...IL AND FIRST MUNICIPALITY.....NEW-ORLEANS, FRIDAY MORNING, JUNE 30, 1848.

WAGNE & WEISE, PROPRIETORS, No. 83 Chartres, and 19 Camp street.

...ock,
...hearted sailor;
...e Pal
...w up his hat,
...General Taylor,
...r General Taylor!

...at the plough
...he it now,
...orkies are stiff, strong and steady;
...easter and boy,
...earing with joy,
...se cheers for Old Rough and Ready,
...se cheers for Old Rough and Ready.

...ery mountain and plain,
...rom Texas to Maine,
...mine, house and tendering steeple;
...he grave and the gay,
...ty night and by day—
...rah for the man of the People,
Hurrah for the man of the People.

The girls, always true,
Pretty fad, and sweet too,
...eave their garlands so fragrant and gay;
The hero to grace,
Whose honors we trace,
...om the Sabine to strong Monterey,
From the Sabine to strong Monterey.

...NDITION.—The Richmond *Whig* gives glow... accounts of the spirit that prevails through... the Old Dominion. It says: From all ...rters, we learn that the nomination of Gen. ...lor is producing a most wonderful effect ...n the ranks of the opposing party. Many of ...strongest Democrats do not like to vote ...inst the old Hero, who has so successfully ...ht their battles, and will stay at home— ...y others are wavering between this course, ...heir allegiance to party—and again many ...some out like men and record their votes ...e "Old Thunderer of Buena Vista."

☞ There was a large meeting at Buffalo ...ights ago, of the portion of the Democracy ...ed to the nominees of the Baltimore con... —Among the speakers, was John Van ...

One little incident which occurred du... his address is worthy of record. He was ...ing the merits of the two candidates for ...highest office in the gift of the people, and ...ed, In General Taylor fit for the Presidency? ...ereupon the words escaped from his lips, ...hen there went up a responsive: "Yes—yes, yes"—from th: multitude.

THE ALBANY *Atlas*, (Barnburner) is deriving a great deal of comfort from the renomination of "Long John Wentworth" for Congress, in the Chicago District, Illinois, in spite of the strong opposition to him in the nominating Convention, on the part of the Anti-Wilmot Proviso men,—as well as of the success of the Wilmot Proviso candidates for the United States Senate in Maine and Wisconsin. For instance it says:

"It is gratifying to record such evidence of Democratic opinion and purpose, as are exhibited in the election of Hamlin, of Maine, of Dodge and Walker, of Wisconsin, in the U. S. Senate, and the renomination of Wentworth—all effected in spite of lamentations here or elsewhere."

☞ The *Loco Foco* papers are preparing to open upon the HERO of BUENA VISTA their foulest batteries of calumny and abuse. This is all right! TAYLOR needs nothing now but the hydraulic pressure of Loco Foco scurrility, to fasten him so firmly in the affections of the American people, that nothing can possibly prevent his election by the greatest majority ever given. The campaign of 1840, was mainly won by Loco Foco abuse. The following shows what we may expect is from the *Evening Post* — BURLINGTON, N. J. June 13, 1848.

The newspapers, Whig and Democrat, are every day filled with rumors and assertions to the effect that the New York Democratic Barnburners are going in mass for *old Taylor*, who, according to his own admission, *has sat one idea in his head!* Can this be so?

If you touch *old Taylor*, political death follows immediately, because the class of thinkers will be glad to avail themselves of the opportunity of paying due respect to Maj Gen. Butler, and to welcome his safe arrival among us.

OLYMPIC THEATRE.—A new dramatic sketch called "New Orleans as it is," was played on Wednesday evening last at the Olympic Theatre to a crowded house. The piece is well written, and was much applauded by the spectators. It was again repeated last evening before a very large audience. The author, J. E. Durivage, Esq., will take a benefit this evening. We wish him a full house.

FIFTH DISTRICT COURT.—Antonio Neido, charged with assault and battery with intent to kill, was yesterday put upon his trial and found guilty. William Henry Jackson was found guilty on a charge of larceny. Fanny Smith, who pleaded guilty to a charge of assault and battery, was sentenced to pay a fine of $25 and costs.

