GOOD TESTIMONY.
The Ohio Stars Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:
IT HAS NO EQUAL.—The unprecedented sale of Bull's Compound and Sarsaparilla, continued in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who tried it, warrants the assertion that as a purifier of the blood IT HAS NO EQUAL. This is a bold assertion, but it can be substantiated by children in this city and elsewhere.
☞ Bear with us a reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!!
And that it will cure you no matter how long you have been suffering.
What Dr. Chase, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:
LOUISVILLE, May 31, 1848.
Mr. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with your, three bottles of which gave me more relief than all the others combined.
I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, to see what great relief it has for them, if they will use the infallible remedy.
Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and gives me the enjoyment of my general health, more than any medicine I have ever used.
I have been free of pain for several months, and have no doubt the cure is permanent, and can I cordially recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS,
Uniontown, Union Co., Ky. May 12, 1848.

California.

From Dr. Wm. T. Prentiss:
Mr. BULL:—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capetis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and my physicians will admit its value from the substances that enter into its composition.
Respectfully yours W. T. PRENTISS, M. D.
Lexington, Ky. Dec. 4, 1847.
It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let the sick, the afflicted, the enfeebled, the aged, the young, the pale, the weak, under chronic diseases, general derangement, nervous debility, weakness, the effects of mercury, or any thing of the kind, give it a fair trial, and from thousands throughout the land who stand in need of it let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In fact, how numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and desultory, that a tonic and invigorant, when the face is pale and colorless, the strength feeble and yielding, the spirit troubled and depressed, the pulse quick and irregular, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of its functions, invigorates the system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and restores the female to health. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them. Many a mother and health would take the place of disease, the rosy cheek would succeed the pale face; we should have amiable children of tears, and happy mothers instead of one sad short by disease, or made miserable from continued suffering and affliction. At that critical period when nature is about to leave the infant attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this period should be apprised of the fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. How often do we see persons resorting to Fashionable Saloons, and spending hours in the hands of the fashionable Hairdresser, resorting to cosmetics, lotions, washes, paints, and enslaving materials to restore to them a complexion, which they have unfortunately lost, or never had, that has, often times, with manifest injury to the skin. The fact is, Bull's Sarsaparilla is the best known, it is the only one that can produce the effect and only true principles, not by coating the surface with poisonous or deleterious matter, which serves to cloak the deformity, but it purifies the blood by removing every particle of bilious, morbid and diseased matter from the blood, making the same pure, healthy and vigorous, and not only to every minute vessel, and changing the yellow, dark and sallow complexion to the bloom and freshness of youth. If the fashionable Fashionable, would be fair and convinced of this fact, they would abandon the use of all paints, mixtures and lotions, and use the only effectual remedy. A word to the wise is sufficient, and a hint is enough for the ladies.

BETTER TESTIMONY.

Then was prophesied of Bull's Sarsaparilla! Now its fulfilled! Mr. Moore:

Mr. JOHN BULL—I have no hesitation in saying, that I believe your Sarsaparilla to be the best article ever manufactured for the purpose of Scrofula, Syphilis and many other cutaneous and Glandular Affections, having used it with entire success in a number of the above cases. JAS. M. MOORE.
Louisville, Dec. 26, 1847.
Moore testimony from Dr. Moore.
Mr. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that has been offered to the public.
Yours, JAS. M. MOORE, M. D.
Winchester, Ky., February 1, 1848.
Testimony like the foregoing becomes superfluous all further comments upon the efficacy of Bull's Sarsaparilla.
From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.
"I have noticed over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable.
L. P. YANDELL, M. D.
Louisville, June 6, 1848.
Wm. Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:
LOUISVILLE, March 20, 1849.
I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.,
Resident Physician, Louisville Marine Hospital.

From the People's Journal, Quincy, Ill.]
BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lung and believe we have experienced some benefit. Lung and in time gone by two bottles of R. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received as much benefit from the latter as from the former.
This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—may, those that are grievously tormented. Certificates are daily coming in, from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.
Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, ky., and by the Druggists generally in the city and country.
