DENTISTRY.

DR E. COMMUNY SURGEON DENTIST.

DR. DUPERRON has the honor to inform the citizens of New Orleans that, having given up his office to DR. COMMUNY, he trusts that those persons who have hitherto honored him with their confidence, will continue to extend it to his successor, who fully merits it by his talent and capacity.

DR. E. COMMUNY informs the public that his office will be open from 8 o'clock A. M. to 4 P. M. at No. 250 Bourbon street, between Main and St. Philip. s9

E. RABASSE, French Surgeon Dentist, from Paris, respectfully informs the Planters along the coast, that he intends visiting the plantations from the Bayou to Bayou Sara, on both sides of the river, and offer them his services.

E. R. directs the dentition of children, corrects any defect on and fills the teeth with a cement; places artificial teeth from a simple tooth to a complete set, and undertakes curing all vices and defects of the mouth.

MESSRS. P. BLANCHARD & ACHILLE LION, Surgeon Dentists of the Faculty of Paris and New Orleans, have the honor to inform their clients, that since the 1st of June, they have united their offices at No. 44 Royal street, between Bienville and Customhouse (residence of Dr. Lion).

The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore, deemed it expedient to form a Copartnership, as well on their own accounts as on account of their numerous clients, in order that one of the two may be always in town, ready to receive all persons who wish to honor them with their confidence. The superiority of their work, and the care and promptness exhibited by them, induce them to hope for a continuance of the patronage of the public.

Dr. PEARSON, Dentist.

Office and residence Baronne street, opposite the State House.

DR. PEARSON invites his friends and all interested to call and examine the improvements in the manufacture of Artificial Teeth, particularly the Block Teeth, for which he received the first premium at the State Fair.

Persons wishing artificial Teeth inserted, can have it done at my establishment with less delay and upon more reasonable terms than any other in the south.

It has ever been my object to place it in the power of the poor as well as the rich to obtain relief and receive the benefits of dental operations. The great increase of my practice for the last year has compelled me to employ several skilful operators, among whom is an experienced French Dentist, whose services I have procured for a term of years at considerable expense. The Creoles may rely upon finding him always ready to wait upon them—his operations will always be submitted to my examination and approval.

Blocks manufactured for Dentists to suit every variety of case, by furnishing correct models. A supply of every article used by Dentists kept constantly on hand. d3 tf

GRAND EXHIBITION.

A MAGNIFICENT GALLERY OF ORIGINAL PAINTINGS, by the most celebrated masters, IS NOW OPEN at the St Louis Ball Room, from 8 A M till dark, and the room will be brilliantly illuminated with gas every fair evening till 10 P M.

This collection is chiefly the property of some of the most eminent families in Italy embracing the choicest portion of their collections, which have been celebrated for centuries, sent to this country to found a National Gallery of the fine arts in America. Among this collection is to be found the celebrated picture painted by MICHEL ANGELO BUONAROTTI, representing Count Ugolino and his four Sons in prison, the father and sons were there left to starve to death. This picture alone is worth double the price of admission.

Also at the same place is to be found a SEPARATE EXHIBITION of the famous MARBLE STATUE of VENUS DI MEDICI, by the immortal Canova, &c.

It is, beyond all comparison, the most extensive, valuable and interesting Collection, which has ever been seen in this country, as was indeed the necessary result of the unique mode of its formation. It embraces specimens of every style of art, from that which preceded the invention of Oil Painting to the finest chef d'oeuvres of Raphael, Titian, Correggio, Claude, Rubens, Carlo Dolce, Vandyke, &c, &c.

The limits of an advertisement do not allow room for noticing all the gems it embraces, but the most cultivated and travelled connoisseurs are the persons by whom it is most highly esteemed. A personal inspection can alone give any idea of its interest and value; and to enable every one to enjoy these, the Tickets of Admission are fixed at the price of only 50 cents. A Season Ticket for a single gentleman during the whole time that the gallery remains open $2. mr13
