# MEDICAL.

**BULL'S SARSAPARILLA.**
[illegible] strength of SIX TIMES as great [illegible] Sarsaparilla as any similar preparation made in America.
Price $1 per bottle, or six bottles for $5.
IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical test, and its genuineness ascertained before being used.
Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest cure to the agent in the known world!*
THIS MEDICINE,
WHEN USED ACCORDING TO DIRECTIONS
**Will Cure Without Fail!**
Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.
GOOD TESTIMONY.
The Ohio State Journal, (Columbus, thus Ohio,) speaks of Bull's Sarsaparilla:
IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months ONLY, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood IT HAS NO EQUAL! This is a bold assertion, but it can be substantiated by calling on the agent in this city.
Bear with us reader, a little longer, and be convinced that BULL'S "SARSAPARILLA" is the WONDER OF THE WORLD!
And that it will cure you no matter how long you have been suffering.
What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:
LOUISVILLE, May 31, 1848.
MR. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Head ache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.
I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.
RHEUMATISM.
Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.
MR. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.
I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS,
Uniontown, Union Co., Ky. May 12, 1848.
From Dr. Wm. T. Prentiss.
MR. BULL—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.
It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases general derangement, nervous debility, weaknesses, the effects of mercury, or any thing of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.
NOTICE TO FEMALES.
John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, where the structures are weak and deficient, or are profuse and over wrought, when the face is pale and colorless, the strength feeble and yielding the spirit troubled and depressed, the health broken, mind restless, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It was its nature in the performance of her duty braves the whole system, renews permanently the natural energies, removes obstructions, checks excessive discharges; pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists, health would take the place of disease, beauty and bloom would succeed the pallid face, we might every day see, instead of tears, and perhaps a happy long life instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the 'Turn of Life,' which is often attended with so much danger. Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.
A BEAUTIFUL CLEAR SKIN.
How we all admire a clear, beautiful white skin, and a rosy colored cheek. How many there are, persons not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, lotions, washes, paints, and coloring materials to produce a resemblance of that which disease or neglect has deprived them of, and that too, often times, with positive injury to the skin. The fact is, Bull's Sarsaparilla is the best known. It makes the skin clear upon the surface, and only true principles, not by coating the surface with poisonous or deleterious matter, which serve to close the pores and check perspiration—but by removing every particle of the morbid humors, diseased matter from the blood, and rendering it pure, healthy and vigorous giving a clear, transparent, sallow countenance to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon the use of all paints, mixtures and lotions, and use this only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the ladies.
BETTER TESTIMONY.
*Than was ever offered Misceneousdanf!*
*From Dr. James M. Moore.*
MR. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphylis, and many other cutaneous and Glandular Affections, having used it with entire success in a number of the above cases. JAS. M. MOORE.
Louisville, Dec. 26, 1847
Moore testimony from Dr. Moore.
MR. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease. Yours, JAS. M. MOORE, M. D.
Winchester, Ky., February 1, 1848.
Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla:
From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.
"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one well calculated in Chronic diseases, to which it is applied."
L. P. YANDELL, M. D.
Louisville, June 6, 1848.
What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:
LOUISVILLE, March 30, 1849.
I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.,
Resident Physician, Louisville Marine Hospital.
[From the People's Journal, Quincy, Ill.]
BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.
This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—aye, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.
Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.

