GERMAN ASYLUM.
A FAIR is old in the erection of the Chapel and Dormitories of the Asylum, which will take place between the 15th and 18th of next month, the revenue of which (when completed) will be the means of relieving the sufferings of the orphans. The patrons and friends of the above establishment are aware that the donors of the ground on which the Asylum is now in course of erection, have, by bequest, that there should be a Chapel built, in order to secure the above property for the Orphans, rooms, gallery on the upper floor, the treasury being nearly exhausted, an appeal to the Ladies of the city and vicinity has been made necessary, in whom we feel assured they will cheerfully have the most unbounded confidence—having ere this experienced the benefit resulting from their generous patronage in A. D. 1846, and it would be incomplete if it should not reflect on them that credit so obtained, now, removed as it is, from the glory of a Fair, which, if it ever should dawn as approving smile, on efforts so magnanimous, is uncertain. In conclusion, we beg of all those favorably and benevolently disposed, to call on Madame Bejtac, Royal st. (at their earliest convenience) to make arrangements for the tables, contributions, &c. &c.
