SUNDRIES.

Marriages of British Subjects in Foreign Countries—Registration thereof, and of Births and Deaths.

AN ACT for "Facilitating Marriages of British subjects residing in Foreign Countries, having been passed in the fifth session of the Imperial Parliament, 19 and 13 Vict., it became the duty of the undersigned to give public notice thereof, for the benefit of all those whom it may concern.

It is thereby enacted, "That all marriages (neither one of the parties thereto being subject or a subject of this realm) which shall be solemnized in the manner in this act provided, in any foreign country or place, where there shall be a *British Consul duly authorized* to act in such foreign country or place, under the act, shall be deemed and held to be as valid in the law, as if the same had been solemnized within Her Majesty's dominions, with a due observance of all forms of law."

The act provides for the solemnization of marriage at the Consulate, with license or short notice, and without license at long notice, by the Consul, or in the presence of the Consul by some proper person to be allowed by him, according to such form and ceremony as the parties thereto may see fit to adopt.

It also provides for the registration of such marriages, and that a true copy be transmitted to England, to be preserved as a record at the office of the Registrar General.

British Consuls are likewise instructed to keep a register of Births and Deaths of British subjects, when thereto required, so as to facilitate the proof of these important events.

This valuable provision of a general system of Registration of Marriages, Births and Deaths, is evidently intended to preserve all the rights of British subjects and their descendants, in the same manner as if they remained in their native country.

JEFFERSON ACADEMY,
53 *Bourbon street, New Orleans.*
CONDUCTED BY J. G. LEON.

THE plan of this Institution comprises a general and extensive system of education. Pupils are admitted at six or seven years of age; and can continue till their education is complete, or till they are prepared for their future pursuits in life.

They are distributed into classes according to their talents and advancement.

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation; every necessary convenience is combined for an institution of learning on a large scale.

The Professors are gentlemen of talents, chosen with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.

Day and Boarding School for Young Ladies.

Founded in 1838, by Madame Lairis, and conducted since 1843, by MADAME DESRAVAUX; Burgundy street, between Customhouse and Bienville streets, New Orleans.

MR. and MRS. DESRAVAUX, formerly in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, June 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not sit, sleep, or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching the period of pregnancy, should be without it. Her neglect to take it, is it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching nearer the end of life, when its assistant nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not as the stimulating liquors do to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease. Thousands have suffered and thousands many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for stirring the stomach, liver, and relaxing the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food, gives the mother the power to nourish her child, and at the same time, invigorates the body. It is one of the best tonics.

SPRING AND SUMMER MEDICINES.

ever known; it not only purifies the whole system—it strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cases of severe complaints, and at least 15,000 of these were considered incurable. It has saved the lives of more than 5000 children during the two past seasons.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a word, it cures everything.

Consumption Cured.

Cissus and Strengthen—Consumption can be cured, Irremedy, Liver Complaint, Dyspepsia, Dropsy, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Hectic Flush, Night Sweats, Difficult Breathing, Expectoration, Pain in the Side &c., have been and can be secured.

Spitting Blood.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for many years had a bad cough, it became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change brought about. I can now also to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Cattarine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, June 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not sit, sleep, or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

Dr. Townsend's Sarsaparilla.

These are facts publish that Dr. Townsend is no Physician. This, like all other statements, is false. Dr. Townsend attended two of the best medical schools in the country, has studied the different systems of medicine, and practised for the last fifteen years; has experimented several years and expended large sums of money in bringing his medicine to perfection.

☞ Among other recommendations of this article it is warranted to keep sweet in all climates.

☞ Prepared and sold by J. P. TOWNSEND M. D., 126 Fulton street, New York. ☞ All persons who want the Original and Genuine S. P. Townsend's Sarsaparilla, should look for the general satisfaction in this city during the last three years, can procure the same of the *Only Agents* for New Orleans.