**Dr. Ed. Martin's Vermifuge Syrup.**
*Without any disagreeable Taste or Smell.*
THE MELIA AZEDARACH, (Pollia Bipinnata, Linnaeus' Class X Decand: Monogyn:—Jussieu, Class XIII, order II, Meliacea—Tournefort, Class XXI, Arbres vosacea,) one of the most beautiful ornaments of our forests, the root of which, for some time past has been, by a few persons, justly reputed the best vermifuge known, supplies us with the principal agent in the above named remedy.
Having sought with the greatest care in the bark of the root of this tree, the active principle which produces such excellent results in vermicidous affections of children, we have succeeded in extracting it in its purest state and by combining it with other tonic plants which are really all indigenous to Louisiana, have arrived at composing the above VERMIFUGE SYRUP, the efficacity of which is now beyond the shadow of a doubt.
This Syrup, of an agreeable flavor, can be administered without the slightest apprehension to the most delicate children. Its use continued during three days, the doses being given at shorter intervals as the child may be older and stronger, will infallibly expulse all those intestinal worms which are the source of so many diseases, dangerous and often fatal to children.
Some mothers, rendered timorous by the frightful results of the various vermifuges hitherto employed, have given it to their children, but in doses extremely small; this has, in such cases, rendered the effect incomplete, and might have injured the standing of this remedy, had not several of our most experienced practitioners, by judiciously prescribing it and regulating the doses adapted to the different ages tested and established its excellent virtues.
To avoid debilitating the little patients by too severe a diet, we have modified the doses originally prescribed, in the following manner:
Children 2 to 5 years old, three tea spoonfuls a day, at an interval of from 1 to 2 hours. Above five years old, three table spoonfuls at the same intervals. No nourishment to be given between the first and third dose, nor within an hour after the third.
The SYRUP must be administered during three consecutive days. Composed entirely of vegetable extracts, this Vermifuge does not produce any of the pernicious effects which have often followed the use of those hitherto in use.

**[illegible] Municipality No. One.**
[illegible] December 17th, 1851.
REPORT OF THE FINANCE COMMITTEE.
The Finance Committee, in accordance with the law which requires that before the Council of Municipality No. One shall determine on the rate of taxes to be assessed, they shall make out and publish schedules exhibiting the different items of expenditures, including the amounts necessary for contingent expenses, to be incurred during the current year, which estimates shall be published in the official paper of Municipality No. One, in French and in English, during thirty days previous to the meeting when the Council shall decide on the amount of taxes to be assessed—submit to your honorable body the annexed exhibits or statements; and in accordance to said statements, notice is hereby given that thirty days after the first publication of the following resolution, the Council will proceed to fix and determine on the amount of taxes to be levied on the assessment roll of 1852.
No. 1 presents the probable receipts and expenditures from 1st January up to 31st December, 1852.
No. 2 exhibits the estimate of Surveyor's Department.
No. 3 shows the assets and liabilities of Municipality No. 1.
No. 4 exhibits the amount of taxable property within Municipality No. 1.
In relation to Document No. 1, your Committee begs leave to call your attention to the fact, that there is an estimated excess of expenditures over receipts of $402,785 72 cents to meet which, a tax of 2 5-16 p. c. should be required, but your Committee having every reason to believe that a considerable portion of the floating debt can be funded under the resolution of this Council, passed on the 29th day of April, 1851, authorized by the law of 1847, are of opinion, that a tax of 1½ p. c. shall be sufficient to meet the above mentioned excess, and current expenditures of this Municipality during the year 1852.
Your Committee will observe that the tax now proposed, is not as high as the one imposed last year, although it appears so far, the Council imposed a tax of 1¼ p. c. for the year 1851, ⅞ to be collected by the Municipality, and one to be collected by the Board of Liquidators, which Board never collected the same, and is declared unconstitutional, by the Third District Court, and that the tax of 1½ p. c. now proposed is estimated to cover both the expenditures of the current year, and the portion of interest of the old city debt now to be assumed by this Municipality.
Your Committee therefore, recommend the adoption of the following resolution:
*Resolved*, That a tax of one and one-half per cent be, and is hereby levied on all capital, real estate and slaves within the limits of this Municipality, according to the assessment roll made for the year 1852.
(Signed) PAUL PECQUET, Ch'n.

