DR. TOWNSEND'S SARSAPARILLA

WONDER AND BLESSING OF THE AGE.
THE MOST EXTRAORDINARY MEDICINE OF THE WORLD.

THIS extract is putup in quart bottles; it is six times stronger, potent, and warranted superior to any and all. It cures diseases without vomiting, purging, sickening or debilitating the patient.
The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best.
SPRING AND SUMMER MEDICINES.
Never before it not only purifies the whole system and strengthens the patient, but it creates new pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has positively within the past five years more than 100,000 cures of severe cases of disease; at least 18,000 of these were considered incurable,—it has saved the lives of more than 5000 children during the two past season.
TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.
Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, languid, want of nutrition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any.
INVIGORATING CORDIAL,
as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.
Consumption Cured.
Cleanse and Strengthen—Consumption can be cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Serious of the Chest, Hectic Fever, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.
Spitting Blood.
Dr. Townsend—I verily believe that your Sarsaparrila has been the means, through Providence, of saving my life. I have been spitting blood for years and had a cough. It became worse and worse. At last I raised large quantities of blood, and night sweats, and was greatly distressed. I coughed, and did not expect to live. I have only used your Sarsaparrila a short time, and there has been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant,
WM. ROSSELL, 65 Catharine st.
Rheumatism.
This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly mentioned in the extraordinary virtues.
James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.
Blackwell's Island, Sept. 14, 1847.
Dr. Townsend—Dear Sir, I have suffered painfully for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the utmost lessening of pulse, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one hundred dollars worth of good. It is an excellent bitter—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.
FEVER AND AGUE.
Dr. Townsend's Sarsaparilla is unequaled in cases of the Chills and Fever and Ague. The following letter is only one of the hundreds that we have received from the South and West of like character.
Geneva, Michigan, Oct. 22, 1847.
Dr. Townsend—Dear Sir: I purchased for my wife two bottles of Sarsaparilla of Messrs. Hyde & McAlpine, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle it appeared to warm her blood, and every other day, when the chills and fever appeared, they were less violent, and before she had finished the bottle she was entirely cured, and has not had the fever since, which had been before she took the ague. A lady that had been very sick with chills and fever, but had broke them with quinine, called on my wife to see the distressing state, and troubled exceedingly with the ague-cake, seeing the effect that it had on my wife, she went and procured a few bottles and it restored her in a few weeks to complete health. Your Sarsaparilla is without doubt unequalled in disease. Incident to the West, and if you think that this communication will be of use, you are at liberty to use it as you choose. Yours, respectfully,
CHARLES H. SWAIN.
CANKER IN THE MOUTH.
Below is an account of another child saved. Dr. Townsend's sarsaparilla has saved the lives of thousands of children. The following certificate is selected from a great number received this week.
New York, April 1, 1847.
Dr. Townsend—Dear Sir: One of my children was very sick with a canker in the mouth and throat, attended with great debility. It came near dying. I tried several of your excellent medicine, and it cured it directly, for which I assure you I feel very grateful. Yours, respectfully,
ELIZABETH FOWLER, 27 Desbrosses st.
Female Medicine.
Dr. Townsend's Sarsaparilla is a sovereign and speedy remedy in all those painful complaints, Leucorrhœa, or Whites, obstructed or difficult Menstruation, incontinence of urine, or involuntary discharge thereof, and all those painful diseases of the system—no matter whether the result of original cause or causes, produced by irregularity, indiscretion or disease, we feel justified in in caution the public against the tricks of the manufacturers, who unblushingly put forth to the world such notorious falsehoods.
Dr. Townsend has expended over $200,000 the last eight years in advertising his Sarsaparilla, which has obtained a character and reputation throughout the United States, and a greater part of the world, the sale being enormous.
This has excited the cupidity of certain unprincipled men, and an old man who has been engaged in publishing cheap publications for a number of years. This man's name is Jacob Townsend. He applied to a number of men to get employment, or to sell the use of his name to put up Dr. Townsend's Sarsaparilla, stating the large sales and sums he had expended in advertising, as an inducement to embark in the business. Among others he applied to Charles Wattons, Esq., editor of the Jamaica Farmer, who scorned such a proposition. Mr. H. G. Andrews, formerly one of the proprietors of McAllister's Dispensary, Ralph Pomeroy, formerly trustee and director of the broken shinplaster bank at Bellville, New Jersey; John Hoffman and Wm. Thompson, under the name of Stillman, Thompson, & Co., have employed this old man, and agreed, as we understand, to pay him seven dollars per week for the use of his name.
Another Trick
We want to expense of five hundred dollars to get up a splendid steel engraving for our Label, and put the portrait of Dr. Townsend on it to distinguish it from all others and prevent mistakes. These men are now getting up a label on steel, with a portrait of old Jacob Townsend—let the public decide upon such transactions, and let them remember that none is genuine and original, unless signed with the name of S. P. Townsend. The plate is engraved on steel and contains the portrait of Dr. Townsend, three female figures and a view of our factory. The spurious has no factory or female figures.
Dr. Townsend Ns Physician.
These men also publish that Dr. Townsend is no Physician. This, like all other statements, is false. Dr. Townsend attended two of the best medical schools in the country, has studied the different theories of medicine, and practised for the last fifteen years; has experimented several years and expended large sums of money in bringing his medicine to perfection.
