**Sulphur and Vapor Baths.**

THE undersigned respectfully informs the public that he continues to prepare and administer these Baths at his Perfumery Establishment, No. 253, St. Louis street, between Villere and Robertson.

The known efficacy of these Baths in chronic diseases is known to a great number of chronic diseases of the skin, such as itch, prurigo, tetters, scabbed head, &c. They have been employed with remarkable success in other maladies, which frequently resist the resources of the medical art—such as chronic rheumatism, asthmatic gout, palsy, scrofula, engorgements of the glands, of the breasts, the lymphatic ganglions and joints. Eminent practitioners have been to the highest praise on the remedy, and have a right to expect the greatest benefit of prescribing it for patients who require powerful sudorific agents. The success obtained by this mode of treatment is confirmed by the time this has been placed since the cures were effected.

The undersigned hopes that his efforts to give satisfaction to all those who have honored him with their patronage, will ensure the confidence of patients whose cases require the employment of medicated sulphur or Vapor Baths.

5. This Company or Limited Partnership, shall exist and continue for and during the term of eleven years, commencing on the 5th of April, 1848, and ending on the fourth of April, 1859.

6. The affairs of said Company shall be directed by a Manager, and a Board of Five Directors, to be composed of the Manager and four of the stockholders.

7. Whereas it is understood that by the execution of these presents, Robert Murphy, of the City of New Orleans, doth transfer unto said "Independent Tow Boat Company," all his right and interest in, and to, and under a certain contract by him entered into, the sixth day April, 1846, with James Montgomery, and Samuel Ward, the which contract is deposited in my Notarial Records. Being for the exclusive privilege of using Montgomery's Patent Boiler, for the Towing Trade from the upper line of the City of Lafayette, and extending one hundred miles to sea, and in consideration therefor, the said Robert Murphy is by this act, appointed sole Manager of said "Independent Tow Boat Company," during the term of Partnership of said Company. His duties shall be to manage and transact all the business and affairs of said Company. He shall keep a Commodious Office for that purpose, and appoint a Secretary under him, whose salary, and the salaries of all Agents, Runners, and others he may employ in the transaction of the business aforesaid, as well as the rent, hire and expenses of said Office, shall be at the sole charge and cost of the said Robert Murphy, for which and for his services as Manager aforesaid, he shall be entitled to, and receive as full compensation, a commission of five per cent from the gross earnings of the Boats owned by the Company. The said Manager can only be removed for cause as hereinafter expressed, and by a vote of two thirds of the stockholders.

8. It shall be the duty of the Manager to keep in bound books, a correct record of all the proceedings, transactions, business and affairs of the said Company; as well as a full account of the receipts and disbursements thereof; he shall on the 30th of December, 1848, exhibit to the stockholders an explicit and detailed statement of the affairs and concerns of the Company; and on the first Monday of April, the first Monday of July, the first Monday of October, and the last Monday in December of each and every year thereafter, he shall exhibit a like statement. At the time of each and every such exhibit the nett profits of the Company (if any there be) shall be divided among the stockholders, or their representatives, in proportion to the number of shares by each stockholder respectively owned and possessed; for which dividends a receipt shall be taken in a book to be kept for that purpose.

9. The following persons are hereby named as Directors of the Company, to act as such until the first of January, 1850, viz: Robert McDowell, John Geddes, John Hughes and John O. Woodruff.

10. On the last Monday in December, 1849, and at a corresponding time in each and every year thereafter, a meeting will be called by the Manager, of the stockholders who will proceed to an election of four Directors to serve for the year ensuing, commencing on the first day of January in each year. Each stockholder shall be entitled to one vote for each and upon each share of stock by him owned in said Company. It shall be the duty of the said Directors to meet at the office of the Manager at such times, as by the said Board may be determined upon. They shall take cognizance of the affairs of the Company; they shall examine the statements of the Manager, and thereupon in their good judgment declare dividends of profit s upon the capital stock.