**"CONSUMPTION."**
**RUSHTON, CLARK & CO'S CELEBRATED GENUINE MEDICINAL COD LIVER OIL.**
THIS valuable remedy, introduced by us to the notice of the Medical Profession, but little more than two years since, has during that short period advanced more rapidly in the public estimation than any remedy yet discovered for this dread destroyer of the human race. It has been used with the most signal and gratifying success, even in cases considered hopeless, and in the late reports of the New York and Pennsylvania Hospitals, on its use, it is spoken of as being more valuable than any remedy yet discovered in the Consumption and Pulmonary Affections, and a still the great advantage over all other remedies that instead of reducing it increases the strength and flesh of the patient, thus enabling Nature to co-operate with the remedy, and overcome the disease.
Owing to the purity and superior quality of the Oil of our manufacture having given it a popularity over all others, several persons have copied the shape and style of our bottle, in order to palm off inferior quality and adulterated Oil, and as the article, unless pure, is, in most cases, worse than useless, we would call particular attention to our signature, which is over the cork of each bottle, without which none are genuine. Be particular and enquire for Rushton, Clark & Co's Cod Liver Oil, and see that the Signature is over the cork.
For sale by N. Jarvis & Co, J Wright & Co, Sickles & Co, Randolph & Pope, and by Druggists generally, where pamphlets may be had gratis, giving the history and use of the oil. d63 3m

**GOURAUD'S**
**ITALIAN MEDICATED SOAP.**
LANGUAGE is powerless to set forth one tithe of its wonderful properties, but the high need of public approbation has so decidedly and unchangeably stamped the superiority of this over all others, that it is not necessary to enumerate its power of tan, freckles, sunburn, sallowness, pimples, ringworm, obstinate old sores, salt rheum, worms in the skin, and other cutaneous disfigurements, is to urge in doubt of the existence of truth itself. It is, besides, the very best shaving compound ever used.
Equally famous is Gouraud's Poudre Subtile, for eradicating superfluous hair from any part of the body.
Gouraud's Hair Restorative, or Circassian Gloss, is a beautiful preparation for the hair, preventing its falling out, increasing its growth, and making wiry, harsh hair, soft, silky and and glossy. Trial bottles, 25 cents each.
Gouraud's Liquid Hair Dye will instantly change red or grey hair to a beautiful brown or black.
Gouraud's Liquid Rouge is a superb article for giving a rosy stain to pale lips and cheeks, defying detection by rubbing.
Gouraud's Lily White is an unrivaled production for rough, flushed, sluggish complexions.
Dr. Felix Gouraud's preparations can only be had genuine at his sole depot.

**New York Wire Railing Works.**
PUBLIC attention is invited to a new improvement in manufacturing Iron Railings, Grating &c., made from Iron rods and Wrought Iron, designated
WIRE RAILING.
It is the most BEAUTIFUL ENCLOSURE for public or private grounds, farms, cemeteries, balconies, verandahs, arbors, etc. etc.
WINDOW GUARDS AND GRATING,
For stores, dwellings, lunatic asylums, prisons, steamships, &c. Iron Bedsteads, with wire sackings, tree guards, coal and ore screens, and a variety of articles too numerous to mention, which this invention is susceptible of possessing conveniences never before known, resulting from the improvement for which this article was patented. For elegance, combined with strength, for the beauty of its innumerable variety of designs, and especially for cheapness, (at one half less than cast iron,) it is altogether unrivalled by any thing as yet offered to the public. The plan of crossing the rods is so contrived that each binds the other, and thus a mutual support is given to each individual part of the whole structure. It is believed that fabrics formed of the largest wire, and manufactured in this manner, will endure at least five times the violence that a Cast Iron Railing in ordinary use is capable of withstanding. Prices vary from 30 cents to $2 per lineal foot. The subscriber also manufactures
WIRE FENCES,
For enclosing farms, railroads, parks, lawns, etc., guaranteed to resist cattle, horses, sheep, etc., which are becoming entirely used, and greatly distinguished by lightness of appearance and elegance of form, being imperceptible at a short distance, the view is thus uninterrupted, the prospect uninjured, and the beauty of landscape unimpaired. The fence is made on an entirely new plan, being portable, yet secure. The whole may be taken down and transported with the same facility as ordinary iron rods. Price from $1 50 to $3 per rod, including Iron Posts, from 12 to 16 feet apart.
Inquiring orders addressed to the Proprietor meet with prompt attention.
