MEDICAL.

BULL'S SARSAPARILLA,
is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

☞ *Price $1 per bottle, or six bottles for $5.*

IT HAS been a well established fact for years past, that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without any regard to price, and every pound before being used, is subject to the strictest chemical test, and its genuineness ascertained before being used.
Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the greatest curative agent in the known world.

This medicine when used according to directions
Will cure without Fail!!!

Scrofula or King's Evil, Cancers, Tumors, Eruptions of the skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetters, Rheumatism, Scald head, Pains in the bones or joints, Old Sores or Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys. Diseases arising from the use of Mercury, Loss of appetite, Pain in the side and shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary affections, and all other Diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous headache, Night Sweats, Exposures or imprudence in life, Chronic constitutional Diseases and is a spring and summer drink and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

Good Testimony.

The Ohio State Journal, (Columbus, O.,) thus speaks of Bull's Sarsaparilla:
"IT HAS NO EQUAL—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it can be substantiated by calling on the agent in this city."
Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD.
And that it will cure you no matter how long you have been suffering.
What Dr. Owen, Druggist and Apothecary of seventeen years standing, says about BULL'S SARSAPARILLA.
Louisville, May 31, 1848
Mr. John Bull—Dear Sir: For a number of years I have been afflicted with a sorrowful headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottle of which gave me more relief than all the others combined.
I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.
Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use this infallible remedy:
Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain. I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health.
I have been free from pain for seven months, and I have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for Rheumatism.
ISHAM BRIGGS.
Uniontown, Union co Ky., May 12, 1848.

From Dr. Wm. T. Prentiss:
Mr. Bull—In regard to your Sarsaparilla, I will say, that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lupus, Prurigo, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of extra means to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit that, upon learning the substances that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to procure any farther testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior value. [illegible] all who are laboring under chronic diseases, general debility, nervous debility, weakness, the effects of mercury, everything of the kind give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will never regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and wasting, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It exerts salutary influence [illegible] [illegible]

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. [illegible] [illegible]

BETTER TESTIMONY.

From Dr. James M. Moore.
Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other Cutaneous and Glandular Affections, having used it with great success in a number of the above cases.
JAS. M. MOORE.
Louisville, Dec. 26, 1847.

More Testimony from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several cases of [illegible], and with happy effect. I am more confident it is one of the most efficacious medicines that can be made for that disease.
Yours, JAS. M. MOORE, M. D.
Winchester, Ky. Feb. 1, 1848.

Testimony like the following renders superfluous all further comment on the efficacy of Bull's Sarsaparilla.
From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.
I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound and one that promises well in chronic diseases to which it is applicable.
L. P. YANDELL, M. D.
Louisville, June 8, 1848.

What Dr. Pyles, Physician, by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla:
Louisville, March 30, 1849.
I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.
M. PYLES, M. D.,
Resident Physician, Louisville Marine Hospital.

From the People's Journal, Quincy, Ill.
BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used it some time by, two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit from its use.
This medicine is daily grappling with disease, throughout the western country, restoring to blooming health and youthful vigor, the sick and afflicted—they, these that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, lauding it, from its intrinsic worth, the very best of all Sarsaparillas before the public.
Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth st, Louisville, Ky, and by the Druggists generally in the city and country.

NEW ORLEANS FEMALE INSTITUTE, DAY AND BOARDING SCHOOL,
For young Ladies, 262 Camp st.,
Conducted by Mrs. Macaulay.

