MEDICAL.

BULLS SARSAPARILLA.

Hondoras Sarsaprilla as say 1844 — preparation made in America.

Price $1 per bottle, or six bottles for $5.

THAT been well established fact for years past that Sarsaprilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, dissipating drinks, evil habits or youth, rheumatism, &c. We boldly assert that BULL'S SARSAPARILLA is the only preparation of Sarsaparilla before the public, that is prepared on the true scientific principles and of undoubted strength. This is universally admitted by those who purchase, and every pound is now being used, to subpoena the medical profession, and to guarantee more unanimous relief than is ever used.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and produce the greatest curative agent in the known world.

This medicine, when used according to directions,

Will Cure without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald head, Pains in the Bones or Joints, Old Sores or Ulcers, Swelling of the Gland, Syphilis, Dropsy, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the side and Shoulders, Obstructed Bowels, Costiveness, Hypos, Jaundice, Complaints in Young Females, Brain Fever, Gravella, Colds, Weakness in the Chest, Pulmonary Affections, and all other Diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Pain and Soreness in the Back, Night Sweats, Exposures of imprudence in life, Chronic Constitutional Diseases and in Spring and Summer drink and several Cures for the Hysteric, and a profile and pleasant potation, if compared to Blue Lick or Congress Water Salts, or Sedlitz Powders.

Good Testimony.

The Ohio State Journal, Columbus, O., thus speaks of Bull's Sarsaparilla.

To the Sick Public — The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla is thereby, whenever we see or hear of it, a sure guide to us, that the cures very gratifying, their production upon all who have tried it, and the testimony that we give Bull's Sarsaparilla is unequalled. This is a bold assertion, but it can be substantiated by calling on the agent in town.

Bear well, we said a little more, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD.

And that it will cure you no matter how long you have been suffering.

Wm. H. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA.

Louisville, May 11, 1847.

Mr. John Bull—Dear Sir: I have been for a number of years, off and on, troubled with a scaly eruption on my face, which I attribute to the remotion of the disease, especially the Sarsaparilla prepared by different physicians, and I feel it my duty to inform you that I met with your Bottles of Sarsaparilla, and have found it wonderful in its effects, and I have purchased of you the last time with pleasure to recommending your Sarsaparilla to the public as a most superior article.

Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing Rheumatism, come to me, I can cure, and will cure, all those who come to me, if they will use Bull's Sarsaparilla.

Mr. John Bull—Dear Sir: For the last year I have been all down with Rheumatism of the worst kind, so that I could not walk without the use of crutches, and I was in the greatest agony, and could not rest day nor night. I was induced to try your preparation of Sarsaparilla, but entirely cured of the Rheumatism, and greatly improved my general health, and I am as well as I ever was.

I have been free of pain for several months, and have no doubt the cure is permanent, and I conscientiously recommend it as the best medicine in use for Rheumatism.

Mr. Bull—In regard to your Sarsaparilla, I will say that I have used it in my practice in Cincinnati, Ohio, for a long standing, in Philadelphia, Baltimore, New Orleans, Louisville, Cincinnati, and in all directions where the medical men of our country are to be found, and I have no hesitation in recommending it as the best remedy for the purifying of the blood, and for the health of the system, and I have no hesitation in saying that it is the best preparation of Sarsaparilla in use, and I have used it in a large number of cases, and have never had a case but it did good, and in many cases it has cured, and I have no hesitation in saying that it is the best preparation of Sarsaparilla in use, and I have used it in a large number of cases.
