Dentist, from Paris, respectfully informs the Planters along the coast, that he intends visiting the plantations from the Balize to Bayou Sara, on both sides of the river, and offer them his services.

E. R. directs the dentition of children, corrects any deviation, and fills up the teeth with a cement; places in from a simple tooth to a complete set, and undertakes curing all vices and defects of the mouth. ja27

MESSRS. P. BLANCHARD & ACHILLE LION, Surgeon Dentists of the Faculty of Paris and New Orleans, have the honor to inform thier clients, that since the 1st of June, they have united thier offices at No. 44 Royal street, between Bienville and Customhouse (residence of Dr. Lion.)

The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore, deemed it expedient to form a Copartnership, as well on their own accounts as on account of their numerous Clients, in order that one of the two may be always in town, ready to receive all persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuance of the patronage of the public. jel

Dr. PEARSON, Dentist.

Office and residence Baronne street, opposite the State House.

DR. PEARSON invites his friends and all interested to call and examine the improvements in the manufacture of **Artificial Teeth**, particularly the **Block Teeth**, for which he received the first premium at the State Fair.

Persons wishing artificial Teeth inserted, can have it done at my establishment with less delay and upon more reasonable terms than any other in the south.

It has ever been my object to place it in the power of the poor as well as the rich to obtain relief and receive the benefits of dental operations. The great increase of my practice for the last year has compelled me to employ several skilful operators, among whom is an experienced French Dentist, whose services I have procured for a term of years at considerable expense. The Creoles may rely upon finding him always ready to wait upon them—his operations will always be submitted to my examination and approval.