THIS Institution is under the personal supervision of Mrs. MACAULAY and the class advanced by literature, science and philosophy, under the direction of Dr. Macaulay. The most accomplished teachers are employed in giving instruction in the French, Spanish and Italian languages, also in drawing and dancing. The piano, harp and guitar, as well as vocal music, are taught by professors of the highest grade of qualifications.
There are now eight instructors in the institution, and it is the aim of the principals to make it, in all respects, such as parents may desire for their daughters. Every care is taken not only to instil pure morals, and promote habits of correct, lady-like deportment in the pupils, but to make them intelligent as well as accomplished, and consequently, fit them for society and future usefulness.
Young ladies from the country, living in the family as boarders, share in the enjoyments, privileges and attentions of daughters, and are uniformly treated, not as mere inmates but as members of a boarding school, as daughters of an affectionate family.
To this establishment is attached a large and well selected library, and to create a thirst for the acquisition of general knowledge as to the improvements and changes that are continually taking place in the literary, scientific and political worlds, leading Periodicals of a truly valuable character, and standard books of reference, are at the command of the young ladies well advanced in school education, for the important purposes of teaching them to acquire useful knowledge for themselves, by means of research and examination.
Monthly reports issued, as to progress and conduct.
A class for the study of the Latin language, will be formed on the first of November, and one on the use of the Globes.
References are made to parents who have had their daughters at the institution for years, and further particulars and circulars can be obtained by applying, personally or by letter either to Dr. or Mrs. Macaulay.

G. Boyer's Institution,
No. 148 Conti street, between Dauphine and Burgundy.

MR. G. BOYER, founder of this establishment, the oldest in New Orleans, avails himself of this opportunity to make a new appeal to the confidence of parents. The institution is conducted in a large airy house occupying a fine central position being well ventilated, and under other respects perfectly salubrious. The large studies which engage the attention of the pupils, extend over all the branches of learning, which are necessary to useful, polite and finished education, from primary instruction, to the more elevated studies which are especially the province of a collegiate course. The elementary studies are attended to with more than ordinary care, considering the decisive influence which they exercise over the other branches of instruction. Discipline, which must not be separated from instruction, to be kept up in good education, is conducted with assiduity. It is regulated according to the age and character of the pupils, and intended to give them an accurate idea of duty and good behavior.

ST. LOUIS INSTITUTION.
DIRECTED BY
Madame E. Deron,
No. 145 St. Louis street, between Dauphine and Burgundy streets, New Orleans.
SCHOLASTIC YEAR, 1851-1852.

THIS institution which for the last twelve years has followed a constant career of progress and prosperity, has resumed its usual course of studies since the first September.
Madame Deron, formerly a pupil and professor of the "Maison Royale de St. Denis," and a graduate of the University of France, has endeavored to profit by the experience which she has acquired in the United States, to place her Institution in the first rank of educational establishments in America.
Madame Deron, exclusively devoted to her pupils, applies herself not only to the cultivation of the mind, but also to the formation of the heart. She strongly desires that the young ladies confined to her care, may be reared out of all those valuable qualities which constitute a really good education, such as the spirit of order and decorum, amiability of temper, and solidity of judgment, mildness of manners and a sympathising disposition, and finally, easy grace and reserved elegance of manners. In order to obtain these results, Madame Deron has always employed as auxiliaries both firmness and mildness, the constant use of emulation, and especially rewards for application and regularity in study. She is seconded by her sister-in-law, Mademoiselle Deron, who, like herself, has always followed the career of instruction: these two ladies watch with the greatest zeal over the daily progress of the pupils.
The locality of the institution well known and appreciated in New Orleans, as one of the most suitable and salubrious in the city, is perfectly well arranged; the class and bed rooms and dormitories are spacious and airy, looking over several gardens, and there are besides a handsome yard and a terrace sheltered from the sun and intended for the recreation of the pupils.
The general instruction is given both in French and English; it embraces all the branches which constitute a finished education for young ladies. The English language, the object of especial care, the Creole pupils are rendered familiar in their communications with each other, and with their professors, to speak the English language exclusively.
Mr. Geraud, who has been attached to the Academy from its foundation, devotes a great part of his time to impart to the pupils of the higher classes, a thorough knowledge of the English language and literature, the other classes are entrusted to well qualified American governesses.
Madame Deron has reserved to herself the direction of the French classes. She has besides secured the services of an excellent Professor of the higher sciences, Monsieur H. Jogues, who divides with Monsieur H. Deron and Madame Deron, the care of the French department.
The Spanish language forms a part of the system of study.
With respect to religious instructions M. l'Abbe Tholon, whose zeal is so justly appreciated, continues to prepare the pupils for their first communion in the chapel of the institution.