11. In case of death, inability, resignation or removal for cause of the present Manager, a meeting of the stockholders shall be called and a majority of those present shall elect his successor. Ten days notice of such meeting shall be given in two newspapers published in the City of New Orleans. At such meeting the Stockholders shall define his duties, and powers, and the time for which he shall be elected. Should it become necessary before a Successor can be appointed by the Stockholders, a Manager *pro tempore* may be appointed by the Board.

12. The secretary mentioned in the 7th article of this act shall be appointed in the manner following: The Manager may nominate three persons one of whom shall be elected by the Board of Directors. The secretary shall act as Treasurer of this Company, and shall collect and receive all monies on its account, and immediately deposit the same in such Bank as the Directors may designate thereto, to be drawn only on the Checks of the Secretary countersigned by the Manager and for the purposes of said Company. He shall also make all the disbursements of said Company under the approval of the Manager. The Secretary shall furnish Securities for the faithful performance of his duties, in two securities to the satisfaction of the Board of Directors in the sum of not exceeding Ten thousand Dollars, as may be designated by the Board.

13. In case of the death or resignation of any of the Directors, the Board shall elect his successor from the Stockholders for the unexpired term of office, for which the deceased shall have been elected.

14. The "Manager" during his continuance in office shall not sell, transfer, or pledge in any manner, any of the stock by him owned at the time of his appointment, without permission of the Board of Directors.

15. The "causes" of removal of the said Manager, Robert Murphy, as mentioned in the 7th section hereof, shall be deemed to be only proven dishonesty in the management of the affairs of the Company, or proven mental or physical incapacity to conduct the same; but any Manager against whom a charge may be made by a Director or Stockholder, involving any one of said causes of removal, may be "suspended" from his official duties by the Directors, during the investigation of the charges; which investigation shall be immediate, and made and decided within sixty days; and said "suspension" shall cease, whenever such charge made, shall prove to be unfounded. And in case any Manager be suspended on frivolous charges or from malicious motives, such persons making the charges, and the Director voting for such suspension, may be made accountable therefor in damages to such Manager in any court of Law.

16. None of the Stockholders, nor any of their successors as such, shall be responsible for any loss, damage, or liability to any person beyond the amount of the capital stock by them or any of them respectively held.

17. Any Stockholder not paying up his instalments within thirty days after the same shall have been assessed, shall be deemed to have forfeited his Stock to the Company, together with all previous amounts paid thereon.

18. The Stockholders composing the Company, shall have the right to purchase so many Shares as they may deem proper, for the use and convenience of the Boats and the general business, and to sell or exchange the same, and replace them by others at their option.

19. When the Company shall have arrived at the period at which by this Act, said Partnership will expire, all its affairs and concerns shall be wound up and liquidated to the best advantage of the Company, (as they shall deem discreet) by three Stockholders for that purpose, chosen as Commissioners at a meeting of the Stockholders regularly called; and a rate of compensation for their services and the time within which they shall wind up the affairs of the Company, may be defined and declared.

20. Such Commissioners so elected shall have power to collect, sue for, or compound and compromise all debts to the Company due; and sell and dispose of for cash, at public auction or otherwise, all the boats, slaves, property, chattels and effects of the Company. After which, all monies over and above the liabilities of the Company, when the same are settled, shall be apportioned *pro rata* upon the shares owned by the Stockholders.

Thus done and passed at my office in the city of New Orleans, in the presence of William Shannon and Theophile Commagere, competent witnesses, who, hereunto as such, sign their names together with all the said parties, and me, the Notary—the day and year first above mentioned:

**To the Public.**

AS some of the Bakers of this city have taken offence at our remarks last week, concerning the weighing of their Bread, and have thought proper to circulate a report that we had given up the Baking Business, and by such contemptible means succeeded in obtaining many of our Customers, we beg to request our friends not to be deceived by such nonsense; it is true, they have succeeded in getting some of our Bread Drivers from us, which, will give us some temporary inconvenience until our new Carriers become acquainted with their routes: but if they expect to put us down by this kind of opposition, they mistake an American public. We have too much confidence in the community, to suppose they can succeed; we ask our friends for support, and we are sure it will be granted. We are pursuing a fair and honorable competition, and assure the community it is as much to their interest that we should succeed, as it is for our own.
