DR. ROBACK'S Blood Purifier and Blood Pills.

DISEASES VANQUISHED

By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from the mountain herbs of his native land, which acts directly upon the causes of disease in the blood, and by restoring the corrupted fountain of life to a condition of health and purity, expels disease from the system, wherever it may be located, whether it may be in character, indigestion, nervous complaints, epileptic and other fits, coughs, consumptions in its early stages, sore throat, bronchitis, fever and ague, chills, fever and ague, rheumatism, pleurisy of the side, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, dizziness, inactivity and debility, disorders and all disorders of the organs of respiration, the lungs, the kidneys, the stomach, the bowels, or the muscular fibre, are unerringly cured by this preparation. It is to the nervous system, or seat of disease, what an alkali is to an acid; it neutralizes them with uncommon energy, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, restores bodily vigor, and regenerates every animal function. Such is the nature, such is the effect of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with the Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen the lifetime to ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 73 years, which confirms strong as proof of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

Cincinnati Co., Ohio, Sept. 27th, 1856.

Dr. C. W. Roback—Dear Sir:—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it struck all through her system, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; at last became entirely bedridden, so that we had to dress and feed her like a child. We saw one of our best physicians, who thought it of no use to make a bill; when there was no hope, I made in my earnest prayer that God in his wisdom would direct us to some means that would restore her to health again. When it appeared, He was not deaf to my prayer in answer to my prayer, that a man, passing by, handed me a copy of your medical almanac, and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would relieve my wife. So I sent by Mr. Thackler, our superintendent, the boxes of that, and got a bottle of Blood Purifier and one box of Pills, and, to our great joy, before we had taken it all, she was able to get up, and in new shoes to attend to her little children's comfortable home, for which I feel thankful to God. Now, sir, we are happy to have the blessed health on her cheek, all the children of your neighbors. May God grant you long life and success. Yours truly, JEREMIAH HOWAN.