FIFTH DISTRICT COURT.—*Habeas Corpus*.—On the 29th of May last, Judge Buchanan ordered, on a rule submitted before the Court that a child of Mr. and Mrs Widerchi, should be kept by the latter. The father, however, took the child and refused to deliver it to the mother. Yesterday, a writ of habeas corpus was sued out before the same tribunal, and Judge Buchanan, while ordering that the child should be restored to the mother, sentenced the father to twenty-four hours imprisonment for contempt of court.

RECORDER GENOIS.—Joseph Catalogne made affidavit yesterday, before Recorder Genois, stating that on Wednesday evening last, some one entered his premises, situated on the Bayou road, and took therefrom a large chain, and that he has strong reasons to believe that this robbery was committed by a certain individual whom he will point out to the police. A warrant was issued for the arrest of the individual accused.

Henry Weisbinger is charged with committing a disturbance on the premises occupied by John George Bauer, and with assaulting and knocking down the latter. He has not yet been examined.

Mary Jane Alsop was fined five Dollars for being drunk and disturbing the peace.

BURGLARY.—Officer Penn, and two other police officers of the First Municipality, arrested on Wednesday evening last, in the woods, at the extremity of St. Peter street, the slave William, belonging to Mr. Benvenu, and a white man named John Perry. A bundle, containing various valuable articles, supposed to have been stolen, were found lying along side of them. Said articles are claimed by Messrs. Pierre Nedot and Francois Face, as their property. They were sent to prison for further examination.

☞ A rumor having been put in circulation that Madam Boyer intends to leave New Orleans in order to fix her residence in New York, she begs leave to inform her friends and the public, that the report is entirely false. Madam Boyer will continue to reside in New Orleans, where, for the last seventeen years, a liberal encouragement has been extended to her in the exercise of her profession.

Green Oaks Hotel—Biloxi.

BY MRS. PRADAT.

THE public is respectfully informed that this establishment, so generally and favorably known for the salubrity of its situation, the beauty of its flower-gardens, its grapes and orchards, its shady alleys, its beautiful beach, its large, airy and commodious apartments and Hot-baths, its quiet retirement, is now open for the reception of visitors.

Notwithstanding the great improvements heretofore made on the above premises, they have been further extended during this season, and the Hotel can now accommodate one hundred boarders more than last year. Families can be provided with large and airy Houses, separate from the Hotel.

The table is kept in the best style, the wines are of superior quality. Claret free at dinner. Mrs. Pradat has engaged a company of fishermen, and operates entirely to provide the Hotel with every variety of fish, such as red fish, trout, croakers, sheepshead, pompano, Spanish mackerel, crabs, shrimp, &c. &c.

There is attached to the establishment, a magnificent parlor, decorated in the best style and tastefully furnished, with pianos, organs, &c., where music will be had every evening. Also, a splendid bar-room, billiard tables, fine yacht and sail boats, with skillful sailors in attendance, whenever boarders may wish to sail on a pleasure excursion, hunting and oyster parties in the adjoining islands; large bathing houses, for both ladies and gentlemen.

Besides numerous other attractions, Mrs. Pradat will keep carriages and saddle horses. She assures her friends and the public in general, that nothing has, or will be spared to render her hotel, at Biloxi, equal in all respects, if not superior to any similar establishment in the South.

Persons intending to stop at the Green Oaks Hotel, will please mention their intention in the Captain of the Steamboat, in order that they may be landed at the wharf of the hotel. Notwithstanding the preceding, they will always be at the other landings carriages and a boat belonging to the establishment.

Ladies are informed that there are two public baths at the hotel, one expressly for ladies and their children, with privilege of the other if desired. Persons wanting to have their meals in their rooms or bowers, can be accommodated.

The Hotel is provided with a well assorted pharmacy, in case some of the boarders should feel unwell.

Particular care is bestowed on the sick. The servants are faithful, attentive and obedient.

Prices will be moderate. je27 3m
