JACKSON, La., August 15, 1854.

DEAR SIR:—I feel bound to express my gratitude to you for the invaluable benefit I have derived from the use of two bottles of your German Bitters. I have found them to be as you represented them to be, and cheerfully recommend them to the public as a safe and sure remedy for the diseases they are intended for, and preferable to all other preparations now in use. Very respectfully yours,

H. OPPENHEIMER.

THE BITTERS ALL THEY ARE REPRESENTED TO BE.

JACKSON, La., August 20, 1854.

DEAR SIR:—I have used your German Bitters and find them all they are represented to be, and cheerfully recommend them to the public as an excellent medicine. Respectfully yours,

W. F. FAULKNER.

E. MAYER says:

RAYMONDSVILLE, La., May 23, 1853.

"Your German Bitters are a very valuable medicine. I have disposed of all I received from you, and wish a new supply immediately."

DR. RAYBOLD QUAIL says:

CLINTON, La., June 20, 1853.

"I have for the last year used the German Bitters, prepared by you, in my practice extensively. It will shortly be the only medicine of the kind that can be readily sold here, and I believe that in less than one year there will be more sold in this vicinity than in any other part of the country."

DR. RAHR says:

FRANKLIN, La., June 24, 1852.

"Your German Bitters are become very popular here, and I want a fresh supply immediately."

A. E. ADAMS & CO. say:

RICHMOND, La., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them."

You should bear in mind that these Bitters are STRICTLY VEGETABLE, thereby possessing advantages over most of the proprietary medicines recommended for similar diseases.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma and Consumption.

THIS remedy has won for itself such notoriety for the cures of every variety of Pulmonary disease that it is entirely unnecessary to recount the evidence of its virtues in any community where it has been employed. So wide is the field of its beneficiness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. And not only on formidable attacks upon the lungs, but for the milder varieties of coids, Coughs, Hoarseness, and for Children, it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people that purity is kept up to the high standard it ever has been, and that the genuine article is sold by

JOHN WRIGHT & CO., Wholesale Agents, New Orleans.

PILES! PILES!! PILES!!!

WE call attention to all who are afflicted with this dreadful complaint to the following sworn certificate from one of our most respectable citizens, the father in law of the proprietor of the "Corner Gas Light Cook," and formerly gunmaker in Philadelphia.

New York, Aug. 20th, 1856.

DR. DUPRIS—Dear Sir:—I feel bound to certify that I have been afflicted with the Piles for nearly thirty years, that I have used a gallon bottle of Barnes's Pile Ointment, and everything else I could hear of, but all to no effect, for they did me little or no good. About two months ago I commenced using your remedies for the Piles, and have the happiness to say that they have had the desired effect, having cured me. Wherever the ointment is used, for I am eighty years of age. I sincerely recommend them to all afflicted with the above complaint.
