Forty acres adjoining the College have been provided for its use, and one mile and a half from the town, an excellent farm, where the pupils may spend their days of recreation.

**Council of Municipality No. One.**
*Report presented at the Sitting of Monday, November 17th, 1851.*

REPORT OF THE FINANCE COMMITTEE.

The Finance Committee, in accordance with the law which requires that before the Council of Municipality No. One shall determine on the amount of taxes to be assessed, they shall make out a budget or estimates exhibiting the different items of expenditures, including the amounts necessary for contingent expenses, to be incurred during the current year, which estimates shall be published in the official paper of Municipality No. One, in French and in English, during thirty days previous to the meeting when the Council shall decide on the amount of taxes to be assessed—submit to your honorable body the annexed exhibits or statements; and in accordance in standing resolution, notice is hereby given that thirty days after the first publication of the following budget, the Council will proceed to fix and determine on the amount of taxes to be levied on the assessment roll of 1852.

No. 1 presents the probable receipts and expenditures from 1st January up to 31st December, 1852.

No. 2 exhibits the estimates of Surveyor's Department.

No. 3 shows the assets and liabilities of Municipality No. 1.

No. 4 exhibits the amount of taxable property within Municipality No. 1.

In relation to Document No. 1, your Committee begs leave to call your attention to this fact, that there is an estimated excess of expenditures over receipts of $102,725 72 cents to meet which, a tax of 2 5-16 p c should be required, but your Committee having every reason to believe that a considerable portion of the floating debt can be funded under the resolution of this Council, passed on the 28th day of April, 1851 authorized by the laws of 1847, are of opinion, that a tax of 1¼ p c shall be sufficient to meet the above mentioned excess, and current expenditures of this Municipality during the year 1852.

Your Committee will observe that the tax now proposed is not as high as the one imposed last year, although it appears so far, the Council imposed a tax of 1¼ p c for the year 1851, ¾ to be collected by the Municipality, and one to be collected by the Board of Liquidators, which Board never collected the same, and is declared unconstitutional, by the Third District Court, and that the tax of 1¾ p c now proposed is estimated to cover both the expenditures of the current year, and the portion of interest of the old city debt now to be assumed by this Municipality.

Your Committee therefore, recommend the adoption of the following resolution:

*Resolved*, That a tax of one and one-half per cent be and is hereby levied on all capital, real estate and slaves within the limits of this Municipality, according to the assessment roll made for the year 1851.

Signed, PAUL PECQUET, Ch'n
H. L. PRIAS,
T. N. BLAKE

RUSHTON, CLARK & CO'S CELEBRATED GENUINE MEDICINAL COD LIVER OIL.

THIS valuable remedy, introduced by us to the notice of the Medical Profession but little more than two years since, has, during that short period advanced more rapidly in the public estimation than any remedy yet discovered for this direful destroyer of the human race. It has been used with the most signal and gratifying success, even in cases considered hopeless and in the late reports of the New York and Pennsylvania Hospitals, on its use, it is spoken of as being more valuable than any remedy yet discovered for Consumption and Pulmonary Affections, and it has the great advantage over all other remedies, that instead of reducing, it increases the strength and flesh of the patient, thus enabling Nature to co-operate with the remedy, and overcome the disease.

Owing to the purity and superior quality of the Oil of our manufacture having given it a popularity over all others, several persons have copied the shape and style of our bottle in order to palm off inferior quality and adulterated Oil, and as the article, unless pure, is, in most cases, worse than useless, we would call particular attention to our Signature, which is over the cork of each bottle, without which it is not genuine. Be particular and enquire for Rushton, Clark & Co's Cod Liver Oil, and see that the Signature is over the cork.

For sale by N Harris & Co, J Wright & Co, Sickles & Co, Randolph & Pope, and by Druggists generally, where pamphlets may be had giving the history and use of the oil. o26 3m