MUSIC.
The study of Music is the object of particular care. Madame Lavillebeuvre, and artiste of the higher order is attached to the institution as Professor of the Piano and Harp. A course of Vocal Music by one of the best Professors of the city.
As a means of emulation, the institution has adopted monthly musical examinations at which parents are invited to be present.
A Professor of Dancing is attached to the establishment.

Messrs. SANDS—Gentlemen—I have great pleasure in acknowledging to you the great benefit I have received from the use of your Sarsaparilla. A subject of pulmonary disease, I made a voyage to Europe, but while there continued to be afflicted. A few weeks after my return, I was seized with a violent hemorrhage of the lungs, and from the debility and great prostration of strength that followed, with the protracted difficulty of respiration, I am entirely relieved by the use of your Sarsaparilla, which I consider a most important and truly valuable discovery in the healing art. I feel that I have not for fourteen years enjoyed so good health as at present.

Dr. Ed. Martin's Vermifuge Syrup
Without any disagreeable Taste or Smell.

THE MELIA AZEDARACH, (Follis Bipinnatis, Lignosa' Class X Decand: Monogyn:—Jussieu Class XIII. order II. Meliacae—Tournefort, Class XXI Arbore ramosa,) one of the most beautiful ornamental trees, the roots of which for more than half a century, by poor persons, justly reputed the best vermifuge known, [illegible] the principal agent in the above named remedy.
Having sought with the greatest care in the bark of the root of this tree, the active principle which produces such excellent results in verminous affections of children, we have succeeded in extracting it in its purest state, and by mixing it with other tonic plants which are not only indigenous to Louisiana have arrived at composing the above Vermifuge Syrup, the efficacy of which is now beyond the shadow of a doubt.
This Syrup, of an agreeable flavor, can be administered to the most delicate constitution. [illegible] [illegible]
To avoid debilitating the little patients by too severe diet, we have combined the doses originally prescribed, in the following manner:

DR. EDOUARD MARTIN'S
HYGIENIC ELIXIR,
Against Sea-Sickness.

FOR a long time past the scientific world, medical men especially, appear to have been struck with the remarkable fact, that among the innumerable inventions of our epoch, no efficacious remedy has as yet been found to counteract or even mitigate the dreadful effects of sea sickness. Several means have been tried to attain this end. These remedies, whether simple or compound, internal or external, have only had negative or equal failures. An idea may be formed thereof by the perusal of the annals of Pharmacy, Chemistry and Medicine of all countries, published within the last ten years.
The inventor of the "Hygienic Elixir," has therefore made this invaluable discovery. After numerous experiments, careful researches on the properties of the substances composing this Elixir, he is enabled to offer it to travellers in the shape of a palatable draught, not decomposed or altered either by climate or age.
The Elixir checks sea-sickness immediately, as it restores the stomach to its healthy state. However slight the constitution of the person using it, it quickly invigorates, and promotes a general feeling of ease and comfort. The nausea ceases as if by magic, calm and sleep are restored, the appetite awakened and digestion effected as readily as under the influence of dry land.
The inventor having had an opportunity during a recent sea voyage, to make personally a final trial of this Elixir, has made up his mind to offer it to the public. He could corroborate the above statements by testimonials from several sea-captains, but will apply only to the opinion of one of the most intelligent and distinguished commanders of the French Commercial Navy. Captain Labory, having had opportunities of testing under his own immediate supervision the efficacy of this remedy, (then in the shape of pills) gave the following certificate:
DEAR DOCTOR:—During my last voyage to France I have had opportunities of testing on divers persons your remedy against sea-sickness; I am happy to inform you that [illegible] [illegible]
I am yours truly,
Signed, A. LABORY, Com't. Ship l'Oscar.
The improvement adopted by Capt. Labory, has been effected. The Tonic and Hygienic Elixir against sea-sickness, is sold in four ounce bottles with glass stoppers. Care must be taken to keep the bottle well corked, to prevent evaporation.
