DR. TOWNSEND'S SARSAPARILLA.
CURES AND BLESSING OF THE AGE.
THE BEST EXTRAORDINARY MEDICINE IN THE WORLD.

This is no humbug, no puff, no quack medicine, but a medicine whose virtues are well known, and warranted to cure to any mind. It cures disease without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicines, is, whilst it eradicates disease, it invigorates the body. It is one of the very best.

SPRING AND SUMMER MEDICINES.

Everywhere, it not only purifies the whole system and strengthens the person, but it creates new blood and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cures of severe cases of disease, at least 15,000 of these were considered incurable.—It has saved the lives of more than 5000 children during the two past seasons.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indigestion generated in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, loss of hair, want of ambition, fainting sensations, premature decay and decline, hastening town and that fatal disease, Consumption, can be confidently restored by this pleasant remedy. This Sarsaparilla is far superior to any.

INVIGORATING CORDIAL,

as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen—Consumption can be cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., can be cured, and are cured.

Spitting Blood.

NEW YORK, April 29, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough, it became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only taken two bottles of your Sarsaparilla a short time, and there has been a wonderful change brought in me. I am now able to walk all over the city. I trace no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummuze, Esq., one of the assistants in the tomahawk Association, Black-with's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable part of the time I could not eat, sleep, or walk. I had continual lacerating pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done far more than one bottle of any other sarsaparilla. I am somewhat better—indeed, I am entirely relieved. I think it my duty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS

FEVER AND AGUE.

Dr. Townsend's Sarsaparilla is unequalled in cases of Fever and Ague. Read the following letter—it is only one of the hundreds that we have received from the South and West of like character.

Geneva, Michigan, Oct. 22, 1847.

Dr. Townsend—Dear Sir: I purchased from my wife two bottles of your Sarsaparilla, which I received at Niles, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle it appeared to warm the blood, and every other day, when the chills and fever appeared, they were less violent, and before she had finished the bottle she was entirely relieved and she says she is much better than she had been before she took the sage. A lady that had been very sick with chills and fever, but had broke them with quinine, and was left in a very weak and distressing state, and troubled exceedingly with an ague cake, among the effect that it had on my wife, she sent me to procure a few bottles, and I received two bottles of your Sarsaparilla, without doubt, unequalled in disease, and feel confiding in the Eastern and Western States, and feel confiding on the East side of Illinois street, and measuring on Illinois street, 40 feet 11 inches, and 8 inches, by a depth of 127 feet, 8 inches, with all the improvements thereon, consisting of two stores, brick front, on Illinois street, and measuring mortgage on the property, and 6 per cent interest from the date until paid.

Acts of sale before A. Maurouze, Esq., Notary Public, at the expense of the purchasers. 16
