MEDICAL.

[illegible]

BULL'S FLUID EXTRACT OF SARSAPARILLA [illegible] strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest curative agent in the known world!*

THIS MEDICINE,
WHEN USED ACCORDING TO DIRECTIONS
Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposure or imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, the Ohio,) speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood IT HAS NO EQUAL! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

☞ Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

Mr. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article.
Very respectfully,
J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what they also be done for them, if they will use the infallible remedy.

Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism.
ISHAM BRIGGS,
Uniontown, Union Co., Ky. May 12, 1848.

From Dr. Wm. T. Prentiss:

Mr. BULL:—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Prurigo, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.

Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to produce any farther testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic disease, general derangement, nervous debility, weaknesses, the effects of mercury, or any thing of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the effects of nature are weak and deficient, or are profuse and over-wrought, when the face is pale and colorless, the strength feeble and gait limp, the spirit troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It at last, nature in the performance of her duty: braces the whole system, removes permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists; health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a happy long life instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the "Turn of Life," which is often attended with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. How often do we see persons not possessing this desideratum so devoutly to be wished, resorting to cosmetics, lotions, washes, paints and coloring materials to restore to them a semblance of that which disease has deprived them of, and that, too, often times, with manifest injury to the skin. The fact is, Bull's Sarsaparilla is the best known. It makes the skin clear and white, perfect and only true principles, not by coating the surface with poisonous or deleterious matter, which serve to close the pores and check a perspiration, but by removing every particle of bilious, morbid and diseased matter from the blood, making the same pure, healthy and vigorous: giving activity to every minute vessel, and changing the pallid, dark and sallow countenance to the bloom and freshness of youth. If the ladies generally, could be apprised and convinced of this fact, they would abandon the use of all paints, mixtures and lotions, and use the only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the ladies.

BETTER TESTIMONY.

Than was ever offered Mooreoaydaaf! From Dr. James M. Moore:

Mr. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous affections, having used it with entire success in a number of the above cases. JAS. M. MOORE.
Louisville, Dec. 26, 1847.

Moore testimony from Dr. Moore.

Mr. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.
Yours, JAS. M. MOORE, M. D.
Winchester, Ky., February 1, 1848.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla:

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable.

Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 29, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.
Resident Physician, Louisville Marine Hospital.

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 00, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

LOUIS DUFAU, PRINCIPAL.

THE Principal of this new establishment is in hopes of having founded an institution which may offer to the youth of Louisiana the same resources and advantages as the Colleges of the North and of Europe. In order to achieve this object, he has associated with himself the most distinguished Professors of New Orleans.

The Principal will spare no pains, and will endeavor constantly to develop in his pupils the moral attributes, as well as to cultivate the faculties of the mind. He considers that it is as important to bring up children in all as to instruct them well, and he is convinced that the education of the mind and heart is [illegible] in order to be fruitful and solid, may rest on a base of morality and religion.

The course of study in the College of Louisiana will comprise instruction in the dead and Living Languages, (Greek, Latin, English, French and Spanish,) History, Geography, Philosophy, Rhetoric, the Mathematical and Natural sciences, Political Economy, Chemistry, Belles Lettres, &c.

English, being the National Language, will be the foundation of instruction in the College of Louisiana, and the greatest portion of the classes will recite in English. English Professors have already been engaged by the Principal. Mr. Orton, well known in New Orleans, will take charge of the higher classes; another, whose native language likewise is English, will remain constantly with the pupils, in order to accustom them to speak correctly the language of their country. Particular attention will be paid to the History of the United States.

The course of instruction will be in four classes.

TERMS:

First Class, per month	$8 00
Second Class, per month	7 00
Third class, per month	6 00
Fourth Class, per month	5 00

Extra charge will be made for Music, Drawing, Painting, Dancing and Fencing, all of which will be taught in the establishment.

PRIMARY SCHOOL.

Boarders and half boarders are received in the establishment, to whom the same care and attention are observed as when at home, so far as discipline and good order will permit.

Terms—Boarders, per month	$25 00

For further particulars, application may be made to the Principal, every day except Sunday. The public are invited to visit the establishment, where they can procure prospectuses. [illegible]

ORLEANS HIGH SCHOOL,
NO. 38 AND 39 ESPLANADE STREET.
Erastus Everett, A. M.,
Principal and Proprietor.

THIS Institution, for the education of young gentlemen, was opened in April 1843, by Mr. Everett in company with other Professors, and was secured for itself a place among the best Seminaries in the South.

The buildings and play-grounds have been carefully adapted to all the accommodations of a Day School.

The various branches of knowledge are taught by Mr. Everett and a corps of Assistant Professors, selected with a view to good character, sound learning, and experience in teaching.

The English classes are taught by Mr. Everett solely, and he will give, as heretofore, all diligence in imparting to the students of the School an accurate knowledge of the language of the land. To the higher classes is given, in connection with Rhetoric, a course of English and French Literature.

The course of study embraces the Grammar and Literature of the Greek, Latin, English, French and Spanish Languages; History, Geography, Rhetoric, Versification, Logic, Political Economy, Moral Philosophy, Book-keeping, Arithmetic, Algebra, Geometry, Trigonometry, Natural Philosophy, and Chemistry.

As the Modern Languages, (particularly the English and the French) and the higher Mathematics receive very special attention, the School offers singular advantages to boys designed for mercantile pursuits.

☞ The annual organization of the elementary classes has been recently completed, and as they are instructed almost exclusively by the Principal and are under his immediate supervision during the whole day, he can answer for their rapid progress in English, French, Arithmetic and Writing.

NEW ORLEANS FEMALE INSTITUTE,
OR,
DAY AND BOARDING SCHOOL,
FOR YOUNG LADIES,
252 CAMP STREET.
Conducted by Mrs. Macaulay.

THIS Institution is under the personal supervision of Mrs. MACAULAY, and the classes advanced in literature, science, and philosophy are under the care of Dr. Macaulay. The most accomplished teachers are employed in giving instructions in the French, Spanish, and Italian languages, also in Drawing and Dancing. The piano, harp, and guitar, as well as vocal music, are taught by professors of the highest grade of qualifications.

There are now eight instructors in the Institution, and it is the aim of the Principals to make it, in all respects, such as parents may desire for their daughters. Every care is taken not only to instil pure morals, and promote habits of correct, ladylike deportment in the pupils, but to make them intelligent as well as accomplished, and, consequently, fit them for society and future usefulness.

Young ladies from the country, living in the family as boarders, share in the enjoyments, privileges and attentions of daughters, and are uniformly treated, not so much as members of a boarding school, as daughters of an affectionate family.

To the establishment is attached a large and well selected library; and to create a thirst for the acquisition of general knowledge as to the improvements and changes that are continually taking place in the literary, scientific and political worlds, leading Periodicals of a truly valuable character, and standard books of reference, are at the command of the young ladies well advanced in school education, for the important purposes of teaching them to acquire useful knowledge for themselves, by means of research and examination.

Monthly reports issued, as to progress and conduct.

A class for the study of the Latin language, will be formed on the first of November, and due on the use of the Globes.

References are made to parents who have had their daughters at the Institution for years, and further particulars and circulars can be obtained by applying, personally, or by letters addressed to Dr. or Mrs. Macaulay.
